Decisions.

1. Lengthy essays prescribed for study are to be edited meticulously and made concise.
2. For select texts it may be mentioned in the syllabus itself that it is

for self study with tutorial help.

3. The syllabus and the question papers have to be scrutinised once again by the faculty so as to make it error free.
4. It was opined that the number of questions in the question paper have to be reduced.
5. The components of the modules may be rearranged in appropriate to ensure completion of the syllabus especially in Paper-6 stories to inspire.
