The meeting started at 1:30 pm.

In continuation with the meeting conducted on 05-09-2019, the Department

conducted the final B.O.S. meeting for UG syllabus Revision on 27/09/2019.

Integrating with the changes made in 05-09-2019, the experts added their views in content and Test books. Everyone agreed to do the modification by incorporating all these ideas; and the modifications are done in the following manner.

- (1) Human Rights & Mathematics for Environmental studies is included as a core subject instead of Combinatorics paper.
- (2) Test books of Operations Research and Transforms and special functions in 6th Sem. are changed.
- (3) Trigonometric Series & hyperbolic functions are included in Complementary and core courses and the paper name changed accordingly.
- (4) Rectified irregularity in the content of
 - (i) 1-4 Semesters Core paper
 - (ii) Real analysis paper in Vth & IVth Semester
 - (iii) Differential equation paper in Vth semester
 - (iv) B.A. Economics (Hons.) Complementary paper
- (5) Rectified irregularity in Time duration allotted for Modules.

The meeting came to a close by 5 p.m.
