#### **REPORT**

#### **RESEARCH ORIENTATION PROGRAMME (ROP 2021)**

Research Orientation Programme means that the faculty members and research scholars systematically examine the foundations, quality and results of their work. It is essential for the researcher to guide and educate towards this type of research oriented professional practice. The participants will grow into an expert capable of identifying, limiting and redefining problems, assessing and analysing situations.

The aim of this programme is to help faculty members and research scholars in understanding the intricacies of writing a paper, improving citations and getting it published in quality journals. It also focus on how to find the funding agencies and experts with time and effort saving.

In the wake of COVID-19 pandemic situation and due to the lockdowns imposed, conduction of online classes at colleges became mandatory by the educational boards. So research committee Maharaja's College, Ernakulam has conducted webinar series as part of research orientation Programme 2021.
