

Annual Report 2022 – 23

Maharaja's College (Government Autonomous), Ernakulam, Kerala – 682011

About the College

Maharaja's College (Government Autonomous), located in the rapidly growing city of Cochin, is an exceptional institution that offers higher education with a distinct character. It boasts a rich heritage and remarkable accomplishments in various domains, including the creation and dissemination of knowledge, fostering liberal and secular values, promoting inclusive growth and development, and empowering

marginalized communities to attain upward social mobility. The college campus, sprawling across 25 acres, is conveniently accessible by road, rail, air, metro rail, and waterways. It is a picturesque and serene oasis amid the city's hustle and bustle, thanks to the lush greenery, shady trees, thick foliage and pristine water ponds that create a tranquil atmosphere.

The college had a humble inception as a Basic English school way back in 1845, established in the former princely state of Cochin with the primary objective of providing "instruction to the students that would enable them to converse with Englishmen without interpreters." However, over the years, the college has evolved significantly and gained recognition as a 'Centre of Excellence' by the Government of Kerala and as a 'College with Potential for Excellence' by the University Grants Commission (UGC). This growth has been gradual but consistent, and today, the college stands tall as a distinguished institution for higher education.

The original elementary school founded in 1845 underwent several transformations over time, eventually becoming a college in 1875 in response to the increasing demand for higher education in Cochin and neighbouring states of Travancore and British Malabar. Originally named 'The Ernakulam College' and affiliated to the University of Madras, it offered First Arts Courses and quickly rose to become one of the premier educational institutions in the Madras Presidency. Like other colonial institutions across the country, Maharaja's had British principals at the helm. These enlightened individuals played a critical role in popularizing English education in the state of Cochin. The first principal, Professor A.F. Sealy (1875-1892), described himself and his compatriots as "labourers in educational work" dedicated to "bringing light to one of the dark regions of Asia." Despite this, he acknowledged that their work was simply "a just repayment of an old debt of gratitude that the West owes to the East."

The Golden Jubilee Year (1925) proved memorable in more than one way. The college was permanently rechristened as Maharaja's College. It started offering Bachelor of Arts programmes in a number of disciplines, thereby raising itself to the status of a first grade college, turned residential by building hostels and formed an Old Students' Association which must surely be one of the oldest in the country. The next decade would witness a spurt in the number of programmes offered, especially in sciences and the addition of a 15- acre playground, on the land donated by the aristocratic Thottakat family.

Following India's independence and the formation of the state of Kerala in 1956, Maharajas began to expand its postgraduate programs and prioritized inclusivity by admitting students from marginalized and disadvantaged social backgrounds. Throughout the 1970s and 80s, the college experienced a surge in enrolment and

celebrated its grand centenary in 1975. The college has seen remarkable growth in the number of female students and teachers, and the gender ratio became skewed in favour of women during the 1990s. Additionally, the college responded to changing times by offering new, innovative programs like B.Sc. Instrumentation and B.Sc. Environment & Water Management in the 1990s.

In the new millennium, Maharaja's began to place greater emphasis on technology-enhanced teaching and learning by establishing state-of-the-art ICT facilities. The number of researchers also surged, and the college is now a Centre of Excellence with 19 teaching departments offering 20 undergraduate, 21 postgraduate, 1 integrated and 18 doctoral programmes. Undergraduate courses range from music and commerce to computer applications, showcasing the diversity of the college's academic offerings. The college has three hostels and a 15-acre playground with a synthetic track and pavilion. In 2010, the Department of Science and Technology (DST) selected all the science departments of the college for special assistance under the Fund for Improvement of S&T Infrastructure (FIST) programme. The college received A grade accreditation from the NAAC in both 2006 and 2013.

The college has been doing well in the Mahatma Gandhi University youth festival, bagging the first place or runner-up position consistently. Many of the winners have cut a niche for themselves in the fields of cinema, television or other media. In terms of achievements in academic evaluation, the college has managed to maintain the streak of success successively. The college got a shot in the arm with its inclusion in the Cluster of Colleges, a body exclusively formed to share the resources of a few select colleges in and around the city. Various activities were undertaken by the Cluster in the last few years. In 2014-15, the college was elevated to the status of an autonomous college. It is the first and the only government autonomous college in Kerala.

Message from the Principal

I am proud and delighted to present the Annual Quality Assurance Report (AQAR) for the academic year 2022-23. This report reflects the culmination of a year-long effort by our institution's teachers and the Internal Quality Assurance Cell (IQAC), both of whom have been working tirelessly to maintain and improve the quality of education and the learning environment of our college, which has registered steady growth in all realms in the last few years.

The AQAR is a comprehensive compendium-cum-evaluation of the overall performance of our institution, covering multiple dimensions and aspects. Its primary purpose is to assess and ensure that the institution meets or exceeds the expected standards of excellence in all areas of operation. The report evaluates the academic

programs offered by the institution, including their curricula, teaching methods, and learning outcomes. It examines the quality and relevance of research activities, assessing the impact and contributions of faculty members, researchers, and students to their respective fields. In addition to academic and research-related matters, the report also evaluates the institution's infrastructure, such as the availability and quality of facilities and equipment, the adequacy of support services, and the effectiveness of administrative procedures. Furthermore, the report assesses the quality of student services, including academic and career counselling, health and wellness services, student activities, and support for diversity, equity, and inclusion. It examines how well the institution meets the needs of students and promotes their overall well-being and personal development. In a nutshell, the AQAR serves as a valuable tool for institutional self-reflection and continuous improvement. By identifying areas of strength and areas that need improvement, the report helps the institution maintain its standards of excellence, make informed decisions, and take corrective actions when necessary. It also helps to foster a culture of accountability, transparency, and excellence, which is essential for providing students with a world-class education.

I would like to express my heartfelt appreciation to the IQAC and all the faculty members of Maharaja's College for their unwavering commitment to maintaining and improving the quality of education and learning environment in our institution. It is because of their hard work and dedication that we have been able to achieve this remarkable feat. I would also like to extend my gratitude to all our students for their cooperation and active participation in various academic and extracurricular activities that contribute to the overall development of our institution. Together, we will continue to strive for excellence and set new benchmarks for academic achievement.

A Word from the IQAC

Needless to say a healthy academic atmosphere is crucial for the growth and development of any educational institution. It helps to create a positive learning environment for students, faculty and other staff, which in turn fosters academic excellence and innovation. The Internal Quality Assurance Cell (IQAC) plays a pivotal role in creating and maintaining a healthy academic atmosphere by ensuring the quality of education and infrastructure.

The IQAC is responsible for monitoring and evaluating the academic and administrative activities of the institution to ensure that they meet the desired quality standards. It helps to identify areas that need improvement and takes necessary steps to address them. The IQAC also promotes a culture of continuous improvement by encouraging feedback and implementing corrective measures.

The IQAC has been actively involved in various activities that aim to improve the academic atmosphere of the institution. Some of the efforts include a) conducting regular meetings with faculty and staff to discuss and address academic and administrative issues, b) organizing workshops and training programs for faculty and staff to enhance their teaching and administrative skills, c) creating and maintaining a database of faculty publications, research projects, and other academic activities, d) encouraging and facilitating student participation in co-curricular and extra-curricular activities and e) monitoring the progress of the institution in achieving its vision and mission.

The preparation of the Annual Quality Assurance Report (AQAR) is a crucial task that requires the cooperation and support of all stakeholders. One of the significant difficulties faced by the IQAC in preparing the AQAR is the vastness of data that the college generates every year. It is essential to collect and process data from various sources, which can be a time-consuming and challenging task. Another difficulty is the implementation of corrective measures. While identifying areas that need improvement is relatively easy, implementing the necessary corrective measures can be a daunting task.

The IQAC uses a variety of methods to collect data, including surveys, feedback forms, and institutional data. The collected data is then processed and analysed to identify areas that need improvement. The IQAC also conducts internal audits and reviews to evaluate the effectiveness of the corrective measures implemented.

We would like to express our sincere thanks to all stakeholders, including the Government of Kerala, faculty, staff, and students, for their cooperation and support in creating and maintaining a healthy academic atmosphere. Their contributions have been instrumental in the success of the institution, and we look forward to continued collaboration in the future.

1. The Governing Body

Maharaja's College holds the prestigious distinction of being the only autonomous college in the government sector in the state. This esteemed institution has been autonomous since the year 2015, which has contributed significantly to its growth and development. As an autonomous college, Maharaja's operates with a certain degree of independence and has the authority to design and implement its own academic programs, curriculum, and evaluation systems. This empowerment enables the college to adapt its educational offerings to the changing needs of students and the evolving demands of the job market.

At the core of the autonomous structure lies the Governing Body (GB), which serves as the apex body of the college. Comprising distinguished individuals from various spheres of society, including renowned academicians, government representatives, and experts from relevant fields, the Governing Body plays a crucial role in guiding and overseeing the college's functioning. The GB of Maharaja's College exercises its authority in key decision-making processes related to academic policies, infrastructure development, and overall institutional governance. It provides insights, expertise, and strategic direction to ensure the college's continued growth and excellence in education.

Functions of the Governing Body:

Subject to the provisions outlined in the bylaws of the respective college and the rules established by the state government or the parent university, the GB holds several crucial responsibilities to ensure the effective functioning and development of the institution:

- a) Guiding the college: The GB serves as a guiding force, ensuring that the college operates in line with the objectives for which it was granted autonomous status. It provides strategic direction, monitors progress, and offers valuable insights to promote the overall growth and excellence of the college.
- b) Scholarships, fellowships, and Awards: On the recommendations of the Academic Council, the GB has the authority to institute scholarships, fellowships, studentships, medals, prizes, and certificates. These incentives recognize and reward exceptional academic performance, research contributions, and extracurricular achievements among students, encouraging excellence in all domains.
- c) Approval of new programmes: The GB plays a vital role in expanding the academic offerings of Maharaja's College. It has the power to approve the introduction of new programs of study leading to degrees and/or diplomas. This allows the college to adapt to emerging disciplines, meet the evolving demands of students and the industry, and ensure a comprehensive educational experience.

- d) Approval of annual budget: As a key authority, the GB approves the annual budget of the college. This involves reviewing and allocating resources, ensuring efficient financial management, and prioritizing investments in areas critical to the college's growth, such as infrastructure development, faculty recruitment, research facilities, and student support services.
- e) Additional functions and committees: In addition to the aforementioned responsibilities, the GB has the authority to perform other necessary functions deemed essential for the proper development of the college. This may include instituting committees to address specific issues, establishing task forces to undertake focused initiatives, and formulating policies and guidelines to enhance the overall functioning of the college.

It is important to note that the specific details and procedures related to these functions may vary based on the bylaws of the college and the regulations set forth by the state government or parent university. The GB operates within the framework provided by these governing documents, ensuring compliance with established norms and guidelines while actively contributing to the growth and advancement of Maharaja's College.

The GB takes an active role in monitoring the academic activities of the institution, ensuring that the highest standards of efficiency are maintained. To facilitate its functions effectively, the GB is divided into various subcommittees, each with a specific focus. These subcommittees include the Examination Subcommittee, Finance Subcommittee, and Development & Maintenance Subcommittee.

The Examination Subcommittee is responsible for overseeing the examination process and ensuring its smooth and fair conduct. It establishes guidelines and policies related to examinations, monitors the evaluation system, and safeguards the integrity of the assessment process. In addition it evolves mechanisms to address issues related to the conduct of examinations.

The Finance Subcommittee plays a crucial role in managing the financial aspects of the college. It works towards formulating and reviewing the annual budget, monitoring financial resources, and ensuring that funds are allocated appropriately to support various academic and administrative needs. The Finance Subcommittee also evaluates financial proposals and provides recommendations to the GB for consideration.

The Development & Maintenance Subcommittee focuses on the continuous development and upkeep of the college's infrastructure, facilities, and resources. It assesses the requirements for infrastructure expansion, renovations, and technological advancements, ensuring that the college provides a conducive learning environment for students and a comfortable working environment for faculty and staff members. The subcommittee also oversees maintenance activities to ensure that the college's facilities remain in optimal condition.

The GB convenes an average of seven meetings per year to discuss and deliberate on pertinent issues concerning the college's functioning. These meetings serve as platforms for the GB members to review and decide on matters related to academic policies, infrastructure development, faculty recruitment, financial management, and other areas crucial to the college's overall progress. The meetings provide a forum for open discussions, where the GB members, steered by the Chairman, exchange ideas, address challenges, and collectively design effective strategies to steer the comprehensive mechanism of the college.

The GB members are committed to upholding the rules and norms set by the State and the parent university. They bring their expertise, experience, and dedication to bear in designing and directing efficacious strategies that ensure the smooth functioning of Maharaja's College. Their collective efforts aim to maintain the college's academic standards, foster a nurturing learning environment, and promote the holistic development of students.

By adhering to established guidelines and regulations, while also leveraging their expertise and vision, the GB members contribute significantly to the college's growth and success. Their active involvement ensures that Maharaja's College remains a center of academic excellence, empowering students with knowledge and skills that prepare them for the challenges of the modern world.

Minutes of the Governing Body Meeting of Maharaja's College (Autonomous), Ernakulam held online on 20th March, 2023 at 3 p.m.

Agenda

1. Proposals of Campus Software to be implemented in the College.
2. Any other matter permitted by the Chair.

II. Present

1. Dr. N. Ramakantan (Chairman)
2. Dr. V. S. Joy (Member Secretary/ Principal)
3. Sri.Harikumar G, (Govt. Nominee)
4. Dr. Suresh Mathew (MG University Representative)
5. Dr. M.S. Murali, Member
6. Dr. T.V. Suja, Member
7. Dr. Jolly V.Antony., Member
8. Sreekanth T S, College Union Chairman

Deliberations and Decisions

The member secretary reported that the College has received proposals from ITI Palakkad and KEL for the installation of new Campus software from the next academic year onwards.

The meeting entrusted the member secretary to form an expert technical committee with external experts competent to assess the proposals, and invite the proposers to make demonstration in front of the newly constituted technical committee and GB members.

The meeting came to an end at 3.30 p.m.

Minutes of the Governing Body Meeting of Maharaja's College (Autonomous), Ernakulam held online on 31 March, 2023 at 10.30 a.m.

Agenda

1. Proposals of Campus Software to be implemented in the College.
2. Any other matter permitted by the Chair.

II. Present

1. Dr. N. Ramakantan (Chairman)
2. Dr. V. S. Joy (Member Secretary/ Principal)
3. Dr. Suresh Mathew (MG University Representative)
4. Dr. T.V. Suja, Member
5. Dr. Jolly V. Antony., Member
6. Sreekanth T S, College Union Chairman

Deliberations and Decisions

The member secretary reported that as per the previous GB Meeting decisions the proposals received from ITI Palakkad and KEL for the development of new Campus software were demonstrated in front of an expert committee consisting of 3 members belonging to Computer Science discipline. Based on these two presentations, the Expert Committee unanimously recommended the KEL for awarding the software application development work. The GB has directed the Member secretary to comply the suggestion of the expert committee and a detailed offline meeting shall be convened on 4th April 2023 with KEL, attended by all the committee conveners who have to give inputs for the development of software in various stages like admission, examination, and website.

The following amendments in reforming the examination system approved by GB meeting held on 13 February, 2023, presented by Dr.Jolly V Antony were also approved.

(3) i. Two day CV camp - In UG camp valuation the additional examiner in the camp for 2 days can also use the 3rd day for valuation only if more than 20% of the total answer scripts in a programme remains pending for valuation.

(3) ii. Decided to give remuneration to guest faculties of the two cost sharing courses for the valuation of regular papers.

(3) v. Decided to conduct examinations only in the forenoon. Time-10 am - 1pm except Friday. Friday Time -9.30am to 12,30

Under the heading (4) Meeting with CE office controller

(4) c) Mercy chance can also be granted for 2016-2019 UG batch

Considering the favourable future prospects of applicants it is also decided that mercy chance provision can also be granted for 2016-19 UG batch.

The meeting came to an end at 11 am

Minutes of the Governing Body Meeting of Maharaja's College (Autonomous), Ernakulam held in the Board Room of the College on the 23 of July, 2022 at 10.30 a.m.

I. Agenda

1. Approval of the minutes of the last Governing Body meeting on 21st of May, 2022
2. Action taken report of the previous GB meeting
3. Ratification of Deputy Controller appointment
4. Review of the ongoing infrastructure development works
5. Inauguration of the new hostel building
6. Library shifting to new library complex building
7. Request from students regarding internal redo examination
8. Any other matter permitted by the Chair.

II. Present

9. Dr. N. Ramakantan (Chairman)
10. Dr. V. S. Joy (Member Secretary/ Principal)

11. Dr. Suresh Mathew (MG University Representative)

12. Dr. M.S. Murali, Member

13. Dr. T.V. Suja, Member

14. Dr. Jolly V.Antony., Member

III. Deliberations and Decisions

The GB expresses strong dissent against the frequent news about tarnishing the image of the college and its functioning in the media recently without any basis. The GB demands that stringent response and action must be taken against the malignant nexus within and outside the college who deliberately try to damage the dignity of the college in the present scenario. This action is very imperative since such blemishes shall affect even the national ranking of the institution and thereby the future funding and student intake as well.

1.Approval of the minutes of the previous GB meeting held on the 21st of May 2022.

The minutes of the previous meeting is approved.

2. Action taken report of the previous GB meeting

2.1 It is reported that the file in connection with illegal tree cutting in the college campus had been sent to the DCE for verification and received back. But no report has been received from DCE so far in this regard.

2.2 It is reported that the Head Accountant is given a note to remit the exam fee collected by online in 2019-20 up to 31/01/2020. Necessary steps are being taken to withdraw from the Bank Account of the Principal, the amount collected from students as the fees by online mode under the heads of admission fee, examination fee and registration fee and remit them in the respective heads in the Government treasury. Admission fees collected in the year 2020-21 up to 31/01/2020 has been remitted in the respective heads. In the year 2021-22 UG registration fees is remitted in the general P D account and the steps for remitting PG registration fees to this account is completed. A letter has been sent to the NIC seeking assistance to generate report regarding the registration fees of 2019-20 and admission fees of 2021-22. Steps are being taken to remit the registration fees (19/07/2022) into the general PD account in the Government treasury.

2.3 The university registration process of students admitted in the years 2019-20 and 2020-21 has been completed. The university registration process of students admitted in the year 2021-22 is being done.

2.4 The Website Committee is entrusted with the task of updating the College website into a dynamic one. A Technical Committee shall be constituted consisting of technical experts from Cochin University, Model Engineering College and State IT Mission for enabling and monitoring the overall ICT facilities of the college. The Website committee can procure the assistance of this Technical Committee as well. The Website Committee is directed to go ahead with the process of redesigning the website with the support of the NIC and the newly constituted technical committee.

2.5 It is reported that the two teachers of the Department of History, Dr.Divya G and Smt. Geetha P.C. who were issued memo in connection with enquiry about students' complaint about the flaws in the valuation of answer scripts and had submitted their explanation, and at present they are transferred from this institution on their request. The GB evaluated the gravity of their grievous flaws and observed that their explanation are not satisfactory, and hence repeatedly recommended that this issue must be reported to the DCE for departmental action.

2.6 The GB approved the request from the co-ordinator for Central Instrumentation Facility regarding the qualification fixed for the Technical Assistant to be appointed for Centralised Instrumentation Facility as MSc. Chemistry (priority in Analytical Chemistry) with an additional experience in handling GCMS and UV-VIS. The GB also decided that a request shall be sent to the DCE for appointing a permanent staff in future, since the college has initiated the process of setting up a full-fledged Centralised Instrumentation Facility in the coming future.

2.7 It is reported that as follow up action to get the renewal of autonomy, copies of the proposal for renewing the autonomous status of the college have been sent to the UGC and M G University and have got assurance that the UGC has received the proposal.

2.8 GB examined the Plan Fund proposals for infrastructure (2022-23) submitted to the DCE and opined that accredited agencies for furnishing of the library, such as Forest Industries Travancore (FIT), Artisans Development Corporation (ADC) can be approached for better and quicker Library interior works and other accredited agencies such as Police Construction Society, State Nirmithi Kendra etc. for toilet block construction.

2.9 It is reported that one system administrator for the 2022-23 has been appointed as per the CDC decision. The period of temporary staff appointed as part of the works in connection with the autonomous status of the college has been extended for three months. From Kudumbasree Mission, three sweepers have been appointed, the salary of two of them shall be met from the CDC fund and one from the Autonomy PD fund.

2.10 An interim order has been sent for the security audit of the five modules in the Campus suite programme and the same has been sent to the DCE for ratification. Considering the urgency of the audit of the admission module, it is done and its expenditure has been met from the admission fee of 2021-22. Steps are being taken to process the bills of the remaining modules.

2.11 The GB expressed concern about the faults in the examination process with regard to electricity failure and recommended that the faculty in charge of Additional Chief superintendent may be removed from the present post.

2.12 As per the decision of the GB meeting on 12th of February, 2021 the GB directs the Accommodation Committee to take steps to facilitate the shifting of IQAC room from the GB Chairman's cabin to the first floor room facing the Computer/ Front Office room of system administrator. This room will be functioned as the IQAC room hereafter. The Governing Body is to be given the full-fledged Board room for conducting Board meetings and Standing committee meetings and Chairman's Cabin facilities in the present VIP lounge. Both the rooms should have their respective boards affixed.

2.13 The File management system of the college office is to be made intact by setting up file storage space with almirahs in Room No 14.

3. Ratification of Deputy Controller Appointment

In the vacancy arisen on the retirement of Smt.Subida M.D, Deputy Controller of Examinations, Dr. Neena George, Assistant professor of Chemistry is appointed on 14.06.2022. This appointment is ratified by the GB. The GB expressed the opinion to strictly adhere to the UGC guidelines regarding the constitution of Examination Cell in autonomous Colleges and recommended for creating additional Deputy Controller posts considering the increased number of courses and students in the recent years. It is also observed to limit the tenure of teachers working as Deputy Controllers as three years, following the UGC guidelines. The Examination Standing Committee of the GB is directed to study the matter and present a report in the next GB meeting with regard to the reconstitution of the Examination Cell and the feasible remuneration of the teachers in charge.

4. Review of the ongoing construction work

Necessary Steps are to be taken to get water connection in the Academic complex and both water and electricity connections in the Centralised Library. It is reported that 40% of work is completed in the construction of New Auditorium, Chemistry block second floor and renovation of Staff Hostel. 85% of college maintenance and drainage works is done. As regards the relaying of synthetic track a revised estimate for 8.73cr is given by PWD, for which new AS and allotment is required from the Government. In the case of Hockey Turf Project, the MOU with Kerala Sports Department is modified and sent to its Chief Engineer.

5. Inauguration of new hostel

The Principal has to take necessary steps to handing over the charge of the new hostel and adopt immediate measures for the electrification and water connection of the hostel. Underground storage water tank, compound wall and Kitchen shall be constructed by the PWD from the unspent amount. Steps may be taken to get Administrative Sanction in this regard. After making necessary alterations to suit the needs of girls' hostel, fitness certificate may be procured from the PWD to this effect.

6. Library shifting to new complex

GB examined the report submitted by the librarian and directed the member secretary to take necessary measures for the shifting of the library.

7. Request from students regarding internal re-do

GB examined the request from Akash Saji (B A Economics 2015-18) and granted permission for internal re-do by considering the sanction of such cases by the Parent (MG University) University.

8. Any other matter permitted by the Chair.

8.1 Request for revaluation

Manjusha M.M., a student of UG Commerce has submitted an application to consider her request for revaluation of third semester Common course English paper "Understanding India" of which she had failed to apply within the stipulated time. The GB has decided to sanction her request after obtaining superfine for her application in this regard.

8.2. Request for grace mark distribution

Eldho Stanley (B.A. Music 2019-2022) and Kamal Mohan J S (M. A. Music 2020-22) have requested to consider their grace marks received from University Youth festival 2022 to be added to the previous semester marks. As this is against the university rule that grace marks shall be provided only to the examinations conducted in the performing year, GB cannot give consent to their request.

8.3.Action regarding examination malpractice

As per the recommendations of the examination subcommittee, GB decided to cancel the entire I semester examination results of Vishnu K V (BA Sanskrit Reg No. 18160015), Aparna V. P (BSc Zoology, Reg No. 21180017), Nandana K. B (BA Hindi, 21070041) and the only one examination (PG1POLC02 PUBLIC ADMINISTRATION THEORY AND CONCEPTS) result in which Sreethu P S (MA politics, Reg No.21590025) did malpractice.

8.4.Admission opportunity for students awaiting supplementary results in M G University and SAY exam results in Maharaja's College

Considering the fact that MG University has extended application submission for PG courses till 2022 July 31 due to the delay in results of their supplementary and private registration examinations, and since the SAY exam results of our college shall be published by 2022 August 10th only, it is decided that students who become eligible for admission after the publication of these results will be given an opportunity for applying in the 2022 PG admissions of our college as soon as the SAY examination results are published. Those students who get qualified with index marks greater than the last admitted index mark of each course through the usual admission procedure, shall be admitted to a programme by creating seats over and above the sanctioned strength, after which approval shall be got from the parent university.

8.5.Alumni Management System

The proposal submitted by Dr.Shiji K, Alumni coordinator for hiring an online alumni management portal is examined and found useful. The estimated budget is Rs 85,000/- per year. The GB decided to begin this proposed portal and directed the member secretary to go ahead with the process by finding out the require fund from the suitable resources available.

8.6.Seat Increase

The applications for marginal seat increase submitted by certain departments are to be considered and necessary steps may be taken to further approval of the increased seats.

8.7 Anomaly in issuing rank certificate

There has occurred a flaw in the issue of rank certificate in B A Economics Honours batch 2019-2022. The rank certificate is issued to Nithuna, whereas Punya became the top scorer while revaluation results were added to the consolidated marks. GB considers this fault as a grave one and directs the Examination standing committee to conduct an enquiry and submit the report at the earliest.

8.8. Installing the photo of Olympian Chandrasekhar in the stadium

The OSA of the college has requested permission to install a photo of Olympian Chandrasekharan in the stadium pavilion. The GB approved of this request.

8.9. Allocation of rooms

The Accommodation Committee shall be directed to allocate room facilities for prominent committees and cells like Placement Cell, Women Cell and Ladies waiting room as early as possible.

8.10. Reconstitution of Examination Standing Committee

The present Examination Standing Committee is reconstituted. The new committee will have Dr. Jolly V. Antony (Examination sub committee) as convenor and Dr. Suresh Mathew, Dr. M.S. Murali and Dr. Suja T.V. as members.

.

The meeting came to an end at 1 p.m.

.

Minutes of the Governing Body Meeting of Maharaja's College (Autonomous), Ernakulam held in the Google meet online platform on the 28th of September, 2022 at 10.30 a.m.

I. Agenda

1. Approval of the minutes of the last Governing Body meeting
2. Action taken report of the previous GB meeting
3. Permanent and current increase of seats
4. Re-constituting the key officials in the office of the Controller of Examinations
5. Appointment of temporary staff (Autonomy)
6. Review of ongoing infrastructure development works
7. New hostel inauguration
8. Library shifting -regarding
9. Admission process- regarding
10. Enquiry report of anomaly in issuing Rank certificate
11. Room allocation and functioning of various committees and clubs
12. Examination invigilation and valuation anomalies
13. Clean campus initiatives
14. Strengthening and monitoring of academic activities
15. Research activities -regarding
16. IQAC activities -regarding
17. Any other matter permitted by the Chair.

II. Present

15. Dr. N. Ramakantan (Chairman)
16. Dr. V. S. Joy (Member Secretary/ Principal)
17. Dr. Suresh Mathew (MG University Representative)
18. Dr. M.S. Murali, Member
19. Dr. T.V. Suja, Member
20. Dr. Jolly V. Antony., Member

III. Deliberations and Decisions

- 1. Approval of the minutes of the previous GB meeting held on the 23rd of July 2022.**

The minutes of the previous meeting is approved.

- 3. Action taken report of the previous GB meeting**

2. 1 The amount received as fees from students till date and the e-grants received so far have been remitted in the respective heads of Government and University, thus cleared all the arrears in this regard. The admission fees collected during the year 2022-23 will be remitted in the University at the closure of the current admission process. The documents and affidavits in the prescribed format along with the University fees remitted in the heads of QC verification and matriculation, except for

those who are yet to receive e grants, as e-chalan necessary for the registration process of 751 UG students and 409 PG students have been submitted to the University.

2.2 The Principal/member secretary is authorized with the task of having an expert consultation and selection of a suitable student life cycle management software along with an upgraded software for updating our college website. It is decided that the service of IIT Palakkad or other reputed academic institution may be utilized on consultancy basis for the same.

2.3 The Principal/member secretary reported that the enquiry report and the findings in connection with the valuation flaws of the two teachers of the Department of History, Dr.Divya G and Smt. Geetha P.C. is reported to the DCE for departmental action and awaiting orders.

2.4. The request from the co-ordinator for Central Instrumentation Facility regarding the appointment of a Technical Assistant with a qualification of MSc. Chemistry (priority in Analytical Chemistry) with an additional experience in handling GCMS and UV-VIS is sent to the DCE for approval.

4. The Principal reported that the faculty in charge of the Additional Chief Superintendent has been removed from the post as a penalty of the serious faults in the examination conduct during electricity failure.

2.6. As approved by the GB, the OSA of the college has ceremoniously installed a photo of Olympian Chandrasekharan, the first Olympian of the college in the stadium pavilion.

2.7. As per the GB decision proceedings of the newly constituted Examination Standing Committee is issued with Dr. Jolly V. Antony (Examination sub committee) as convenor and Dr. Suresh Mathew, Dr. M.S. Murali and Dr. Suja T.V. as members.

5. Permanent and Current Seat Increase

As per the government order to apply for marginal increase, the college has applied to the University and got sanction for seat increase in various UG and PG programmes. Steps are being taken to apply for permanent seat increase in the programmes, especially the most sought after ones like B Com and B A English at the earliest.

6. Reconstitution of Examination Cell

Adhering to the UGC guidelines about the three year tenure of teachers working in the Examination Cell, teachers who have completed more than three years are replaced and reconstituted the Examination Cell with Dr. K. Krishnakumar, (Associate Professor of Botany) as Controller of Examinations, Dr. Neena George (Assistant professor of Chemistry) as Joint Controller, and Sri. Georgekutty Cherian (Assistant professor of Economics), Smt. Sruthymol K.S. (Assistant Professor of Hindi), Dr. K.P. Prasanthkumar (Assistant Professor of Chemistry) and Dr. Balakrishnan R.(Assistant Professor of Mathematics) as Deputy Controllers.

7. Appointment of temporary staff (Autonomy)

The GB approved the rank lists of Data Entry Operators, Part time Clerks and Office Assistants presented by the Principal. Taking due consideration of the external subject expert's remarks that no candidate is qualified for the post of system administrator, it is decided to re-notify the post of System Administrator and initiate a recruitment process with external experts at the earliest for filling this post.

6. Review of the ongoing infrastructure work

Necessary Steps are to be taken to get water connection in the Academic complex and both water and electricity connections in the Centralised Library. It is reported that 42% of the work is completed in the construction of New Auditorium, Chemistry block second floor and renovation of Staff Hostel. 95% of college maintenance and drainage works is done. As regards the relaying of synthetic track a revised estimate for 8.73cr is given by PWD, for which new AS and allotment is required from the Government. In the case of Hockey Turf Project, the MOU with Kerala Sports Department is modified and sent to its Chief Engineer.

7. Inauguration of new hostel

Request has been sent to DCE for getting the AS for the construction of compound wall, kitchen and Fire & Safety system. On completion of these works, the hostel can be converted into a Ladies' Hostel and the inauguration can be done at the earliest. GB opined that fixing an inauguration at a convenient date of the Hon.Minister of Higher Education shall help to accelerate the pending works and make a speedy facilitation of the new hostel for students. It is reported that from the CDC fund, an amount of Rs. Four lakhs has been granted for buying modern kitchen utensils and Rs. 40,000 for repairing old wooden coats, chairs and tables.

8. Library shifting to new complex

It is reported that AS has been obtained for SIDCO to undertake the interior furnishing work of the Centralised Library complex. In this context the GB entrusted the principal to constitute an Internal Monitoring Committee consisting of the teacher members of the GB along with librarian and other members who are in charge of the library, in order to have a close and consistent monitoring of the work ensuring quality and durability of the structure, materials and fittings related to this work.

9. Admission Process

The report from the convenor of Admission Committee is presented, which states that 91% (PG) and 90% (UG) admission to various programmes have been completed and it is expected to achieve a 97% completion by the 30th of September, 2022.

10. Enquiry report of anomaly in issuing Rank Certificate

The GB examined the report and observed that the software glitches shown as reason for the issue of rank position certificate cannot be regarded as a convincing reason for the mistake. The flaw has created a blemish in the reputation of the College. Intense care should be taken for not repeating such errors in future. Also, stringent measures should be adopted to get back the wrongly issued Rank certificate.

11. Room allocation and functioning of various committees and clubs

The Principal presented the details of the report submitted by the Accommodation Committee along with the necessary recommendations for the allocation of rooms for needy departments, Cells, Clubs and others. Steps are being taken by various groups, committees and cells, NSS and NCC wings to set up their respective accommodation in the specific rooms allotted for them. Various clubs and committees have started their annual activities.

12. Examination Invigilation and Valuation anomalies

The enquiry report regarding the complaint against valuation in the Political Science department is examined by the GB. It is observed that the teacher concerned has been considerably strict in the valuation of answer scripts. The general norm of liberal valuation in public examinations conducted during the Covid period is not seen as observed in this case. It is decided that Sri. Antony Dawson should be reminded about

it and be warned to maintain caution in his future valuation duties and to adopt a student-friendly approach in valuing the answer scripts.

In the case of invigilation anomalies, wherein students were issued different question papers, such students should be given a chance to write a re-examination free of cost and their results have to be declared without delay.

The GB observes that the College Council should decide about the conduct of strict pre-valuation board meetings to discuss the scheme and mark distribution before every valuation process, and for convening of a general staff meeting to give necessary directions for invigilators on a day before the commencement of examinations. Such steps should be taken to ensure a flawless examination process in the college.

13. Clean Campus Initiatives

With the aid of the PTA, the college campus and premises are weeded and kept in tact. Steps are taken to allocate the college premises to various departments, monitored by the Nature Club, Bhoomithra Sena and NSS for a consistent maintenance of clean campus and efficient waste management.

14. Strengthening and Monitoring of Academic Activities

All Heads of the Departments are directed to ensure the smooth conduct of classes. The first internal examinations of VI semester UG and IV semester PG are completed. The III semester UG examinations are going on. Every class tutor is directed to prepare and publish monthly attendance statement and submit a copy to the vice-principal as well regularly. This has improved the class room presence of students.

15. Research Committee activities

The new Research Committee has to be activated to organize more programmes for the benefit of both teachers and students. Some departments have already begun their current year research programmes.

16. IQAC Activities

The Internal audit of SSR criterion wise department audit is going to be conducted on 29th September, 2022. There will also be an external audit next month. The GB

reminded the principal to issue proceedings of the External Peer Team of IQAC, the decision of which has been taken in an earlier GB meeting.

17. Any other matter permitted by the Chair.

17.1 A permanent clerical assistance in the office for GB related works.

It is decided that the college office should have an efficient clerical service provided for the execution of the GB decisions and maintenance of supporting file system.

17.2. Request for Mercy Chance for 2016-2019 batch student

The GB approved permitting mercy chance to in accordance with the university rules in this regard.

17.3 Request by a DA student for abstaining from classes due to her disability

According to the existing Government norms, the GB cannot make an affirmative decision in the request of Lakshmi Sivaprasad to stay home and study for the entire semester and come to college for writing the exams. This request can be allowed only if a government direction is sought and produced to this effect.

17.4. Result Approval

The fourth semester UG 2020 admission regular examinations, June 2022 results are approved. The following results published on various dates are ratified.

1. Sixth Semester UG 2019 admission regular, 2016 to 2018 admissions supplementary Examinations April 2022
Passboard meeting held on 01/06/22 and results published on 01/06/22.
2. Fourth semester UG 2016 to 2019 admissions supplementary Examinations, June 2022
Passboard meeting held on 04/07/22 and results published on 05/07/22.
3. Mercy Chance Examinations : PG 2015 admissions(All semesters), March 2022
Passboard meeting held on 04/07/22 and results published on 05/07/22.
4. Mercy Chance Examinations : PG 2016 admissions(All semesters), March 2022
Passboard meeting held on 04/07/22 and results published on 05/07/22
5. Mercy Chance Examinations : UG 2015 admissions(All semesters), March 2022
Passboard meeting held on 04/07/22 and results published on 05/07/22
6. Third semester PG 2020 admission regular examinations, March 2022

- Passboard meeting held on 29/07/2022 and results published on 01/08/2022
7. Third semester UG 2020 admission regular examinations, March 2022
Passboard meeting held on 29/07/2022 and results published on 01/08/2022
 8. First semester PG 2021 admission regular, 2018 to 2020 admissions
supplementary examinations, March 2022
Passboard meeting held on 29/07/2022 and results published on 01/08/2022
 9. First semester UG 2021 admission regular, 2016 to 2020 admissions
supplementary examinations, March 2022
Passboard meeting held on 29/07/2022 and results published on 01/08/2022
 10. Fifth semester UG 2019 admission SAY examinations, July 2022
Passboard meeting held on 04/08/2022 and results published on 04/08/2022
 11. Sixth semester UG 2019 admission SAY examinations, July 2022
Passboard meeting held on 04/08/2022 and results published on 04/08/2022
 12. Fourth semester PG 2020 admission regular, 2018 & 2019 admissions
supplementary examinations, June 2022
Passboard meeting held on 26/08/2022 and results published on 26/08/2022

17.5 Admission opportunity for students awaiting supplementary results in M G University and SAY exam results in Maharaja's College

As per the previous GB decision, applications were invited, from which two students have qualified for getting admission to this college.

17.6 Alumni Management System

The recommendations of the Alumni Coordinator are approved with the GB suggestion to seek the sponsorship of the recommended Alumni management system from the Old Students' Association (OSA) of the college.

17.7 System Administrator

As the only Autonomous college in the Government Sector, it is imperative that our System Administrator should be competent enough to manage the data system of all admission, examination and website related duties. After examining the current situation, the GB decided that a letter shall be submitted to the Government for obtaining the service of a competent person on the basis of work arrangement from the Technical Education Department for filling this post.

17.8 Internal re-do application

The GB Observed that the re-doing of internal examinations and practical examinations shall be allowed only in conformity with the University rules regarding this and based on this the applicant's request is considered.

The meeting came to an end at 12.35 p.m.

**Minutes of the Governing Body Meeting of Maharaja's College (Autonomous),
Ernakulam held in the Governing Body Board Room on the 13th of February, 2023
at 10.30 a.m.**

I. Agenda

3. Approval of the minutes of the last Governing Body meeting
4. Action taken report of the previous GB meeting
5. Examination Reforms
6. Meeting with CE office Controllers
7. Question bank software
8. Syllabus Revision procedures

Dr. T.V. Suja, Member
Dr. Jolly V. Antony., Member

III. Deliberations and Decisions

1. Approval of the minutes of the previous GB meeting held on the 28th of September 2022.

The minutes of the previous meeting is approved.

8. Action taken report of the previous GB meeting

2. 1 It is reported that the details of students admitted in the year 2022-23 have been submitted to the parent university for the registration process.

2.2 The detailed proposal for developing student life cycle management system has been obtained from ITI Palakkad. The member secretary/Principal is authorized to form a technical committee and initiate the steps to implement the system at the earliest.

2. 3 The Principal/member secretary reported that the DCE has issued stringent warning letters to the two teachers DR. Divya G and Smt. Geetha P.C, in connection with the valuation anomaly in the History Department. The letters have been sent to these teachers, who are at present working in Govt. Victoria College, Palakkad and Govt. College, Thripunithura respectively.

2. 4. It is reported that a Technical Assistant is selected by way of interview for the running of Central Instrumentation Facility.

9. The Principal reported that Dr. J.Kumar is appointed as the Additional Chief Superintendent in place of the earlier faculty who was removed from the post as a penalty of failure in the conduct of examinations.

2. 6. Application for permanent eat increase is withheld for the time being taking into consideration the practical difficulty during the implementation of the four year UG programmes.

2.7. **The Examination Cell is reconstituted** with Dr. K. Krishnakumar, (Associate Professor of Botany) as Controller of Examinations, Dr. Neena George (Assistant professor of Chemistry) as Joint Controller, and Smt. Sruthymol K.S. (Assistant

Professor of Hindi), Dr. K.P. Prasanthkumar (Assistant Professor of Chemistry) and Dr. Balakrishnan R.(Assistant Professor of Mathematics) as Deputy Controllers and orders issued.

2.8 It is reported that interview has been conducted for the posts of temporary staff and appointment orders are issued to Data Entry Operator, Part time Clerk and Office Attendant. The post of System Administrator was renotified and appointment has been made to the post after the interview procedure.

2.9 Rooms are allotted to various Committees and clubs.

2.10 Alumni Management Committee is formed and orders issued.

10. Examination Reforms

The GB approved the proposal for Examination Reforms presented by the Examination Standing Committee. The Following reforms are to be implemented in the examination system henceforth:

i) UG/PG answer script valuation and revaluation/challenge valuation

All end semester regular examination valuation should be done in centralized camp (CV camp). Teachers in the CV camp need not take regular classes. The HOD should take necessary steps for the conduct of classes by making use of the teachers not participating in the camp. If the HOD finds it difficult to manage classes it should be intimated to the Principal and the Principal can suspend classes of the respective departments.

CV camp should be started immediately on the next day after the end semester examination. 2 day CV camp is for the core courses and complementary courses. In that 2 day camp itself valuation and chief valuation should be completed. Chief examiner should be there in the second day to return the papers after completing the chief valuation. For common courses (English) and second language courses 3-day valuation camp can be conducted.

During CV camp 2 day semester break can be given. Semester break can be given only if the CV camp is next day immediately after the end semester examination.

Teachers who are assigned for revaluation/challenge valuation are not permitted to take answer scripts home. Valued papers should be returned

in the same day. No need to engage regular classes if no:of papers are more than 10.

Two day CV camp

UG

Day 1 - Answer Key discussion (FN) , 10 papers valuation (AN)

Day --2 20 papers valuation.

Day 3 is allowed only for the valuation of common English and Malayalam courses

(In the case of non-completion of other papers in the first two days, they shall also be completed on Day 3)

PG

Day 1 - Answer Key discussion (FN) , 10 papers valuation (AN)

Day --2 20 papers valuation.

ii) UG/PG supplementary paper valuation.

Follow home valuation and can be given remuneration as per the university order (No.586/EA11/2/296/2018 exam dtd 26/12/2018)

UG- Rs. 27/- per paper

PG- Rs.40/- per paper

- iii) Decided to give remuneration to teachers for invigilation duty (Chief supdt, additional chief and additional examiner) as per university rule.
- iv) Decided to hike Rs. 2000 in the salary of CE office system administrator.
- v) Decided to change FN examination time except on Fridays. FN examination time should be from 10 am to 1pm . On Fridays FN examination time shall be from 9.30 am to 1.30 pm
- vi) Decided to give 2 day gap for PG end semester examinations.
- vii) Double valuation system should be reinstated.
- viii) From next academic year Question paper setting should be done using Question bank software
- ix) Internal exams- first internal exam after 50% completion
Second internal can be done as model examination prior to study leave.

11. Meeting with CE office Controllers

The GB met the CE office faculty and discussed the affairs related to the conduct of examinations and related pertinent issues, afterwhich the following decisions were made.

- a. Considering the existing difficulties in the deal with NIC, it is decided that the user id and password of NIC should be made available to the CE, who can upload necessary data after getting approval from the Principal.
 - b. As regards the complaint regarding the issue of wrong question paper to a DA student, it is decided that he must be allowed a chance for re examination along with the eligible NCC students.
 - c. In the case of discrepancy regarding the students who were issued the regular pattern question papers instead of the relaxed covid pattern ones, the issue shall be resolved by the concerned departments, by resorting to a just valuation of these papers.
 - d. The request for mercy chance fro a student shall be granted.
 - e. Since the college has to adopt the question bank software in the near future, it is decided that all faculty shall be given a workshop to familiarise the pattern of question s to be prepared for the same, in the month of March 2023.
 - f. Decisions on 3rd sem and 5th sem UG examination malpractice
 1. Decided to cancel all the examination results of that semester in which the following students did the malpractice.
 - a. Jagan Binu, II B A Philosophy (cancel 3rd sem exam result)
 - b. Adarsh P S, II BA Philosophy(cancel 3rd sem exam result)
 - c. Hijas P, II B.Com(cancel 3rd sem exam result)
 - d.. AksharaViswambharan, IIIBA Arabic (cancel 5th Sem exam result)
 - e. Christa Jyothi V T, IIIBA Economics(cancel 5th Sem exam result)
 - f. Robinson, IIIBA Malayalam(cancel 5th Sem exam result)
 - g. Punya Shynal, III BA Malayalam(cancel 5th Sem exam result)
 - h. MeeraRadhakrishnan, IIIBA Political Science(cancel 5th Sem exam result)
 2. Decided not to take any action against Merin Diana (5th Sem exam) and her result can be published.
5. Question Bank Software
 6. Syllabus Revision Procedures
- As the first step, all departments have reconstituted the Board of Studies and the lists are sent to the parent University for approval. As soon as clear guidelines are

received from the Government and DCE, the college shall conduct workshops and execute syllabus revision.

21. Inauguration of New Hostel

Adequate furniture and utensils for the new hostel are procured, water tank maintenance and supply works are in progress, compound wall construction work is in the tendering process. It is reported that the New Hostel can be inaugurated next month and students can be accommodated in the new hostel in the first week of June, 2023.

22. Library Shifting Process

Government have sanctioned allotment of Rs. 3.86 Cr for library interior works and tendering is in process. The work order shall be issued by the end of February and it is expected that library shifting can be completed by June 2023.

23. Review of Ongoing Construction Work

Water connection to New Academic building and Library Complex is withheld due to the pending arrears at KWA. Request to DCE for fund allotment is pending. 56% of the work is completed in the case of New Auditorium, Chemistry Block second floor and the renovation of Staff Hostel. It is informed that the buildings will be handed over by KITCO in June 2023. As regards the relaying of synthetic track, a revised estimate for Rs. 8.73 Cr is given by PWD, for which new AS and allotment is required from the Government. In the case of Hockey Turf Project, the MOU with Kerala Sports Department is modified and sent to its Chief Engineer, the signing of which is pending.

24. NIC Issues

25. External Expert for IQAC

The Member secretary/Principal is directed to invite Prof. Martin Patric as the external expert for IQAC

26. Separate room for GB and IQAC

27. Clean Campus Initiatives

28. The College has formed a committee to monitor the cleaning and removal of waste on a daily basis. Dr. Rekha G. Menon is the convenor of the committee. Help is sought from NSS and at times massive cleaning initiatives are done by the whole college fraternity including students and teachers. Separate areas are allotted to each department.

29. Research Activities regarding

Dr. G.N. Prakash is the present Research Committee coordinator. The mandatory sub committees are formed and meetings are convened to discuss, decide and implement steps to strengthen the research force of the college.

30. IQAC activities regarding

Rigorous meeting of criterion-wise working committees are convened and data collected to prepare for AQAR uploading.

31. Centralized Instrumentation Facility (already mentioned in 2.4)

32. BoS and Academic Council reconstitution

The BoS of all departments are reconstituted and are sent to University for approval.

The meeting came to an end at 12. 35 p.m.

Minutes of the Governing Body Meeting of Maharaja's College (Autonomous), Ernakulam held on 24th April 2023 at 10.30 a.m.

Agenda

1. Campus Management System
2. Admission Fees for 2023-24
3. Enhancement in Cost sharing course fee from 2023-24
3. Conduct of Mercy chance examination
4. Other items permitted by the Chairman.

II. Present

Dr. N. Ramakantan (Chairman)

Dr. Bindu Sharmila (Principal in - charge)

Dr. Suresh Mathew (University Representative)

Dr. M.S. Murali, Member

Dr. Jolly V. Antony., Member

Deliberations and Decisions

1.Campus management system

The Principal (in-charge) made a presentation on the initiative taken by the Principal for the development of an integrated software for the effective management of the admission process and other academic activities of the college. The Governing Body meeting in principle agreed on the significant importance of an integrated software

for the effective management of admission, conduct of examinations and other academic activities of the college. The GB meeting discussed the details of this proposal and decided the following points;

- a. This is not a modification of the software for admission, which has already been developed by the NIC. The Director of Collegiate Education in an earlier meeting held in 2019 with college authorities has agreed and issued sanction only for modifying the existing software for admission and permitted to make use of the money in the PD account maintained by the College Principal. The present proposal is for designing a new software which is comprehensive and integrated for the management of the entire academic activities of the college. Moreover, the cost involved for development of the new software comes to more than ninety lakhs rupees. Therefore, prior administrative sanction shall be obtained from the Director of Collegiate Education for awarding the contract to the organization/ firm concerned to execute the project and the draft MoU shall be approved by the DCE.
- b. It is also decided that the Software Implementation and Monitoring Committee shall be constituted only after getting sanction from Directorate of Collegiate Education for awarding the contract for the same.

2. Introducing Allotment Fees for the Students with effect from 2023-24 Admission

The proposal for introducing allotment fees for admission was placed before the meeting by the Principal in -charge. The GB meeting has decided that introduction of any new fees or enhancement of the existing fees structure shall be decided only after due consultation with students organization and getting them in to confidence. Moreover, it should be part of the Admission Prospectus of the college. Therefore, we have to convene a meeting of the representatives of students organizations. The GB meeting entrusted Dr. Jolly V. Antony, Member of the GB to collect the status of such fees in other autonomous colleges within the university jurisdiction. The GB meeting has also decided to place the draft Admission Prospectus in the next GB meeting and get it approved.

3. Enhancement of Fees for the Existing Cost-sharing Courses from 2023-24

Governing Body meeting in principle agreed to enhance the fees of cost sharing courses in the college. This will be decided and the new fees structure will have to be fixed at par with the cost-sharing courses in other autonomous colleges under the MG University. The GB meeting entrusted Dr. Jolly V. Antony to collect the status of the fees structure in other colleges. This decision will have to be taken only after discussion with representatives of students organizations.

4. Conduct of Mercy Chance examination/ Examination related matters

All mercy chance examinations shall be conducted along with SAY examinations by the last week of May 2023. It is decided to conduct regular and supplementary II Semester UG and II Semester PG examinations by the third week of June, 2023.

5. Other Items Permitted by the Chair

5.1. Inauguration of the Ladies Hostel

It is decided to send a letter to the office of Higher Education Minister and Minister of Industries to seek their convenience for the inauguration of the ladies hostel by the 1st week of June.

5.2. Examination Malpractices

The GB Meeting has decided to conduct speedy enquiry and strict action in cases of reported malpractice in the examination. The process and procedures existing in the mother university will have to be followed in the examination related malpractices. The GB meeting has also decided to conduct a meeting of Governing council with Controller of Examinations, Joint Controller, Deputy Controller and office staff of the examination wing on 6th May 2023 at 10.00 a.m. and another meeting with the officers and staff of the College Office on the same day at 2.00 p.m. The meeting came to an end at 12.30.p.m.

**Minutes of the Governing Body meeting held on 12-05-2023 in the office chamber
of the Principal at 3.00 p.m.**

Agenda

1. Approval of PG and UG Prospectus
2. Any other matter permitted by the Chairman

Members Present

1. Dr. N. Ramakantan (Governing Body Chairman)
2. Dr V S Joy (Principal)
3. Dr. Suresh Mathew (GB Member)
4. Dr M S Murali (GB Member)
5. Dr. Jolly V Antony (GB Member)
6. Sri. T S Sreekanth (GB Member)
7. Dr. Bindu Sharmila T K, Vice Principal (Special Invitee)
8. Sri. Georgekutty C. Admission Committee Co-ordinator (Special Invitee)

The meeting discussed and resolved the following agenda items:

1. Approval of the U.G. and P.G. Prospectus for admission in the academic year 2023-24.

The meeting started with an introductory remark by the Chairman. The Principal explained the agenda items and the urgency to convene an emergency meeting of the Governing Body. The Governing Body members examined the draft prospectus for U.G. and P.G. courses and observed that these two documents have been prepared in a well thought out manner after going through all reference materials of the UGC Guidelines and prospectus of other universities in Kerala, including MG University, Kottayam. The GB meeting has raised certain points for clarification and these points were well explained by the Admission Committee Co-ordinator and based on that the meeting approved the prospectus of U.G. and P.G. courses for the academic year 2023-24.

The Governing Body congratulated the Admission Committee convenors and coordinators who have prepared the PG and UG prospectus in a structured and well thought -out manner.

2. Any other matter permitted by the Chairman

2.1. Enhancing the Course Fee for Self-Financing Courses

The GB meeting has decided to enhance the fees of two cost sharing courses in the college, such as, BSc Environmental Chemistry and BSc Physics Instrumentation at par with the existing fees structure of the self-financing UG programmes of the MG University. The prospectus of these two courses will have to be modified accordingly.

2.2. Development of Software for Campus Management System, including .Admission;

The last GB meeting has decided that the Principal should get the Administrative Sanction(AS) and Financial Sanction (FS) from the Director of Collegiate Education before signing the agreement and awarding the contract with the Kerala Electrical & Allied Engineering CO.LTD. The Principal has reported the progress of the implementation of the decision on getting administrative and financial sanction for the development of an integrated software. The Principal pointed out that the office of the DCE had raised some clarifications regarding this matter and he will personally meet the DCE to discuss and get the approval. The GB meeting has entrusted the Principal to get the AS and TS from the DCE for awarding the contract to Kerala Electrical & Allied Engineering CO.LTD for developing the integrated software on campus management system, including the admission module for the academic year 2023-24.

The meeting came to an end at 4.30 PM

2.Internal Quality Assurance Cell

The Internal Quality Assurance Cell (IQAC) is a crucial mechanism that aims to facilitate a continuous improvement process in academic and administrative performance at the institutional level. The primary focus of IQAC is to develop a system that promotes conscious, consistent, and catalytic action to enhance the overall quality of the institution. The IQAC strives to develop a quality culture and institutionalize best practices in all aspects of institutional functioning. It encourages and fosters a culture of self-evaluation, self-improvement, and self-accountability. This is done by promoting internalization of quality culture through various capacity-building initiatives, workshops, and training programs for faculty, staff, and students. The IQAC recognizes that quality enhancement is an ongoing process that requires the continuous identification and assessment of key areas for improvement. To achieve this, the IQAC develops and implements a range of quality assurance measures and systems, including periodic reviews, audits, and feedback mechanisms. Furthermore, the IQAC is committed to promoting and supporting research and innovation in all academic and administrative activities. It encourages the adoption of

innovative practices and the development of new initiatives to improve the quality of academic programs, research activities, and administrative processes.

The IQAC plays a critical role in ensuring the timely and efficient performance of academic, administrative, and financial tasks. To achieve this, the IQAC develops and evolves mechanisms and procedures that promote progressive performance and optimization of various tasks. In addition, the IQAC also focuses on promoting the relevance and quality of academic and research programs. It strives to ensure equitable access and affordability of academic programs for various sections of society. The IQAC encourages the integration of modern methods of teaching and learning, which are crucial for enhancing the overall quality of education. Moreover, the IQAC recognizes the importance of credibility in the assessment and evaluation process. Therefore, it promotes the adoption of credible and reliable assessment methods, which are essential for ensuring the validity and fairness of evaluations. Furthermore, the IQAC also ensures the adequacy, maintenance, and proper allocation of support structures and services. It recognizes that the availability and quality of support services are critical for promoting the overall well-being and development of students, faculty, and staff. Finally, the IQAC encourages the sharing of research findings and networking with other institutions. This is important for promoting collaboration and knowledge-sharing, which can lead to the development of innovative practices and initiatives. Overall, the IQAC is committed to promoting a culture of quality and excellence, which is essential for achieving the goals of the institution and providing students with a world-class education.

Predictably, the IQAC is expected to perform a range of functions to promote and maintain the quality of academic and administrative activities at the institutional level. These functions include the development and application of quality benchmarks and parameters for various activities of the institution. The IQAC also plays a crucial role in facilitating the creation of a learner-centric environment that is conducive to quality education. This involves promoting faculty maturation and the adoption of knowledge and technology for participatory teaching and learning processes. To ensure that quality-related institutional processes are effective, the IQAC collects and analyses feedback from all stakeholders. It disseminates information on various quality parameters to all stakeholders and organizes inter and intra institutional workshops and seminars on quality-related themes, promoting the development of quality circles. The IQAC also documents the various programs and activities that lead to quality improvement and acts as a nodal agency for coordinating quality-related activities, including the adoption and dissemination of best practices. Furthermore, the IQAC is responsible for developing and maintaining an institutional database through Management Information Systems (MIS) to enhance institutional quality. It also conducts periodic academic and administrative audits and follows up on their recommendations. Finally, the IQAC prepares and submits the Annual

Quality Assurance Report (AQAR) as per the guidelines and parameters of the National Assessment and Accreditation Council (NAAC). Overall, the IQAC plays a crucial role in ensuring the quality of academic and administrative activities at the institutional level, promoting a culture of excellence and continuous improvement.

To achieve the aforesaid goals, the IQAC facilitates and/or contributes to several key functions. Firstly, the IQAC will ensure clarity and focus in institutional functioning towards quality enhancement. It will also work towards the internalization of the quality culture, ensuring that good practices are institutionalized and enhanced through coordination among various activities. Secondly, the IQAC will provide a sound basis for decision-making to improve institutional functioning. This will involve collecting and analysing data and feedback from various stakeholders and using this information to inform decision-making processes. Thirdly, the IQAC will act as a dynamic system for quality changes, continuously monitoring and evaluating institutional processes to identify areas for improvement and implementing changes to enhance quality. Finally, the IQAC will build an organized methodology of documentation and internal communication, ensuring that information is effectively communicated and documented within the institution. Overall, the IQAC plays a critical role in promoting a culture of quality and continuous improvement within the institution.

3. Research Advisory Committee

Research plays a critical role in the growth and development of an autonomous college in the Indian context, and for that matter everywhere. In today's competitive environment, research serves as a tool to enhance the academic and research profile of an institution. Through research, an autonomous college can generate new knowledge, develop innovative ideas, and enhance the quality of its teaching and learning practices. In India, research is vital for promoting economic growth, societal development, and solving pressing issues such as poverty, inequality, and environmental challenges. Moreover, research provides opportunities for students to engage in critical thinking, problem-solving, and creativity, preparing them for future careers and contributing to the nation's intellectual capital. Therefore, research is an essential component of an autonomous college in India, contributing to the institution's growth, development, and impact on society.

The program was inaugurated by Dr V S JOY, Principal Maharaja's College and felicitated by Dr V N Suresh, Vice-Principal, Dr M S Murali, PTA Secretary, Dr Jaya S, IQAC Coordinator followed by 2 resourceful sessions. The first session which held between 10:00 am and 11:45 am was taken by Mr. George Karunackal, Director of Career - Heights institute, Pala and 11:45am and 1:30pm session was taken by Mr. Santhosh Nair, Govt of Dubai certified Executive Coach.

SESSION 1 - GETTING READY FOR THE INTERVIEW AND IMMEDIATE PREPARATION FOR SUCCESS AT THE INTERVIEW

The interactive first session taken by Mr. George Karunackal was filled with activities for students to boost their self-confidence and communication skills. Students were asked to divide into groups and made them speak about their own weaknesses and strengths to each other. He spoke about the knowledge, skills and attitudes required for a successful life and explained how to script our own success. The whole session was engaging and students from various department participated.

SESSION 2 - MIND YOUR BODY LANGUAGE

The second session was taken by Mr. Santhosh Nair. Before beginning he taught the real meaning of the slogan "I want, I will, I can", he asked students to repeat this again and again to create a spark of confidence in their mind. The main topics he covered was about mind flow state and priming flow state. This session involved much more physical activities and was divided into four sections:

Circle of excellence - This process helped bring out confidence and increase good flow state by re-thinking the happy moments in the past. This activity is about reliving that moment.

Power posture - Some particular body gestures were taught.

Harmony Breathing- As the topic suggests it involved breathing helping to stay calm during an interview.

Heartful process- About connection of brain and heart. He also explained the importance of grooming for an interview.

Overall, this session explained more about the external or physical part that one should take care whilst an interview.

Programme #2: "Faculty Recruitment Drive" Date: 19.10.2022 (Wednesday)

The poster features the Maharaja's College, Ernakulam logo at the top left. The text reads: **PLACEMENT CELL**, **MAHARAJA'S COLLEGE, ERNAKULAM (Govt. Autonomous)**. Below this, it says "In association with" followed by the **TIME** logo (Triumphant Institute of Management Education Pvt. Ltd.). The main title is **FACULTY RECRUITMENT DRIVE (IIT JEE / NEET DEPARTMENTS)**. A list of bullet points includes: "M.Sc Graduates In Physics / Chemistry / Mathematics", "Experienced / Freshers", "Opportunity to work with India's leading test prep Institute", and "Vacancies across Kerala / TN locations". A box specifies the **Interview Date: 19th Oct. 2022** and **Reporting time: 10.30 am**. The venue is listed as **TIME, Bethesda Building, Opp. St. Martins Church, Palarivattom**. A registration link is provided: **www.t4e.info/MAHARAJAS**. At the bottom, it says "For further details, call/Whatsapp @ 9446123636".

The next programme of the placement cell is a faculty recruitment drive conducted on 19-10-2022. Faculty Recruitment is a process of appointing teaching candidates in a particular educational or professional institution. The main goal of all such institutions is to hire the best faculty possible for giving the best education to the students and services to the professional firm. The programme aimed to recruit the passionate and highly qualified candidates for the better growth and development of the institute. The event was organized in association with T.I.M.E. institute. The venue selected for the programme is T.I.M.E. Bethesda building, opposite St. Martins Church, Palarivattom. The recruitment programme was meant for M.Sc. graduates in Physics, Chemistry, and Mathematics. The event was an opportunity for many experienced as well as fresher hands to work with India's leading preparation Institute. As there are numerous vacancies reported across all of Kerala, the programme aims to fulfil the immediate requirement of various firms.

Programme #3: "Mega Job Fair 2023" Date: 21. 01.2023 (Saturday)

Conducting a mega job fair/career fair on 21-01-2022 was the next initiative of the placement cell of Maharaja's College, Ernakulam. A career fair (also known as a job fair or career expo) is a recruiting event in which employers and recruiters meet with

potential employees and where job seekers find more about job openings at potential employers. The job fair programme was inaugurated by T J Vinod, MLA of the constituency. The special grade Principal, Dr V S Joy presided over the function. The esteemed members from the college as well as the professional institute felicitated the function.

In colleges, job fairs are commonly used for entry-level job recruitment. Job seekers use this opportunity to meet with an employer, attempt to stand out from other applicants, and get an overview of what it is like to work for a company or a sector that seems interesting to the applicant. People attend job fairs to network with potential employers through face-to-face interaction. Since job fairs have several employers in one place, it makes it convenient for job seekers to converse with several employers at the same time.

The event offered the candidates a chance to present themselves to potential employers. If they made a good impression, they would end up with an interview right on the spot. Even if they don't interview the candidate immediately, they will take the resume and get back to the candidate at a later time. College career fairs are designed to give students the opportunity to explore career opportunities, meet prospective employers, and practice professional behaviour. A college career fair is valuable to students not only for their first ventures into the professional world but relevant for future job changes.

The event at Maharaja's College is significant as it promoted the participation of many external candidates along with the college students. Hence, the college was a venue for an extension activity that would be beneficial to many outsiders. The programme had some more benefits as there are many vendors who opened their stalls and shops for the visitors. Hence it paved way for the financial betterment of people. The ice cream parlours and fruit juice stalls were really relieving to the candidates in their hours of tension. Many teachers from the college participated in the programme and were assisted by the college NCC, NSS, and Union members. The programme was concluded by evening 5 pm.

Programme #4: "Job (LIC Development Officer) Awareness Programme" Date: 07.02.2023 (Tuesday)

Speakers: Mr. K Natarajan, Chief manager, LIC Ernakulam & Mr. Suresh MN, Assistant Manager, Sales LIC Ernakulam

A job awareness programme was conducted on 07-02-2023. The programme was aimed at disseminating an understanding of the various possibilities for long-term employment and the necessary knowledge to begin work in a career field and secure progress in that job. The speakers of the programme were Mr. K Natarajan, Chief manager, LIC Ernakulam and Mr. Suresh MN, Assistant Manager, Sales LIC Ernakulam. The lectures were attended by many promising students of our institution. It empowered them to face problems confidently and they can then utilize this selfunderstanding of their strengths, weaknesses, and values to produce results. A change in perspective and clarity can help increase decision-making satisfaction, which can lead to greater career satisfaction.

Programme #5: "Placement Drive for Music Department Students" Date: 25.02.2023 (Saturday)

* Group Discussion
* Personal Interview

Interested students kindly fill the Google Form shared.

In Association with
Placement Cell, Maharaja's College, Ernakulam

The next plan of action was a placement drive by ICICI Prudential, conducted on 17-03-2023. The event was organised by the placement cell at K N Raj Hall, Maharaja's College, Ernakulam. ICICI Prudential Life Insurance Company Limited is a life insurance company in India. Established as a joint venture between ICICI Bank Limited and Prudential Corporation Holdings Limited, ICICI Prudential Life is engaged in life insurance and asset management business. The firm aimed to hire or recruit fresh graduates from any stream as trainees. The various procedures used in the process were preplacement talk, and group discussion, followed by a personal interview. Group discussion (GD) is a comprehensive technique to judge the suitability of an individual and his appropriateness for admission, scholarship, job, etc. GD assesses the overall personality - thoughts, feelings and behaviour - of an individual in a group. A topic is presented to the group members for discussion. An interview is a structured conversation where one participant asks questions, and the other provides answers. In common parlance, the word "interview" refers to a one-on-one conversation between an interviewer and an interviewee. The programme was attended by many students.

The next mega job fair/career fair was conducted on 25-03-2023. The job fair provided candidates with opportunities to interact with recruiters and share important information. These are some of the benefits that candidates can get from attending a

job fair: They can find internships or future full-time opportunities. They can personally meet with employers. A job fair, also referred commonly as a career fair or career expo, is an event in which employers, recruiters, and schools give information to potential employees. The programme was successful and attended by many students.

5. Career Guidance Cell

Maharajas College has taken a commendable initiative by setting up a Career Guidance Cell for the benefit of its students. The Cell is a well-planned platform that aims to provide the necessary support and guidance to students to help them identify their interests, strengths, and potential in their career paths. This initiative is a testament to the college's commitment to the holistic development of its students, including their career growth. The Career Guidance Cell is run by the teaching faculty of different departments, who bring their experience and expertise to the table. Their involvement ensures that students receive the most relevant and up-to-date guidance and advice. The Cell's activities are initiated each year, ensuring that students have access to the latest information and opportunities in the job market.

The Vision of the Career Guidance Cell is 'Happiness belongs to the self-sufficient.' The Cell aims to help students develop self-awareness, recognize their inherent skills and talents, and expose them to various career avenues. The ultimate goal is to equip students with the skills and knowledge necessary to become self-sufficient and independent professionals. In addition to its vision, the Cell also has a well-defined mission that supports its goals. The mission is to help students face the world with confidence and find their rightful place by moulding them into productive professionals with a global perspective. The Cell strives to ensure that its students make constructive contributions to society. The Career Guidance Cell at Maharajas College is an excellent example of how educational institutions can play a crucial role in preparing students for their careers. By providing access to relevant and timely information, guidance, and support, the Cell is helping students make informed decisions about their future. This initiative is sure to have a positive impact on the college's students and contribute to the overall development of the community.

The Executive committee of career guidance cell 2022-23 is listed here

Dr. Femina K S	Associate Professor in Chemistry (Convener)
Dr. Swapna R	Associate Professor in Commerce
Dr. Shiji K.	Assistant Professor in Economics
Dr. Ajmal K A	Assistant Professor in Islamic History
Mrs. Jess Mary James	Associate Professor in Botany
Mrs Jis Mary Jose	Assistant Professor in Mathematics

In addition to the committee members, there were also two student coordinators who played a critical role in supporting the cell's efforts. The student coordinators for the academic year 2022-23 were Ms. Thesleena from III B A English and Ms. Aleena Nazir from I B A Sanskrit.

As part of our work on the Career Guidance Cell, we were focused on providing resources and support to students who were exploring career options and seeking guidance on their professional paths. We organized various events, workshops, and seminars to help students better understand their interests, skills, and strengths and connect them with professionals in their fields of interest

During this academic year career guidance cell has planned and conducted various programs in association with IQAC, Maharajas College, Ernakulam and many students have benefitted from these programs. Most of the programs were supported by external agencies like University Employment Information and Guidance Bureau (UEIGB), CUSAT, Cochin, Kerala Knowledge Economy mission, Kerala, Connect Career to Campus campaign, Skill Express Kerala. All the programs were financially supported by PTA, Maharajas College, Ernakulam

Program: Webinar "Higher studies and career opportunities abroad"

On 18th July 2022 at 06.30 P.M, KT Edurite, in association with Career Guidance Cell Maharaja's College, Ernakulam, conducted a webinar on Higher Studies & Career Opportunities abroad. The event saw over 70 aspirants registering, out of which 35 students attended the session.

Ms. Femina K S, Convener of Career Guidance Cell Maharaja's College, delivered introductory remarks. Mr. Byju Pavithran, Vice President of KT Edurite, provided a brief introduction about Global Study and Career Opportunities abroad and KT Edurite. Head Counsellor Dr. Remya Balakrishnan commenced the session by sharing information about the services provided by KT Edurite, including visa assistance, tuition fees, entry requirements and part-time job opportunities in Canada.

Head Counsellor Miss Anju.S.Nair then elaborated on Study and Career Opportunities in the United Kingdom. The session came to a close at 07.25 p.m., which was followed by a Question & Answer session by Anju.S.Nair. The webinar provided valuable insights on higher studies and career opportunities abroad, and was a great resource for the participants.

Program: Inauguration of Career Guidance cell - 2022-23 and workshop on CV writing and interview skills

On 29th September 2022, the Career Guidance Cell at Maharajas College, Ernakulam inaugurated its activities for the academic year 2022-23 and Career Guidance Cell Maharajas College, Ernakulam and the University Employment Information and Guidance Bureau (UEIGB), CUSAT, Cochin, jointly organized a workshop on "Curriculum vitae (CV) Writing and Interview Skills" on the same day. The workshop aimed to equip students with the knowledge and skills needed to build an effective CV that will give them a better chance of success in their job search, and to provide training on interviewing skills. The event was led by Principal Dr. Suresh V N, Vice principal and was attended by students, faculty members

The inaugural ceremony began with a welcome address by Ms. Aleena Nazir, Student Coordinator. Dr. Femina K S, Convener of Career Guidance cell who presided the function emphasized the importance of career guidance for students and about the various activities planned for the academic year. The Vice Principal, Dr. Suresh V N. officially inaugurated the Career Guidance Cell 2022-23 and spoke about the need for students to be aware of current job market trends and to develop relevant skills. Dr. M. S Murali, P T A, Secretary felicitated the activities of career guidance cell. Sri Krishnakumar S, Deputy Chief, University, Employment and Information Bureau, CUSAT also addressed the participants and shared his personal experience and tips for facing job interviews confidently.

The workshop was led by Ms. Amy Venki, an soft skill trainer. She shared valuable insights on how to create an effective CV and prepare for job interviews. Ms. Amy emphasized the importance of tailoring the CV to fit job requirements and highlighted the importance of presenting oneself well during interviews.

More than 100 students from various disciplines attended the program. The workshop was interactive and included several activities such as mock interviews, group discussions, and role-playing exercises. Students actively participated in the workshop and gained practical knowledge and skills that would be useful in their future careers. The program came to end at 4 pm with vote of thanks by Fathima Thesleena, Student Coordinator of career guidance cell.

Program: career and higher education opportunities in English

Career guidance cell has organised a seminar on "Career and Higher Study Opportunities for B.A. English" on 24-11-2023 at GNR hall in Maharaja's College. The

seminar aimed to provide students with insights into the various career and higher study options available to them after obtaining a B.A. degree in English.

Dr. Femina K S, Career guidance cell convener, welcomed the audience and introduced the speaker. The session was presided by Dr. Suja T V, HoD, English. The seminar was conducted by Mr. Nabeel Ahmed, a career expert. Mr. Ahmed began the seminar by highlighting the benefits of studying English at the undergraduate level, emphasizing that the degree equips students with strong analytical and communication skills, which are valuable in any profession. He then went on to discuss various career options available to students with a B.A. in English, such as journalism, education, law, and business. He highlighted the skills required for each of these professions and provided examples of successful individuals in these fields who had pursued a degree in English.

After discussing career options, Mr. Ahmed spoke about higher study opportunities available to students with a B.A. in English. He explained that students could pursue a Master of Arts (MA) or a Doctor of Philosophy (PhD) in English literature or language, which could lead to careers in academia, research, or publishing. The seminar was followed by a Q&A session where students could ask questions and clarify their doubts. The students found the seminar informative and engaging and expressed their appreciation for the insights provided by Mr. Ahmed.

Program: Seminar 'Right path to find your future'

The Career Guidance Seminar "Right Path to Your Future" was jointly organized by the Career Guidance Cell and IQAC of Maharaja's College, Ernakulam, on 24-11-2023, at 2 pm. The seminar aimed to provide valuable insights into various career options and the path to achieve them.

Dr. Femina K S, Career guidance cell convener, welcomed the audience and introduced the speaker. The session was presided by Dr. Soorya Aravindhakshan, HoD, Political Science. Mr. Nabeel Ahmed, an experienced career expert, led the seminar. He began the seminar by discussing the importance of career planning and how it can impact an individual's future. He then went on to provide insights into the various career options available to students, including traditional as well as emerging fields. He also spoke about the changing job market and the skills required to succeed in it.

The seminar also included a discussion on higher education opportunities and the importance of acquiring advanced degrees to achieve success in certain fields. Mr. Ahmed highlighted the benefits of pursuing higher education and provided insights into different types of degrees available, such as Master's and Ph.D. degrees at reputed institutions in and out of Kerala .

The seminar concluded with a Q&A session, where students could ask questions and clarify their doubts. Mr. Ahmed provided valuable insights and suggestions to students to help them make informed decisions about their careers.

Program: Information session on Study@UK

The information session was arranged on Study @UK jointly by the career guidance cell with IQAC, Maharajas College, Ernakulam and the British Council, UK, on the 2nd of December 2020 to provide valuable information to students who aspire to study in the UK. The program was presided by Vice Principal Dr. Bindu Sharmila. The session was led by Mr. Azahar and Deepika Baruah, Manager, Education, India, British Council Division British High Commission

The seminar covered topics such as admission procedures, available courses, scholarships, and funding options. Representatives from the British Council presented information on the different universities in the UK, their rankings, and the programs they offer.

The session also provided students with information on the various tests required for admission, such as IELTS, TOEFL, and others. The seminar was an excellent opportunity for students to gain insights into the admission process, understand the requirements for each program, and asked any questions they had. The student coordinator Ms. Abshitha, I MA English proposed vote of thanks and the session came to an end at 11.40 am.

Program: Career Guidance Seminar for Mathematics Students

The Career Guidance Cell in association with IQAC and the Department of Mathematics, Maharajas College, Ernakulam has organized a career guidance program for postgraduate (PG) and undergraduate (UG) students of mathematics on December 16th, 2020 at 10.30 am in the MSc classroom. The event was presided over by the Head of Department (HoD), S Jaya, and coordinated by Jis Mary James.

The program aimed to provide students with information on potential career opportunities in mathematics-related fields and how they can prepare for them. The event began with a welcome address by the HoD, S Jaya. This was followed by a talk Mr. Arun., Head-Campus relations, CL Cochin on the importance of career guidance and its role in shaping the future of students. The session included a detailed discussion on higher education options, and how it can enhance the career prospects of students. 25 final year UG and PG students participated in the program.

Overall, the program was a great success, providing students with valuable insights and guidance on potential career opportunities in mathematics-related fields. The

event ended with a vote of thanks by Jis Mary James, Coordinator of the Career Guidance Cell, who expressed her gratitude to the HoD, the keynote speaker, and the participants for making the program a success.

Program: Seminar on 'Higher Studies and Career Opportunities in Economics'

A seminar on 'Higher Studies and Career Opportunities in Economics' was conducted on 11th January 2023 at K N Raj hall, Maharaja's College Ernakulam. The seminar was organized by the Career Guidance Cell and IQAC of the college in association with the University Employment Information and Guidance Bureau. The seminar aimed to provide guidance and information to the students about the various higher studies and career opportunities available in the field of economics.

The seminar was attended by students, and faculty members. Sri Krishnakumar S, Deputy Chief, UEIGB, CUSAT, Cochin, delivered a talk on the topic. He shared his valuable insights and experiences about the various opportunities available in the field of economics. He emphasized the importance of higher studies and the various career paths available in the field of economics. He also gave an overview of the various job profiles available in the industry.

Dr. Femina K S, Convener of the College Career Guidance Cell, presided over the session. Sri Santhosh T Varghese, HOD, Department of Economics, welcomed the guest and participants. Dr. Santhosh highlighted the significance of the seminar and encouraged the students to actively participate and make use of the knowledge shared during the seminar. The seminar was very informative and provided valuable insights and information to the participants. The program ended at 3.30 pm with a vote of thanks by program coordinator Dr. Shiji K. The participants appreciated the efforts put in by the organizers and thanked them for providing such valuable information

Date with an industry : Interaction with an expert from Industry

The Career Guidance Cell in association with Kerala Knowledge Economy Mission and Skill Express Kerala organized a program named "Date with Industry" on 15th February 2023. The program aimed to provide a platform for the students to interact with industry experts and gain insights into the industry trends and expectations.

The program began with the welcome speech by Dr. Femina K S, the Career guidance cell convener and Nodal officer Connect Career to Campus Program which was followed by the introduction of the guests, Mr. Sabu Madhavakurup, Executive Director MERP system, Alappuzha, and Dr. Gopakumar, retired Principal GEC, TVM, and Director Technical Assistance, MERP system. The guests shared their experiences and knowledge with the students.

Mr. Sabu Madhavakurup shared his experiences in the industry and gave insights into the emerging trends and expectations. He emphasized the importance of being open

to learning and adapting to changes. He also stressed the need for soft skills like communication, teamwork, and leadership in addition to technical skills. Dr. Gopakumar shared his experiences as an educator and emphasized the importance of gaining practical knowledge in addition to theoretical knowledge. He also highlighted the importance of self-learning and the need for continuous upskilling.

The program concluded with a Q&A session, where students interacted with the guests and got their doubts clarified. About 70 students from various disciplines attended the program and the program was a great success. The student coordinator of chemistry Ms. Shinu Shakkeer proposed vote of thanks to the program and the program ended at 4.45 pm.

Program: Investors Awareness Program

On February 28th, the Postgraduate and Research Department of Commerce organized a seminar entitled "Overview of Securities Markets and Career Growth" at the Commerce seminar hall from 2 pm to 3.30 pm. The seminar was held in collaboration with the Career Guidance Cell and was sponsored by BIAP, Mumbai and Apex Academy, Kochi.

The seminar commenced with a welcome speech by Program Coordinator Dr. Swapna R. The program was presided by Dr. Suresh V N, HoD of Commerce. The seminar featured a presentation by National BFSI trainer, Manoj Neelakantan, who served as the keynote speaker for the event. The session was designed to be interactive and offered students the opportunity to observe and learn from a live trading platform. The seminar also provided insights into the various job prospects available in the securities market in India. Following the presentation, First year M Com student Kritika delivered the vote of thanks.

Program: Work Readiness Program

The career guidance cell organized three batches of 3 days' work readiness programs in association with KKEM and Skill Express Kerala from 27 Feb 2023 to 8 March 2023. The program was arranged at seminar hall of academic block, Maharajas College, Ernakulam. The maximum intake for the batch was 30. 85 students from various departments of Maharajas College have benefitted from this program. Two batches were handled by Mr. Jossy Varkey, ASAP Trainer and Third batch was led by Mrs Elizabeth, ASAP Trainer. The work readiness program included various activities, such as resume writing workshops, mock interviews, and soft skills training. Students learned about effective communication, time management, problem-solving, and teamwork. The participants received guidance on the latest job market trends, opportunities, and challenges.

By participating in the program, students gained practical skills and knowledge, making them better equipped to enter the workforce. The program helped them to identify and develop their strengths, which can improve their chances of landing a job that aligns with their interests and skills.

Overall, the work readiness program was an excellent initiative that provides students with the necessary tools to succeed in the job market. Such programs can help bridge the skills gap, which is a significant challenge faced by many fresh graduates

6. Jeevani

OBJECTIVES

- ◆ Create a supportive campus environment where mental health is valued and understood.
- ◆ Ensure equitable access to mental health resources, promoting holistic well-being for all students.
- ◆ Educate students about prevalent mental health concerns, facilitate connections with accessible service providers, and emphasize early intervention for enhanced well-being.

- The Jeevani awareness programme committee consists of the college's principal Dr. Joy V. S. as chairman, Ms. Anitha Abraham as teacher incharge of Jeevani, faculties Dr. Neena T. S., Dr. Abdul Rasheed K. S., and Dr. Ajmal P. A as members, Ms. Smitha P. A. as office representative, and medical experts, notably Ms. Aswathy V. S. as the psychologist. Additionally, all staff members are committed to protecting college students' psychological health and making the initiative's services available to them when required.

•

•

- **"Building resilient minds - empowering students for a mentally healthy future."**

•

The vision of Jeevani is to create a student community that embraces and embodies good mental health, fostering personal growth, academic excellence, and lifelong well-being.

•

Jeevani envision a future where every student is equipped with the knowledge,

skills, and resources to proactively care for their mental health.

Organizing departmental-level talks to ensure better and more active student participation, creating awareness of mental health issues.

Providing personal counselling services to students in need, offering support and guidance for their mental health concerns.

Involving parents in addressing mental health issues, collaborating with them to provide a holistic support system for students.

Identifying and addressing life-threatening situations, such as students expressing thoughts of self-harm, and arranging external treatment with parental consent.

Conducting motivational talks in various classes to inspire and uplift students, fostering a positive mindset and resilience.

Through these endeavors, Jeevani aim to create a campus environment where mental health concerns are acknowledged, support is readily available, and students feel empowered to prioritize their well-being.

20 March 2023

Jeevani Centre for Students' Well-Being organised a session for staff of Maharaja's College. Dr. Shabeerali, the psychologist, took the session on the topic 'Happiness' on March 20, 2023. Ms. Anitha Abraham, Assistant professor of Zoology and Jeevani teacher in charge, delivered the welcome speech. 34 staff members participated.

Jeevani's dedicated efforts in conducting awareness programmes and motivational talks at the departmental level have shed light on the challenges faced by students that hinder their full potential and goal achievement. Through timely interactions, we have successfully diagnosed and addressed some of the major mental health issues such as depression, anxiety, OCD, study, career, stress-related difficulties, etc., effectively advancing our mission. However, our journey has revealed the pressing need for more active participation and support from teachers, mentors, other staff, and parents during the early stages of students' mental health challenges. By nurturing this collaborative ecosystem, we can foster a profound transformation in students' lives. Jeevani's ultimate aspiration remains the rejuvenation of youth, a holistic endeavour delicately tending to whispered dilemmas. As we traverse this path, we remain resolute in our commitment to creating a campus environment that steadfastly upholds mental well-being as a cornerstone of success, enabling students to thrive, flourish, and embrace their true potential. Together, let us catalyse change and craft a brighter tomorrow for generations to come.

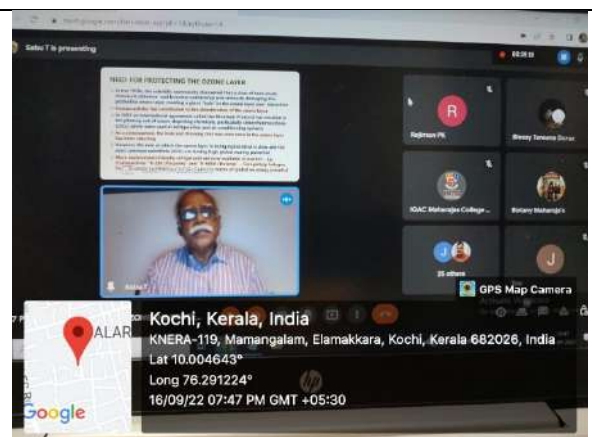

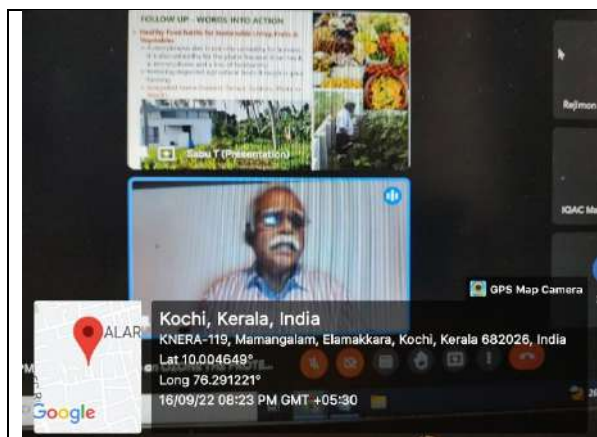

6. Science Forum

The Science Forum of Maharaja's College, Ernakulam was constituted as per Order No: B5-1391/2022 Dated 07/07/2022. As per the order Smt. Jess Mary James was appointed as the Convenor of Science Forum and 10 members of various Science Departments were included as the committee members.

A meeting of all Committee members (both teachers and students) was conducted for planning Science Forum activities for the year 2022-2023 on 12/09/2022. The meeting discussed to celebrate the upcoming OZONE day on September 16th and decided to conduct an online webinar based on the Theme: **Montreal Protocol @35 global cooperation for protection of life on earth**. The Resource person for the day was Dr. Sabu T, Program Director, Natural Resources and Environment Management, Centre for

Environment and Development, (CED), Thiruvananthapuram. The Key Note Address was given by the Resource person and more than 90 members participated in the webinar.

Science forum decided to conduct an intercollegiate Power Point Presentation competition on 31/10/2022 and the brochure has been circulated to nearby Arts/Science

colleges in Ernakulam and Kottayam districts of Kerala based on Dr. G N Ramachandran Birth Centenary Celebrations on the Topic “ ‘Contributions of Dr. G.N. Ramachandran in the arena of Protein Structure Elucidation and its Significance in Molecular Biophysics’”. A Registration link has been placed in the brochure and a total of 12 students have been registered. The PPT Competition has been conducted in the seminar hall of Archaeology Department from 1:45 to 3:15pm. The first, second and third prizes were distributed to students on 07/11/2022 at GNR Hall in connection with Dr .G N. Ramachandran Birth centenary celebrations organized by PTA of Maharaja’s College, Ernakulam. Ms Tinu Petson (St.Terasa’s College,Ernakulam),Ms. Raghendu (Maharaja’s College, Ernakulam) and Ms. Shiza Salih (Maharaja’s College, Ernakulam) were the prize winners of the event and they were given certificates and prize money.

The brochure is for the Dr. G.N. Ramachandran Birth Centenary Celebrations, organized by the Science Forum at Maharaja's College, Ernakulam. The event is an intercollegiate powerpoint presentation competition held on 31st October 2022 at 1:30 pm. The topic is "Contributions of Dr. G.N. Ramachandran in the arena of Protein Structure Elucidation and its significance in Molecular Biophysics". The prizes are listed as follows:

Prizes	
1st Prize	- 2000 /-
2nd Prize	- 1500 /-
3rd Prize	- 1000 /-

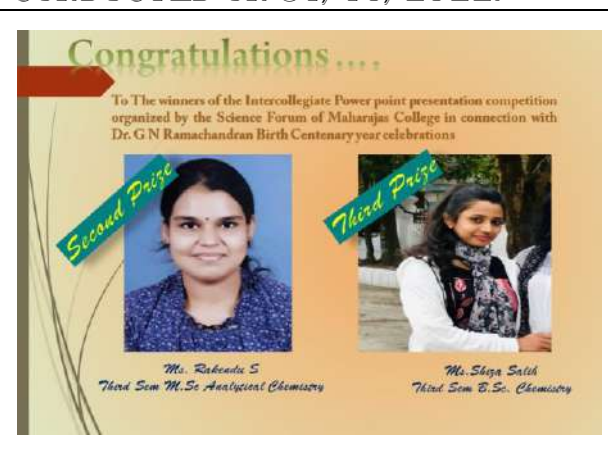

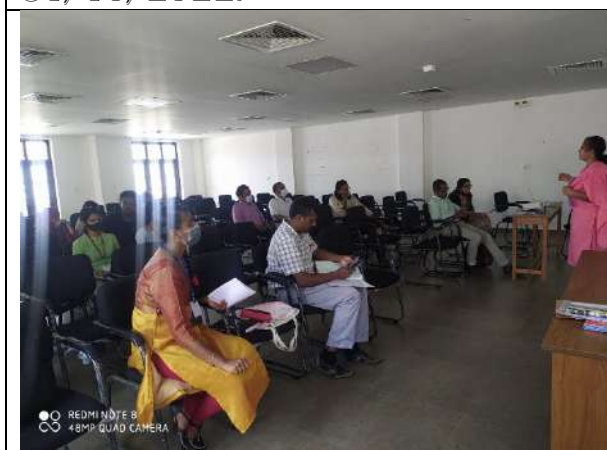

The brochure also features a portrait of Dr. G.N. Ramachandran and a molecular structure diagram with labels C, H, R, ψ , ϕ , Ca, and C β .

BROCHURE OF PPT PRESENTATION COMPETITION CONDUCTED BY SCIENCE FORUM, MAHARAJA’S COLLEGE, ERNAKULAM ON 31/10/2022.

- All participants will be provided with certificates.
- Cash prizes will be given to the top TWO posters with scientific temper and attitude which pertains to the theme.
- Extra time will not be allotted
- Judge's Decision would be Final.

For Enquiries,

- Smt. Jess Mary James, Convenor, Science Forum (9495778819)
- Smt. Thasneem TR, Teacher Coordinator (9633029979)
- Ms. Jasma K S, Student coordinator (6282463703)

PRIZE MONEY AND CERTIFICATE HANDED OVER TO MS. PHILOMINA JIYA , FIRST PRIZE HOLDER OF POSTER DESIGNING COMPETITION HELD ON 21/03/2023 BY DR V.S JOY, SPECIAL GRADE PRINCIPAL, MAHARAJA'S COLLEGE, ERNAKULAM.

PRIZE MONEY AND CERTIFICATE HANDED OVER TO MOTHER OF MS. SAJINI P F , SECOND PRIZE HOLDER OF POSTER DESIGNING COMPETITION HELD ON 21/03/2023 BY DR V.S JOY, SPECIAL GRADE PRINCIPAL, MAHARAJA'S COLLEGE, ERNAKULAM

A special award to the student coordinator Ms. Jasna was given away to her by our beloved principal Dr Joy V S , Special Grade Principal, Maharaja's College , Ernakulam. With this programme we wined up our activities of Science forum in the academic year 2022-2023.

A SPECIAL TOKEN OF APPRECIATION TO OUR STUDENT COORDINATOR MS. JASNA OF FINAL YEAR B.SC MATHEMATICS WHO HAS CONTRIBUTED WELL TO ALL THE MAJOR EVENTS OF SCIENCE FORUM ACTIVITIES CONDUCTED DURING 2022-2023.

7. Departments

a. Arabic

Allotted faculty strength of the Department is 9. In this academic year the faculty strength was 7.

Two posts remained vacant. One of the faculty members is Associate Professor and others are Assistant Professors. Five faculty members have PhD degree.

RESULT ANALYSIS IV SEMESTER M.A ARABIC 2021-2022

16 students were admitted in 2020 M.A Arabic programme. One of them discontinued the course.

15 students attended the IV semester examination and 14 of them passed out with fairly good grades.

Three students secured A+ grade, eight students secured A grade and three students got grade B+ in

the final result. Overall pass percentage is 93.33. Overall analysis of results shows that students from weaker sections of Other backward communities fared well in the examinations. There was a consistent progression in the performances of the students right from the first semester.

RESULT ANALYSIS VI SEMESTER UG 2019-22

30 students were admitted in 2019 batch UG and 5 students discontinued the course due to various reasons. Remaining 25 registered for final exam and 21 of them passed out with fairly good grades. 9 students got grade A+, 1 got grade A, 6 got grade B+, and 5 got grade B in the final result. With 4 failures, our result percentage is 84%.

b. Chemistry

The Post Graduate and Research Department of Chemistry, Maharaja's College, Ernakulam started in the year 1935, is one of the largest departments among the colleges in Kerala. Presently the department consists of 171 undergraduate students, 106 post graduate students, 17 research scholars, 20 academic faculty members, 12 research guides, 5 guest lecturers and 5 lab assistants. Starting with a B.Sc course at the time of genesis, the department has grown up as an excellent teaching centre for both undergraduate and postgraduate courses as well as a research centre. The department offers four post graduate courses namely M.Sc Chemistry, M.Sc Pharmaceutical Chemistry, M.Sc Applied Chemistry and M.Sc Analytical Chemistry. A three-year under graduate course in Environment & Water Management was started in 1993 as a vocational course besides the existing degree course in Chemistry.

List of faculty members

Sl. No.	Name of the faculty	Designation	Year of appointment
1.	Shri. K.P. Ashokan	Associate Professor	1994
2.	Dr. Femina K.S	Associate Professor	2006
3.	Dr. Bindu Sharmila T.K	Associate Professor	2006
4.	Dr. Amrutha S Rajan	Associate Professor	2006
5.	Dr. Sreesha Sasi	Associate Professor	2006
6.	Dr. Jolly V Antony	Associate Professor	2006
7.	Dr. Suja N.R	Associate Professor	2006
8.	Dr. Venugopal B	Assistant Professor	2007
9.	Dr. Prasanthkumar K.P	Assistant Professor	2007
10.	Dr. Zeena P Hamsa	Assistant Professor	2008
11.	Dr. P.K. Rejimon	Assistant Professor	2008
12.	Dr. Seena E.B	Assistant Professor	2010
13.	Dr. Sandhya P.V	Associate Professor	2010
14.	Dr. Sajith Menon	Assistant Professor	2010
15.	Dr. Neena George	Assistant Professor	2010
16.	Dr. Jincy E.M	Assistant Professor	2010
17.	Dr. Julie Chandra C.S	Assistant Professor	2011
18.	Dr. Alson Mart	Assistant Professor	2011
19.	Sri. Deepak J Prabhu	Assistant Professor	2014
20.	Dr. Sujith Kumar M.C	Assistant Professor	2019

Programmes offered during the year

Sl. No.	Programme	Programme code	Programme name	Year of introduction
1	UG (CBCSS)	MCUSCCH06	B.Sc Chemistry	1935
2	UG (CBCSS)	MCUSCCE07	BSc Chemistry (Model III) Environment and Water Management	1991
3	PG (CSS)	MRCHEPG	M.Sc Chemistry	1939
4	PG (CSS)	MRPHCPG	M.Sc Pharmaceutical Chemistry	1935
5	PG (CSS)	MRAPCPG	M.Sc Applied Chemistry	1939
6	PG (CSS)	MRANCPG	M.Sc Analytical Chemistry	2006
7	Ph.D	-	Chemistry	1999

Result Analysis

Name of the Programme	Number of students appeared for exam	Number of students passed	Pass percentage
B.Sc Chemistry	34	31	91.0
BSc Chemistry (Model III) Environment and Water Management	25	20	80.0

Meritorious students of the year

Ms. Asna P.M.
B.Sc Chemistry (Model I)
Grade - S, CGPA 9.77

Ms. Krishna V Varrier
B.Sc Chemistry (Model III)
Grade - A+, CGPA 8.97

Tutors of the programmes

Programme name	Name of the tutor
B.Sc Chemistry – I st year	Dr. Sandhya P.V & Dr. Venugopal B
B.Sc Chemistry – II nd year	Dr. Rejimon P.K & Dr. Suja N. R
B.Sc Chemistry – III rd year	Dr. Julie Chandra C. S & Dr. Jolly V Antony
BSc Chemistry (Model III) -Environment and Water Management – I st year	Dr. Sujith Kumar M.C
BSc Chemistry (Model III) -Environment and Water Management – II nd year	Dr. Zeena P Hamsa
BSc Chemistry (Model III) -Environment and Water Management – III rd year	Sri. Deepak J Prabhu
M.Sc Chemistry – I st year	Dr. Sreesha Sasi
M.Sc Chemistry – II nd year	Dr. Bindu Sharmila T. K
M.Sc Pharmaceutical Chemistry – I st year	Dr. Jincy E.M
M.Sc Pharmaceutical Chemistry – II nd year	Dr. Alson Mart
M.Sc Applied Chemistry – I st year	Dr. Amrutha S Rajan
M.Sc Applied Chemistry – II nd year	Dr. Neena George
M.Sc Analytical Chemistry – I st year	Dr. Seena E. B
M.Sc Analytical Chemistry – II nd year	Dr. Sajith Menon

Research

Established in 1999 as a research centre under Mahatma Gandhi University Kottayam, Department of Chemistry is one of the oldest and reputed department of our Institution. Ten

faculty members of the department are Research Guides and currently sixteen research scholars are pursuing their Ph.D in the department. The department conducts a biannual progress presentation session of the research scholars, evaluated by a committee comprising of the Head of the Department as the Chairperson, an external subject expert and the research guides as members. The areas of research include:

- Polymeric nanocomposites
- Coordination Chemistry
- Bioinorganic chemistry
- Metal organic frameworks
- Computational Chemistry
- Nanomaterials and nanochemistry
- Catalysis and photocatalysis
- Photoresponsive Materials
- Liquid Crystals
- High Performance Natural Rubber Composites

MOUs signed by the department

- Department of Polymer Science and Rubber Technology, CUSAT signed MoU with Department of Chemistry, Maharaja's College on 06-02-2021 for 3 years.

Syllabus revision

- Major revision of syllabus by incorporating the Outcome based Curriculum for the postgraduate courses, MSc Chemistry, MSc Analytical Chemistry, MSc Pharmaceutical Chemistry and MSc Applied Chemistry implemented on 01-06-2022.

Student achievements - academic

- Ms. Arundhathi C.K. of M.Sc Chemistry qualified GATE 2023 (Rank 1895).
- Mr. Chandrajkrishna C of B.Sc Chemistry qualified JAM 2023 with Rank and Ms. Soubhagya P Mohan of B.Sc Chemistry (Environment & Water Management)
- Mr. Akash Rajesh of M.Sc Chemistry received the Science Academies' Summer Research Fellowship Programme for students 2023.
- Aspire research award 2023 – The following students of the department received the Aspire Research Award 2023 from the Director of Collegiate Education, Government of Kerala.

1. Ms. Agna Edison, M.Sc Applied Chemistry
2. Ms. Agshala A, M.Sc Analytical Chemistry
3. Ms. Arya Rajeev, M.Sc Chemistry
4. Ms. Chinmayi L Manoj, M.Sc Applied Chemistry
5. Ms. Lakshmi Anilkumar, M.Sc Pharmaceutical Chemistry
6. Ms. Mufeeda M.P., M.Sc Applied Chemistry
7. Ms. Nayana K.K., M.Sc Analytical Chemistry
8. Ms. Sreelakshmi Dileep, M.Sc Chemistry

Ms. Arundhathi C.K.
M.Sc Chemistry
GATE 2023 (Rank 1895)

Programmes organised by the Department

1. Chemistry Association Inauguration

The Department of Chemistry at Maharajas College, Ernakulam organized the inaugural function of the Chemistry Association on 31-10-2022. The event was held in the Chemistry Seminar Hall and was attended by students, and faculty members. The program started with a welcome address by Dr. Femina K S, Associate Professor of Chemistry. This was followed presidential talk by Sri. Ashokan K.P., Head of the Department of Chemistry who emphasized the importance of chemistry in everyday life and the significance of organizing such events to create awareness among the students. The chief guest, Dr. Sangeetha Chenampully, Assistant Professor of Chemistry, SNGS college, Pattambi officially inaugurated the Chemistry association activities for the year 2022-23 and she spoke about the role of chemistry in the development of society and the challenges faced by the scientific community. She also spoke about Nobel prize-2022 winning research work "Click Chemistry". The program was felicitated by Dr. Bindu Sharmila T K, Vice Principal, Maharaja's College. The event also included a cultural program. This was followed by a vote of thanks by the Dr. Venugopal B faculty member in charge of the Chemistry Association, who thanked the chief guest, dignitaries, and students for making the event a success.

2. Anti-drug campaign

In an inspiring display of commitment, the Department of Chemistry wholeheartedly embraced and promoted anti-drug activities, which resonated deeply with the students. A dynamic discussion took place, facilitated by passionate faculty members and attended by enthusiastic students. The discussion led to the formulation of a collective pledge against

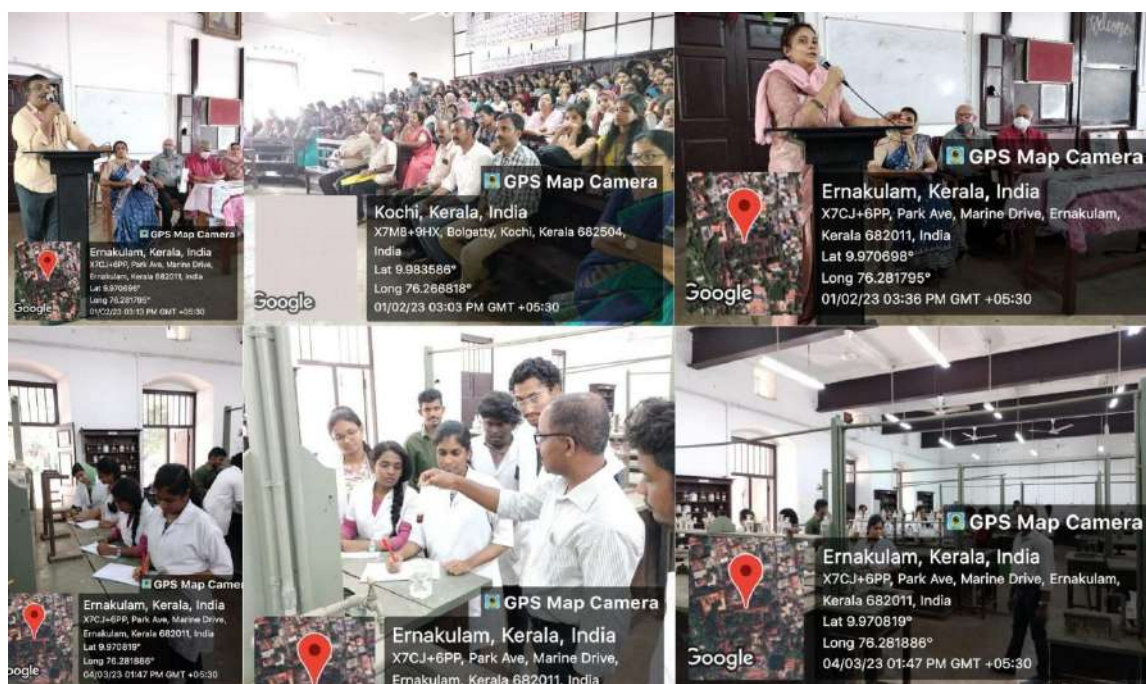

drugs, with each student vowing to abstain from drug use and actively advocate for a drug-free environment. This pledge symbolized their commitment to creating a drug-free environment, promoting healthy lifestyles, and supporting those struggling with addiction.

3. Add-on Course “Food Adulteration”

An add-on certificate course on “Food adulteration” was conducted by the Department of Chemistry for final graduate students. Fifty students registered for the course from the Departments of Chemistry, Environmental Chemistry, Botany, Sanskrit and Music. The inauguration of this conducted on 1st February 2023. The course was inaugurated by respected Principal Dr. V. S. Joy. The principal highlighted his view and importance of this course on current scenario in his inaugural speech. The Vice-principal Dr. Bindu Sharmila T.K. felicitated this function and reminded the audience about the adulterations in different types of food and their after effects. Dr. Femina K.S, Head of the Department of Chemistry welcomed all the students and dignitaries. Dr. Rejimon P. K, Coordinator of the course explained the objective and curriculum of the course. Dr. B. Venugopal express the gratitude for the function.

The add-on course is of two-month duration, which includes theory and practical sessions, assignments and a field project/internship. The classes were conducted during 3.30 - 4.30 PM on working days and practical sessions were conducted on Saturdays. An examination was conducted to evaluate the students and certificates were distributed.

4. Prof. A.R. Subramanya Iyer and Prof. V. K. Menon Scholarship

The distribution of the Prof. AR Subramanya Iyer and Prof. V. K. Menon Scholarship constituted by the Abhayam Charitable Trust, Tripunithura was held at 2:30 P.M. on 01-02-2023 in the Chemistry Gallery. The function was presided over by Dr. Femina K.S, HOD, Department of Chemistry and was attended by students and faculty of the departments of Chemistry and Mathematics. Dr. Rejimon P.K., Assistant Professor, Department of Chemistry welcomed the gathering. Dr. V.S, Joy, Principal, Maharaja's College, Ernakulam distributed the scholarship worth an amount of Rs. 5000/- each to the winners along with the certificates. Dr. Bindu Sharmila T.K., Vice-principal of the college and Associate Professor of the Department of Chemistry felicitated the programme. Vice-president of Abhayam Charitable Trust, Mr. M. Balakrishnan spoke about the trust and Mr. K.K. Ramachandran spoke about the lives and noble endeavours of Prof. AR Subramanya Iyer and Prof. V. K. Menon. Dr. Narayanan proposed the vote of thanks. Mr. T. Muraleedharan, Treasurer of Abhayam and Mr. Suresh Babu, Chief Coordinator of Abhayam participated in the function. The function came to an end at 4:30 P.M. The names of the first year post graduate students selected for the scholarships are as follows:

1. Ms. Vandana V, M.Sc Chemistry
2. Ms. Udhya V, M.Sc Analytical Chemistry
3. Ms. Ganga Udayan, M.Sc Pharmaceutical Chemistry and
4. Ms. Christiya Johnson, M.Sc Applied Chemistry

5. Bridge course

A bridge course for newly admitted undergraduate students was conducted at the beginning of the First Semester for the students. The prime intention behind this course was to bridge the gap between the subjects studied at the pre-university-level subjects and the program to which the student is admitted. This course attempts to help the admitted students get acquainted with the basic things related to the selected subject and increase their interest. The course also helps concerned teachers to elevate the students to the next level of understanding the subject. The total duration of the Bridge Course was one Week. There were daily lectures followed by multiple-choice type examination. The course coordinators for the year 2022-23 were Dr. Sandhya P.V, Dr. Venugopal B and Sri. Sujithkumar M.C.

6. National Science Day Celebrations

The Department of chemistry organized National Science Day-2023 celebrations in association with Chemistry Alumni Association on 28-02-2023. Science day celebration began with an exciting inauguration ceremony by Dr. V. S Joy, Principal, Maharaja's College, followed by a special talk on "Global Science for Global Welfare" by Dr. Abesh Reghuvaran, Assistant Professor, C-SiS CUSAT, Kochi. Dr. Reghuvaran shared valuable insights about how science can help improve the world for everyone. He highlighted the importance of scientists from different countries working together and finding solutions to global challenges like climate change and healthcare. The talk inspired the audience to contribute to scientific advancements that can benefit people worldwide. The event set a positive tone for the day, encouraging everyone to explore the wonders of science and understand its potential for global wellbeing. The vice principal Dr. Bindu Sharmila felicitated the program. Additionally, the event included a power point presentation competition for college students focused on the focal theme. The competition provided an opportunity for students to showcase their knowledge and creativity while addressing important scientific topics. Ms Rakendu, of II MSc Analytical Chemistry won the first prize.

7. Training on Self Defence - "Defend Yourself"

The Chemistry Association organized a training program in association with Department of Physical education Maharajas College on self-defence titled "Defend Yourself" on 02-03-2023. The event was held in the Chemistry Gallery and was attended by students, faculty members, and staff from various departments. The programme started with the welcome address by Dr. Femina K S, HoD of the Department of Chemistry. Dr. Bindu Sharmila T. K, Vice Principal felicitated the program and emphasized the need for self-defence skills in today's world. The trainer Mr. Emil Eldho, M G University Karate Champion 2022 and the student of M.Sc Chemistry then took over and began the session. The trainers started with a warm-up exercise to prepare the participants for the training. He then demonstrated various self-defence techniques and explained the importance of each move. Mr. Emil emphasized the need to be aware of one's surroundings and to always be prepared to defend

oneself. The event ended with a vote of thanks by the Ms. Agna Edison, Chemistry Association Secretary, who thanked the trainers for their valuable time and effort, and the participants for their active participation.

8. Faculty development Programme 'Enrich 2023'

The Department of Chemistry as a part of faculty development program 'Enrich 2023' organized a seminar on the topic "Catalysis and its Industrial Applications" on 06-03-2023. The event was held in the GNR Hall and was attended by students and faculty members. The programme started with a welcome address by Dr. Rejimon P.K. followed by the presidential address by Dr. Femina K. S., Head of the Department of Chemistry, who emphasized the importance of catalysis in industrial applications and the significance of organizing such seminars to create awareness among the chemistry students. The seminar coordinator Sri. Sujith Kumar M.C introduced the chief guest, Dr. Jince Sebastian AGM- Research Head of Sud-Chemie Chemicals and Industries. This was followed by a keynote address by the chief guest. Dr. Jince spoke about the role of catalysis in industrial processes and how it has revolutionized the manufacturing industry. He also mentioned the current trends in catalysis research and how students can make a difference in the field. The talk by Dr. Jithesh P.R., Senior Research executive, Sud-Chemie, India, was followed by a question-answer session where the participants had the opportunity to clarify their doubts and seek more information on the topic. This session was very interactive and informative. The seminar concluded with a vote of thanks by Dr. Sreesha Sasi, Associate Professor, Department of Chemistry, who

thanked the chief guests for their enlightening talk and the participants for their active participation.

9. Merit day

The Department of Chemistry and the Chemistry Association organized merit day celebration and farewell party to Head of the Department of Chemistry on 22nd March Wednesday 2023. The programme was held in the Chemistry gallery. Students and teachers were present and the programme commenced at 2.00 P.M with prayer by Ms. Anusree. Ms. Agna Edison, Association Secretary welcomed the gathering and Dr Femina K. S, Associate Professor, delivered the presidential address. The achievers in academics, arts and sports, extracurricular activities, entrance exams etc for the academic year 2022-23 were congratulated and mementoes were distributed as a token of appreciation. On behalf of the Department of Chemistry and the Chemistry association, mementoes were awarded to our dearest HOD Sri K. P Ashokan, who is retiring from long years of service this year. Dr Bindu Sharmila T.K., Vice Principal of Maharaja's College and Associate Professor of the department rendered felicitation. Ms. Chinmayi Manoj of II MSc Applied Chemistry and Mr. Asif Muhammad of I MSc Pharmaceutical Chemistry also felicitated the gathering. Dr. Sajith K. S, guest faculty of the department, who received PhD during the year was also felicitated. Ms. Athira of II MSc Applied Chemistry refreshed our minds with beautiful song to show our gratitude to our loving Ashokan Sir. The program was hosted by Ms. Christima of I Pharmaceutical Chemistry. Dr. Venugopal B, Faculty in charge, Chemistry Association delivered the vote of thanks and concluded the session.

10. Visit to science expo- Sasthrayaan

On 23-01-2023, a group of 60 students from our department visited Sasthrayaan, the Science Expo organized by Cochin University, Cochin. The expo featured a variety of exhibits, including experiments, demonstrations, and interactive displays, showcasing the latest advances in science and technology. The visit was organised as a part of our departments' effort to expose students to scientific advancements and encourage them to take up careers in science and technology. The visit to the Science Expo organized by Cochin University was an enriching experience for the students. The expo provided an excellent platform for the students to interact with researchers and scientists, ask questions and learn more about their work.

11. Nature Camp

During the academic year, 2 batches of student could attend nature camp. The camps were arranged by the Kerala Forest Research Department, Kerala from 4-6th June 2022. III B.Sc Chemistry (Environment & water Management) students had an amazing nature camp at Silent Valley. The team consisted of 25 students and two faculties, Dr. Sreejesh P. R. and Ms. Fathima C. S. The camp was filled with exciting activities and educational experiences.

The second camp was for II B. Sc Chemistry (Environment & Water Management) students during 24-26 December 2022 at Parambikulam National Park. This batch of students was accompanied by faculties Sri. Sujithkumar M. C and Sulmiya Shereef. They learned about the rich biodiversity of forests, rivers, and wildlife. The camp also included informative sessions on environmental conservation and the importance of sustainable practices. It was a memorable and enlightening experience that deepened their understanding of chemistry and

our connection to the natural world. There were guides who were experts and taught the team the survival skills and ways to protect our planet. The nature camp deepened their appreciation for the natural world and highlighted the importance of taking care of it. Overall, the students were thrilled about the memorable moments and the strong connection they established with nature throughout the camp.

12. Campus cleaning

The students of the Department of Chemistry took charge of the campus cleaning on 27-01-2022 as per the instruction from the Principal and did a great job. They worked together to ensure that the allotted area of the campus was clean and tidy. They swept the floors, picked up trash, and organized the classrooms and common areas. The students showed great teamwork and dedication to keeping the campus clean and creating a pleasant environment for everyone. Their efforts were commendable and greatly appreciated by the entire campus community.

13. Career Guidance Workshop

The students of the Department of Chemistry enthusiastically participated in a range of activities organized by the Career Guidance Cell of Maharaja's College. These activities aimed to provide valuable guidance and support for our future career paths. They attended informative seminars and workshops on various fields related to chemistry, and other areas. Experts from different industries shared their experiences and insights, helping the students to gain a better understanding of the diverse opportunities available. Additionally, they had the chance to engage in workshop on CV writing, date with industry program and three-day work readiness program organized by career guidance cell, which further helped to enhance their interview skills and confidence.

c. Commerce

About the Department

Post Graduate Department of Commerce started functioning in the year 1999, with B. Com Model II Computer Applications Programme in commerce .M. Com Programme started in the year 2012 with finance option .The department presently offers one UG program (B.Com) with specialization in finance and Taxation and one PG program (M.Com) with specialization in Finance . Department was elevated to Research Centre in the year 2018 . The department earns the status of a prominent center for teaching and learning in commerce education in the Cochin city.

Sl No	Program	Year of Establishment
1	B.Com	1999
2	M .Com	2012
3	Research Centre	2018

The department strives to attain the highest standards in teaching by maintaining a dynamic academic community. The department presently owns a full-fledged faculty base of eight permanent teachers who guide and teach students during and after working hours of the college. A well-equipped library, ICT supported classrooms and advanced computer lab, are among the facilities available to the students. The department conducts seminars, workshops and lectures by experts in various fields on a regular basis to blend industry practices with academics. The department offers free coaching for UGC NET-JRF, and for other competitive examinations to the students.

I. FACULTY PROFILE

Sl No	Name	Designation	Qualification	Experience	
				UG	PG
1	Dr. Suresh V. N	Associate Professor & Head of the Dept.	<i>M.Com, M. Phil, Ph.D, UGC NET JRF</i>	27	27

IV. SEMINARS/COURSES/ TRAINING PROGRAMMES ATTENDED BY FACULTY MEMBERS

Savitha M A:

1. Two-Week National Online Faculty Development Program jointly organized by Assumption College (Autonomous), Changanacherry and Guru Angad Dev Teaching Learning Centre, SGTB Khalsa College, University of Delhi under the Pandit Madan Mohan Malaviya National Mission on Teachers and Teaching (PMMMNTT) of Ministry of Education, from 1st November to 30th November 2022. This was conducted in online mode with two week's involvement in a flexible mode. This online FDP is equivalent to face-to-face two-week FDP. The two week's involvement included attendance during live/recorded sessions, hands on activities, submission of quizzes, assignments and project. The participant has obtained Grade "A+" as required for promotion under CAS of UGC and AICTE.
2. Online Two- week refresher course in Commerce and Management organized by Teaching Learning Centre, Ramanujan College, University of Delhi under the aegis of Ministry of Education, Pandit Madan Mohan Malaviya National Mission on Teachers and Teaching, from 27th May 2022 to 09 June 2022. The two week's involvement included attendance during live/recorded sessions, hands on activities, submission of quizzes, assignments and project. The participant has obtained Grade "A" as required for promotion under CAS of UGC and AICTE.

Bhasura Valsan K:

1. Two-Week National Online Faculty Development Program jointly organized by Assumption College (Autonomous), Changanacherry and Guru Angad Dev Teaching Learning Centre, SGTB Khalsa College, University of Delhi under the Pandit Madan Mohan Malaviya National Mission on Teachers and Teaching (PMMMNTT) of Ministry of Education, from 1st November to 30th November 2022. This was conducted in online mode with two week's involvement in a flexible mode. This online FDP is equivalent to face-to-face two-week FDP. The two week's involvement included

attendance during live/recorded sessions, hands on activities, submission of quizzes, assignments and project. The participant has obtained Grade "A+" as required for promotion under CAS of UGC and AICTE.

Dr. Swapna R:

1. One Week Online Hands-on Training on Learning Management System (MOODLE) held as Institution Level Cluster Programme under Let's Go Digital initiative of the Government of Kerala organised by the Faculty Development Centre of the Kerala State Higher Education Council in association with the Digital University of Kerala during 22nd to 27th September 2021 for the faculty members of the state universities and affiliated colleges

Dr. Preethy B Menon :

1. Two-Week National Online Faculty Development Program jointly organized by Assumption College (Autonomous), Changanacherry and Guru Angad Dev Teaching Learning Centre, SGTB Khalsa College, University of Delhi under the Pandit Madan Mohan Malaviya National Mission on Teachers and Teaching (PMMMNTT) of Ministry of Education, from 1st November to 30th November 2022. This was conducted in online mode with two week's involvement in a flexible mode. This online FDP is equivalent to face-to-face two-week FDP. The two week's involvement included attendance during live/recorded sessions, hands on activities, submission of quizzes, assignments and project. The participant has obtained Grade "A+" as required for promotion under CAS of UGC and AICTE.

Dr. Sudheesh Kumar K :

1. 1. Dr. Anand K. & Dr. Sudheesh Kumar K. *Assessment of service quality of Public and Private Sector Banks during post covid scenario, SATRAACHEE, Issue 26, Vol. 38, No. 2, Jan-March 2023, UGC Care Enlisted, Peer Reviewed and Refereed Journal*

- **PARTICIPATION OF TEACHERS IN ACADEMIC AND PERSONAL COUNSELING OF STUDENTS;**

Tutorial, Mentoring and Remedial sessions are held by tutors, which benefited the students by way of improving their personality, soft skills and academic merit .

VI. PARTICIPATION OF TEACHERS IN ACADEMIC ACTIVITIES OTHER THAN TEACHING

No.	Name	Academic Activities Engaged
1	Dr. SURESH V. N	Vice Principal- Maharaja's College, Head of the Department of Commerce (2015-2017, April 2020 - till date), Chairman, Board of Studies Maharaja's College Ernakulam, Board of studies , RajaGiri College of Arts and Science , Kalamassery , St, Alberts College, St, Josephs College Irinjalakkuda. Member core group , Ernakulam District , One district One idea , MSME Innovation Clusters , District Innovation Council, K-DISC, GOK, Controller of Examinations Maharajas College, Ernakulam from 13.7.2018 to 31. 10 2020., Member Secretary , Academic Council, Maharajas College, Ernakulam during 2014-16, External Member Research Committee St. Alberts College Ernakulam , Cochin College, St. Peter's College, Kolencherry, Ernakulam since 2018.
2	Dr. ANITHA M. N	HOD, College Council Member, ED Club Convener, Member-NIRF Committee. Convenor-YIP Programme, Planning Committee- Member, Research Committee-Member, Admission Committee- Member, Question Paper Setter- University Of Calicut & CMS College, Subject expert of SRF Upgradation of Kannur University, PSC Question Paper Setter
3	Shri. SHAJU MATHEW	NSS Co-Ordinator, Building Committee member, Planning Committee Member, Canteen Committee Member- Cleaning Committee member, SFS Co-ordinator, PSC Question Paper Setter, Board of Studies Member, Iringalakuda, St. Joseph College (Autonomous)
4	Smt. SAVITHA M. A	Member, Academic Committee - UG Programme (Commerce), Sree Narayana Open University, Chairman of the Board of Question Paper Setters- B

		Com, University of Calicut, Question Paper Setters- B Com, University of Calicut, Internal Exam Committee.
5	Dr. SWAPNA R	Member Career Guidance Cell, Member Discipline Committee member Question Paper Setter- B Com, LLB , Kerala University
6	Dr. PREETHY B. MENON	Member Nature Club, Member Accommodation Committee, Member Palliative care, Member Women Cell, DQAC Co-ordinator, Question Paper Setter- CMS College, Member IQAC Working Committee - Institutional Values and Best Practices
7	Smt. BHASURA VALSAN K.	Member Women Cell, Question Paper Setter -CMS Autonomous College, Question Paper Setter Calicut University B.Com, Member IQAC Working Committee - Governance Leadership and Management.
8	Dr. SUDHEESH KUMAR K	Member Admission Committee, Placement Cell Member, Disciplinary Committee Member, Member NAAC Criteria 1, Question Paper setter CMS College, (Autonomous), Kottayam

VII. PROGRAMS CONDUCTED BY THE DEPARTMENT

1. **Bridge Course** was conducted for the newly admitted B Com Students in the month of August 2022.
2. A **workshop** was conducted on Project Preparation for final year PG students and degree students on 17/10/2022 and on 18/12/2022
3. **One Week Tour Programme:** The final year **B.Com students** went on a study tour to Goa along with their faculties, Class Tutor Basura Valsan and Preethy B.Menon on January 8th 2023.
4. The PG and Research Department of Commerce celebrated the **World Tourism Day** on 25.01.2023 by conducting an **essay writing competition** on "Role of Tourism in Indian Economy" at 11.30 am. The HOD Dr. Suresh V.N introduced the relevance of the day and the topic to the students.
5. On 27/01/2023 the Department students engaged in **campus cleaning**. They cleaned the frontage of the Department, Arabic Department, and the Car parking area.
6. As a part of **outreach and extention activity** the students and faculty visited SOS Children's Village at Aluva on 27.02.2023 and handed over the contributions in cash on behalf of the Department to the concerned authorities. The students and faculty visited the houses and had an hearty talk with SOS mothers and children.

7. On Feb 28 th the PG and research department of commerce organized a seminar on overview of Securities Markets and Career Growth in Association with the **Career Guidance Cell** and sponsored by BIAP at the Commerce Seminar hall from 2 pm to 3.30 pm. National BFSI trainer Manoj Neelakantan was the resource Program Co-ordinator Dr.Swapna R delivered the welcome speech and PG student Krithika proposed the vote of thanks. The session was an interactive one where students could watch and learn from a live trading platform as well as get to know about the job prospects offered by the securities market in India
8. On 1.03.2023 Wednesday the Department organized a **webinar** on Confessions of an Accidental Entrepreneur which revealed the ups and downs of a serial Entrepreneur com investor Mr.Narasimhan Jay Kaushik. There were around 100 participants. Teachers, Students and Research Scholars from various colleges participated. Duration of the session was 2 hours. The session was highly motivating, enriching and interative one.
9. The **merit day** was organized by the department on 23rd march 2023 in association with the Alumni Association, Department of Commerce at Mahanalobis Hall from 10 am. The chief guest Sri.S. Shakthimani, Director(finance), Central PSU-FACT Ltd. delivered a talk on “Fintech revolution in India- Trends and Drivers”. College Principal Dr. V.S.Joy presided over the function. The Head of the Department Dr.Suresh V.N. welcomed the gathering. The session came to an end with a vote of thanks by the programme co-ordinator Swapna R. As a token of appreciation momentos were distributed to students for their achievements in academics, competitive examinations, sports and arts.
10. A talk on **career portraying for future** was done by Shameem Pariyanghat, inspirational motivational speaker On 27.03.2023 along with 24 News in association with Indian Institute of Commerce. Dr. Sudheesh Kumar K , Co-ordinator delivered the vote of thanks and Dr.Suresh V.N , HOD presided over the function and welcomed the gathering.
11. **Two Day Tour Progrmme** : On April 10th and 11th th **PG students** of the Department visited Munnar and Kozhukkumala-Suryanelli along with the faculties of the Department Dr.Swapna R and Ms.Savitha M A, Class Tutor.

Methods of continuous student assessment: Continuous assessment of students carried out by way of conducting internal examinations, PTA meetings, remedial classes and also by having a good tutorial system.

VIII. SIGNIFICANT ACHIEVEMENTS OF THE DEPARTMENT / FACULTY/ STUDENT

1. Students who cleared NET/ JRF.

5	Meera Ravindran	

d. English

Annual Report of the Department of English, 2022-23

1. Introduction

The Department of English was established in 1875, coinciding with the birth of Maharaja's College. The college has grown steadily from a second-grade institution affiliated with the University of Madras to a Centre of Excellence over the course of nearly 150 years. Similarly, the department has evolved admirably, initially catering to the needs of various undergraduate programs and the First Arts Course (later renamed the 'Pre-University Course'). In 1956, the department introduced a postgraduate program in English, making it one of the first institutions in Kerala to offer the esteemed master's degree in the subject. Sixteen years later, in 1972, the department expanded its offerings to include an undergraduate program. Following the golden jubilee of its postgraduate program in 2007, the department was elevated to the status of a research centre, granting Ph.D. degrees. Currently, the department comprises 16 teaching faculty members, eleven of whom hold Ph.D.s and actively engage in research in various capacities. Others are either in the process of submitting their theses or have already done so. Notably, the department plays a unique role in reaching all undergraduate students, as English is a mandatory subject at that level.

Members of the department have consistently contributed to the overall growth and performance of the college by serving in central bodies such as the Internal Quality Assurance Cell (IQAC) and National Assessment and Accreditation Council (NAAC) committees. Additionally, there are nine supervisors, including retired and external teachers, and more than twenty research scholars currently associated with the department. Over the past five years, the department has produced nine Ph.D. graduates and has seen 35 students successfully clear the National Eligibility Test, seven of whom received Junior Research Fellowships. These achievements bear testimony to the department's commitment to excellence in higher education and research.

2. Admission to UG and PG

Manjusha K.G. served as the department level coordinator for admissions, overseeing both undergraduate (UG) and postgraduate (PG) admissions. Deepthi T. Divakaran was the first year UG tutor. The department admission committee for UG consisted of Rekha Karim,

head of the department, Deepthi T. Divakaran (tutor), Manjusha K.G. (Coordinator), Bijesh V. Jose, and Anoop C.R. The admission process commenced on August 12th, with specific categories such as arts and sports, while regular admissions began on August 19th, 2022. The admission period concluded on October 31st, 2022. A total of 42 students were admitted, but four of them subsequently withdrew, resulting in an effective strength of 38 students. The admitted students represent diverse categories, with 16 belonging to the State Merit (SM), 5 Scheduled Caste (SC), 2 Scheduled Tribe (ST), 3 Ezhava (EZ), 2 Muslim (MU), 1 Other Backward Hindu (OBH), 3 Economically Weaker Sections (EWS), 1 Latin Catholic (LC), and 2 Sports quota students. Additionally, there were 2 students with disabilities (DA) and 1 student from the Lakshadweep (LD) who were admitted. The Sports Council made 3 admissions specifically for sports-related achievements over and above the sanctioned strength.

Limna P. served as the postgraduate tutor, while the department level admission committee consisted of Rekha Karim (head of the department), Limna P. (tutor), Manjusha K.G. (coordinator), Manchusha Madhusoodanan, and Minu Fathima. The admission process for postgraduate (PG) programs commenced on August 10th, with specific categories for arts and sports, and regular admissions also began on the same date, August 10th, 2022. The admission period concluded on October 7th, 2022. A total of 24 students were admitted, but three of them later withdrew, resulting in an effective strength of 21 students. The allotted seats for PG programs were 22, but a few students were admitted over and above the sanctioned strength, making the total number of admitted students 24. The admitted students represent various categories, including 10 based on State Merit, 2 Ezhavas, 1 Muslim, 1 Other Backward Hindu (OBH), 2 Economically Weaker Sections (EWS), 3 Scheduled Castes, 1 Scheduled Tribe, 1 student through the Sports quota, 1 arts student, and an additional admission over and above the Sports Council's quota. Furthermore, one student was admitted from Lakshadweep.

3. Major achievements of students

- a) Amrutha J. (3rd semester M.A.) cleared National Eligibility Test
- b) Vipanchika V. (4th semester B.A.), first prize in the district level declamation context by Nehru Yuva Kendra, 2023.

4. Teachers who:

- a) became research supervisors
- b) were awarded Ph.D.

5. Department meetings

18/10/22

During the meeting, several important agenda items were discussed and decisions were made. It was agreed that the portions of the III UG semester V should be completed within the given timeframe, allowing students enough time for revision. Additionally, preparations for the upcoming Freshers Day on October 27, 2022, were to be made, and clear instructions were to be given to ensure the smooth conduct of the program. The evaluation of UG third semester papers would be completed and returned to the respective tutors by October 21, 2022, with copies of the marklists provided to the parent departments.

Furthermore, teachers were assigned the task of preparing question papers for the upcoming internal exams, specifically for I MA, II MA, and III BA. On October 21, 2022, half-yearly research presentations by the research scholars were scheduled, with the duty of organizing and managing the event assigned to SM. The Head of Department (HoD) and the internal coordinator for the Department Quality Assurance Cell (DQAC) were tasked with counseling and briefing the faculty regarding an internal audit/visit by the DQAC.

Sabitha S. Babu was given the responsibility of submitting a proposal for an upcoming literary fest organized by the ELA. Additionally, it was decided to create a blog to upload reports and photos of department-level activities, with the blog's link to be attached to the college website. This task was assigned to SSB and PKS. The Class Parent-Teacher Association (PTA) of IIIB.A. was to be conducted promptly, with BVJ assigned the duty.

An invited talk by M.V. Narayanan, under the department's OSA, was scheduled to take place. Lastly, the meeting discussed the possibility of allocating an hour to each existing staff member to meet the vacancy requirement caused by RCV's long leave. The responsibility for this task was assigned to MM and SSB.

9/11/22

During the meeting, two important agenda items were discussed. The first item focused on conducting a Communication Skills Training Programme for L.P. school students from the Government Girls School in Ernakulam, as an extension activity. The responsibility for this task was assigned to P.K. Sreekumar. The committee was instructed to prepare lesson plans, schedule classes, and maintain a register of students. It was also suggested to involve more student coordinators from each class to assist in the program's smooth functioning.

The second agenda item involved the preparation of a panel of question paper setters for the final undergraduate (UG) and postgraduate (PG) exams. MM was directed to collaborate with other faculty members in the department to create this panel. The purpose of forming the panel was to ensure the fair and comprehensive setting of question papers for the exams.

By implementing these decisions, the department aimed to provide communication skills training to L.P. school students while also ensuring the effective preparation of question papers for the final UG and PG exams.

5/12/22

During the meeting, two main agenda items were discussed. The first item concerned the synopsis presentation for undergraduate (UG) and postgraduate (PG) students. It was tentatively decided that the presentation would take place on January 16th. This presentation provides an opportunity for students to present a summary of their research work or projects. The second item on the agenda was the Parent-Teacher Association (PTA) meeting for first-year students. It was decided that the meeting would be scheduled for a convenient date in the near future. The PTA meeting serves as a platform for parents and teachers to discuss the progress and well-being of the students.

Additionally, it was agreed upon that the faculty register would be completed by January 10th. This register ensures accurate documentation of the department's faculty members and their relevant details. The meeting also focused on supporting the Kerala Knowledge Mission initiated by the government. The department expressed its commitment to contribute and participate in this mission, which aims to enhance knowledge and education in the state. P.K. Sreekumar and Sabitha S. Babu suggested the introduction of a Moodle program prepared and coordinated by the department members. Moodle is an online learning management system that facilitates course delivery and interaction between teachers and students. Sabitha S. Babu and P.K. Sreekumar were assigned the task of drafting a course curriculum and developing strategies for video uploading as part of the Moodle program. Lastly, the responsibility for the Career to College program was given to the final UG and PG tutors, Bijesh V. Jose and P.K. Sreekumar. This program aims to provide guidance and support to students in their transition from college to their chosen careers.

By making these decisions, the department aimed to ensure the successful completion of synopsis presentations, facilitate effective communication between parents and teachers through PTA meetings, maintain accurate faculty records, actively contribute to the Kerala Knowledge Mission, implement an online learning platform through Moodle, and support students in their career aspirations through the Career to College program.

13/01/2013

The agenda items included the reconstitution of the Board of Studies (BoS) and preparations for an internal audit. The following staff members were present: Rekha Karim, Minu Fathima, Manjusha K.G., P.K. Sreekumar, Bijesh V. Jose, Sabitha S. Babu, Manchusha Madhusudanan, Deepthi T. Divakaran, Anoop C.R., Limna, Reem, Simi Thomas, and Smitha M. The meeting resulted in several decisions. It was decided to reconstitute the BoS, ensuring an updated and effective structure for the department. The department was also instructed to prepare for an internal audit scheduled for January 18, 2023. To facilitate this, criteria-wise Excel forms were to be updated, and any defects pointed out in the previous audit were to be rectified. Bijesh V. Jose was given the responsibility of verifying the files before the audit.

Another decision made during the meeting was to design an add-on course for the next academic year, either Business English or Functional English, to be conducted for final UG and PG students. Deepthi T. Divakaran was instructed to submit the relevant documents related to the Bridge Course in 2022. To ensure compliance and proper documentation, it was decided that the mentor-mentee diary and tutorial register should be updated before the internal audit. Bijesh V. Jose was assigned the task of updating the mentor register, while Minu Fathima was responsible for the tutorials. Tutors were also advised to maintain class logs and attendance registers systematically.

Furthermore, it was decided that teachers should submit their diaries for verification on Fridays. Leave availed of by the faculty members should be forwarded by the Head of Department (HoD) on Fridays as well. In the absence of RCV, Minu Fathima and Manchusha Madhusudanan were given charge of criteria II and IV, respectively. Lastly, it was agreed upon that research guides from the department should promote the E-content prepared by the research scholars.

03/02/2023

The attendees included Rekha Karim, Priya Jose, Minu Fathima, T.V. Suja, P.K. Sreekumar, Sabitha S. Babu, Manchusha Madhusudanan, Deepthi T. Divakaran, Anoop C.R., Simi Thomas, and Smitha M. During the meeting, decisions were made on several matters. It was decided that teachers and students should return library books from both the general and department libraries by February 20, 2023. Additionally, the submission of the plan-fund proposal was set to be before March 20.

The proposal for a smart room cum seminar hall was assigned to P.K. Sreekumar for preparation. Furthermore, Manjusha K.G. was appointed as the workshop coordinator for 2023. T.V. Suja suggested a skill enhancement workshop for teachers, focusing on translation, content writing, or editing. She was asked to collaborate with Manjusha K.G. to develop a detailed proposal for the workshop. To enhance IT-enabled teaching strategies, it was proposed to include a purchase proposal for 10 portable projectors, with a cost of Rs. 50,000 each.

Regarding the PG seminar presentations, it was decided to conduct them as soon as possible. For the UG projects, the timeline was set as follows: the first draft due on February 20, the final submission on March 3, and the viva to be conducted from March 15 to 20. Limna P. and Reem S. were chosen as internship coordinators, and the internships were planned for the second semester for PG students. Students would be asked to list three institutions where they proposed to do their internships. The suggested organizations included publishing houses, media companies, news channels, libraries, among others. If possible, long-term Memorandums of Understanding (MoUs) would be signed with these organizations.

Manchusha Madhusudanan was assigned the task of preparing the portions for internal exams and paper charges for the courses. Concerns were raised regarding the format of the proposed college journal. The research committee members were entrusted with the responsibility of discussing the concerns with the college coordinator to obtain necessary clarifications.

T.V. Suja reported untidiness in the classrooms, and it was decided to monitor the work of the cleaning staff responsible for maintaining the cleanliness of the classrooms. By addressing these agenda items and making these decisions, the meeting aimed to ensure the timely return of library books, the submission of necessary proposals, the coordination of workshops and internships, the preparation for exams, and the improvement of classroom cleanliness.

7. Board of Studies

23.1.23

Agenda: Reconstitution of the BoS

Members present: Rekha Karim, Priya Jose K., Minu Fathima, P.K.Sreekumar, Manjusha K.G., Sabitha S. Babu, Bijesh V. Jose, Smitha M., Anoop C.R., Limna P., Reem S.

Decisions taken:

1. To reconstitute the BoS with all the teachers of the department as members.
2. Experts in the programme from outside the university:

- a) Prof. C.M. Manojkumar, Professor of English, SSUS Kaladi
- b) Dr Dennis Joseph Anatty Olakkengil, Associate Professor of English, SCAM Government College, Trichur
3. Panel of 6 experts to be nominated by the VC of MGU
 - a) Sachin N. , Associate Professor of English, Dyal Singh College (Morning), New Delhi
 - b) Dr K. Arunlal, Assistant Professor of English, Government College, Mokeri
 - c) Dr Rajesh Cherian, Assistant Professor of English , Govt. College, Madappally
 - d) Dr Aneeta Rajendran, Assistant Professor of English, Gargi College, New Delhi
 - e) Dr Sherin B.S., Associate Professor of English, Department of Comparative Literature, EFLU, Hyderabad
 - f) Dr Lakshmi Sukumar, Assistant Professor of English, Institute of English, Trivandrum
4. Expert from industry: Ajithkumar B., editor and director
5. Alumnus: Dr Ayesha Swapna, Associate Professor of English, Farook College
6. Representative of the BoS of the university: to be nominated by the Syndicate:
 - a) Dr Shima Mathew, Associate Professor of English, TMJM Government College, Manimalakkunnu
 - b) Dr Vinod Gopi, Associate Professor of English, SS College, Kalady
 - c) Dr Junu George, Associate Professor of English, St Peter's College, Kolenchery
 - d) Dr Riya Susan Scariah, Assistant Professor of English, BCM College, Kottayam
 - e) Sheenu Vargheese, Assistant Professor of English, UC College, Aluva
 - f) Dr Subin Varghese, Assistant Professor of English, Devamatha College, Kuravilangadu
7. It was also decided to hand over the list and panel of experts to be nominated by the Vice-Chancellor and the Syndicate to the Principal of the college on 23.1.23.

6.5.23

Agenda: Review and revision of the answer key of 4th semester (UG) common course Stories to Inspire.

Members present: Rekha Karim, Priya Jose K., Minu Fathima, Suja T.V., Manjusha K.G., Sabitha S. Babu, Bijesh V. Jose, Deepthi T. Divakaran, Anoop C.R., Limna P., Reem S.

Decisions taken:

1. The answer key provided by the CE for the abovementioned course was reviewed and revised by the faculty members as it had factual errors as well as repetitive and unnecessary content.
2. The new answer key prepared by P.K. Sreekumar, Manjusha K.G. and Reem S. was ratified by the BoS.
3. There were three questions that were out of syllabus viz. Part A 8 , Part B 13 and 16. It was decided to award ½ mark for question number 8 if attempted but not written anything; 1½ marks for answer attempted and 2 if the answer is logical and accurate. For questions 13 and 16, 1 mark if attempted but not written anything, 3½ if attempted and up to 4½ if the answer is logical and accurate.

4. It was decided to hand over the revised key to the CE to distribute it to the external examiners.

8. DQAC

During the academic year 2022-23, the Department Quality Assurance Cell (DQAC) collaborated closely with the Internal Quality Assurance Cell (IQAC) and the English Department to ensure the desired academic quality within the college and the department. To facilitate the process, the teacher's diaries and class log books were collected from the IQAC office on June 2, 2022, and June 10, 2022, respectively, and distributed to the faculty members and main class tutors. At the beginning of the academic year, the necessary documents were prepared and submitted for uploading the Annual Quality Assurance Report (AQAR) and National Institutional Ranking Framework (NIRF) details from the English department. The DQAC coordinator actively participated in various meetings convened by the IQAC coordinator on August 11, 2022, September 26, 2022, and September 28, 2022, to discuss important matters.

In preparation for the Annual Academic Audit of the previous year (2021-22), the DQAC made advance arrangements, and the audit took place on September 29, 2022, with a subsequent visit held on January 20, 2023. During this period, SQAC (Student Quality Assurance Cell) members from the department were selected, representing each class, and were sent for a meeting on August 25, 2023. The DQAC took responsibility for preparing the annual report for the academic year 2021-22 and developing the plan for the following year, 2022-23, within the department. As the academic year came to a close, the DQAC ensured the completion of the Teacher's Diary for the year 2022-23 and the class log books, marking the conclusion of their tasks.

9. Teachers in various bodies

- a) Governing Body: Suja T.V.
- b) IQAC: Deepthi T. Divakaran
- c) Room Committee: Rekaha Karim
- d) Language Lab: Rekha Karim
- e) SNG Open university: Smitha M.
- f) Civil Service Club: P.K.Sreekumar
- g) Website Committee: P.K. Sreekumar
- h) Admission Committee: Manjusha K.G.
- i) Discipline Committee: Manjusha K.G.
- j) Internal Examination Committee: Manchusha Madhussodanan
- k) DQAC: Bijesh V. Jose

10. Internal Examinations

The Department of English has implemented a centralized approach for conducting internal exams across all general courses. This streamlined process involves administering two

tests and two retests within a single semester. The evaluation criteria for undergraduate (UG) students are based on a maximum score of 40 marks, while postgraduate (PG) students receive letter grades. These internal exams are designed to resemble miniature versions of the actual exams, providing students with an accurate representation of their knowledge and skills.

To ensure fairness and standardization, all internal exams are subject to the guidelines and directives set forth by the Institutional Level Internal Examination Committee. This committee oversees the development of exam content, sets the marking scheme, and ensures the adherence to academic standards. By centralizing the internal exams, the Department of English aims to maintain consistency and quality in assessing student performance across various courses and levels of study. This approach also facilitates efficient exam administration, resulting in a more organized and effective assessment process for both faculty members and students.

By implementing these measures, the Department of English aims to create an environment where students can demonstrate their understanding and mastery of course material in a controlled and equitable manner. The centralized approach enables the department to monitor and evaluate student progress consistently, allowing for effective feedback and identification of areas that require improvement. Ultimately, this system contributes to the academic growth and development of students pursuing English language and literature studies within the institution.

11. Tutorials

Throughout the academic year 2022-23, the Department of English conducted regular tutorial sessions with the primary objective of improving the overall well-being of the student community. These sessions proved to be a valuable platform for tutors and their tutees, as they met twice every month to engage in productive interactions. The main focus was to encourage students to express their concerns, interests, and opinions on a wide range of matters.

The tutorial sessions played a crucial role in fostering a supportive and proactive environment that had a positive impact on both academic and non-academic performances of the students. By closely engaging with the students, tutors were able to understand their individual needs and provide tailored guidance accordingly. These sessions were designed as structured discussions, enabling tutees to express their opinions and raise any apprehensions they may have had regarding various contemporary issues.

The interactive nature of the tutorial sessions was of great importance, as it provided students with a democratic space to freely voice their thoughts without any restrictions or inhibitions. This inclusive approach allowed for diverse perspectives to be shared and respected. It also encouraged critical thinking and nurtured a sense of ownership among the students, as they actively participated in shaping the discourse.

Furthermore, the tutorial sessions benefited not only the students but also the tutors themselves. The student-centric approach adopted during these sessions challenged tutors to explore new methods of teaching and facilitated their own personal growth as educators. By

actively listening to their tutees and understanding their unique viewpoints, tutors gained valuable insights that broadened their teaching and learning experiences.

On balance it can confidently be stated that the tutorial sessions conducted by the Department of English during the academic year 2022-23 provided a conducive environment for students to express themselves freely and engage in meaningful discussions. These sessions not only enhanced students' academic and non-academic performances but also empowered tutors to evolve their teaching methodologies. The overall impact was the creation of an inclusive and dynamic learning community within the department.

12. Remedial Classes

The department offers a remedial coaching program to support weak learners in English language among the students attending general English classes. This program aims to enhance their academic skills and linguistic proficiency by providing them with focused teaching support. Students from the general English batches are identified for this program by their class tutors, taking into consideration their academic performance and socio-economic status. This approach ensures that students in need receive appropriate attention and support.

The faculty members assigned to this program are dedicated to improving the academic performance of the enrolled students by addressing their specific needs. The program encompasses various essential components, including well-organized classes, a student monitoring system, training, and assessment. Classes are planned on a weekly basis, following a structured lesson plan, and the progress of each student is carefully tracked and documented. Additionally, study materials are provided to aid in better understanding of the lessons.

To gauge student satisfaction and progress, an effective feedback system is implemented. The feedback received from the students indicates that the remedial classes are highly beneficial, particularly for underprivileged students. These classes not only help them improve their academic skills, but also provide them with valuable support and confidence when facing exams. All in all, the remedial coaching program in the department offers a comprehensive approach to assisting weak learners in English language. It ensures that these students receive the necessary support, tailored teaching, and resources to enhance their academic abilities and linguistic proficiency.

Group A	No. of students enrolled	Group B	No. Of students enrolled

13. Research Forum

Aim and Purpose of the Research Forum:

The Research Forum aims to cultivate a spirit of research among the students of the Department of English through various engaging activities. Our objective is to provide opportunities for students to interact with scholars and faculty members from prestigious institutions, fostering intellectual discussions and knowledge exchange. Additionally, we organize workshops that equip students with the necessary skills and knowledge to pursue studies in contemporary disciplines. Recognizing the significance of competitive exams such as UGC NET, the Research Forum also focuses on preparing students for these tests. These activities are conducted both online and offline, with events taking place on a monthly basis.

Session 1: 12.08.2022

Research and Academic Writing: Understanding the Basics

Speakers: Abhijith P. & Joyson Jose

The program was organized by the Research Forum on 12.08.2022. Mr Joyson Jose was the resource person, who had an interactive session on project writing with undergraduate and postgraduate students. He explained the various parts of the thesis, right from the synopsis to the conclusion, while asserting the importance of each part that must be systematically organized and be seen as a whole. Joyson had asked the students to come prepared with their final year thesis and abstract. Many of the students had questions about how to write their research proposal and write an argument for their thesis in just two lines.

The second part of the program, understanding basic MLA citation, was done through an interactive session with Mr Abhijith P., a full time research scholar in the department. He began by introducing the Modern Language Association and its necessity to the students. With examples, Abhijith introduced the citation methods for different sources such as books, journals and online articles. The MLA 9th edition format and its various modalities were introduced. Abhijith asked the students to be aware of the differences in the citation methods between MLA 8th and 9th edition. The session was structured to be an interactive session, and he gave small tasks to students on writing a perfect citation through examples that they are familiar with.

Session 2: 14.10.2022

Correlation, Bhakti and Early Modernity in India

Speaker- Umar N

The second session of the Research Scholar's Lecture Series was held on 14.10.2022. The resource person was Dr Umar N, Assistant Professor, Government College for Women, Thiruvananthapuram. Dr Umar had worked on the discipline of Bhakti Studies in India and

explained how the notion of Bhakti has acquired nationalist and authoritarian meanings in the present global context. He also pointed out the background conflict between the Shaivites and the Vaishnavites in the recently released Tamil movie, Ponnian Selvan. He gave examples from the Hindu literary traditions in South India about geographical and cultural tension that had a history of centuries. This session witnessed interesting discussions on the Advaita philosophy and the role of women, especially the likes of Meera Bhai in the Bhakti movement. Dr Umar was happy to talk with the faculty of the department and answered queries while stressing the importance of situating Bhakti as a tool of empowerment which institutionalized religion had denied to many people. The session was presided over by the Head of the Department, Dr Rekha Karim and the research coordinator Dr Smitha M.

Session 3: 19.12.2022

Plurality of Memory: A Conceptual Study

Speaker- Lakshmi K. Babu

The third session of the Research Scholar's Lecture Series was held on 19.12.2022. The resource person was Lakshmi K. Babu who is a research scholar in the Department of English, St Xavier's College for Women, Aluva. She began the session by addressing how memory play an important role in our lives, by giving examples from various professions such as law, architecture and politics. The discipline of Memory Studies sees the position of Memory as an agent of political change and positive transformation. Lakshmi introduced the work of Annie Ernoux, who adopts a style of clinical description of memory, giving rise to an in-between genre of novels and traditional memoirs. She also commented upon the works of Svetlana Alexievich, nobel laureate in literature, which focuses on the relationship between memory and trauma in works such as *A Chernobyl Prayer*, *The Unwomanly face of War* etc. The session showed good responses from the participants whose questions ranged from situating memory and trauma in the Indian subcontinent to the methodological concerns while undertaking research in Memory Studies. Lakshmi also provided insights into organizations like the Memory Studies Association and the Frankfurt Memory Studies Platform. The session was presided over by the Head of the Department, Dr Rekha Karim and the research coordinator Dr Smitha M.

Session 4: 31.01.2023

Queenship Studies- Past, Present and Future

Speaker- Annie Treesa Joseph

The third session of the Research Scholar Lecture series, *Queenship Studies: Past, Present and Future* was held offline in the Maharajas College Campus on 31.01.2023. The speaker was Ms Annie Treesa Joseph, a Charles Wallace Fellow and full-time researcher at the Institute of English, University of Kerala. Through examples from popular media, she was

able to garner the attention of students and establish the importance of the private and public lives of monarchs and how their study could shed light on the socio-political environment in which they lived and the struggles for autonomy they had to endure. She also addressed questions about queens and changemakers and innovators, using real-life examples from the British and Indian contexts. Annie also gave a brief outline of the prestigious Charles Wallace Fellowship and how it helped her research in the UK. The session was presided over by Dr Rekha Karim, Head of the Department of English and Research Coordinator, Dr Smitha M.

Session 5: 28.2.2023

Health Humanities: Discipline and Discourse

Speaker- Chinmay Murali

The Research Forum in association with the IQAC organized a session as part of the lecture series conducted for research scholars. Research Co-ordinator Dr. Smitha M. arranged the platform for the lecture series and it was organized and hosted by Rajasree R., part-time research scholar. The keynote speaker was Dr Chinmay Murali, Assistant Professor, Department of English, Sanatana Dharma College, Alappuzha. The lecture was conducted on 28th February at 8 p.m. via Google Meet. The meeting was scheduled in Google calendar and the link invite was shared to all the research scholars. The brochure was shared to other colleges too. Dr Chinmay's talk was on "Health Humanities: Discipline and Discourse". Being an emerging area in research, most of the researchers are confused with the terms and use Health Humanities and Medical Humanities interchangeably. But Dr Chinmay deftly traced the origins of the discipline of Health Humanities and the major keywords of the discipline. Main research areas and themes of the area were discussed. He introduced the various international research centres and journals related to this area. Above sixty participants attended the lecture and the lecture concluded with a very vibrant interactive session. Topical matters including the COVID pandemic and India's milieu for such a Humanities department were all discussed. The lecture and discussion ended by 9.20 p.m.

Session 6: 27.04.2023

Digital Humanities: The Rise of Artificial Intelligence - Tools and Practice

Speaker- J.S. Anantha Krishnan

The Research Scholar's Lecture Series is a series of lectures organized by the Research Scholars of the Department of English at Maharaja's College, Ernakulam in collaboration with the IQAC. The lecture series has become a popular platform for researchers, students, and scholars to exchange ideas, learn and stay updated on the latest trends and developments in various fields.

The sixth session of the series was on '0Digital Humanities: The Rise of Artificial Intelligence - Tools and Practice,' held virtually on 27.04.2023, from 8:00-9:00 PM. The keynote

speaker for the session was Mr. J.S. Anantha Krishnan, a writer, translator, and Senior Research Fellow at Sree Sankaracharya University, Kalady. He shared his extensive knowledge on the latest trends in Artificial Intelligence and its application in various fields, including Art, Literature, and Teaching. During the interactive session, he provided insights into the rapid developments in Artificial Intelligence, highlighting how the technology is constantly evolving and expanding. He touched on various aspects of Artificial Intelligence, including its history, current status, and future possibilities. The session was presided over by Dr. Rekha Karim, the Head of the Department of English and Research Coordinator, and Dr. Smitha M.

Session 7:

Aesthetics of Geography and Space: Geo-spatial Imaginary in Literature and Art

Speaker- Ms. Harsha Vincent

The seventh session of the series on the topic 'Aesthetics of Geography and Space: Geo-spatial Imaginary in Literature and Art' was conducted on 26th May 2023 at 7 pm. The speaker of the session was Ms. Harsha Vincent, Senior Research Fellow, Department of English, Mar Thomas College, Tiruvalla. She enlightened the audience with her knowledge on the area focusing on its application in art, literature and cinema. Prominent examples from art forms, literature and movies across the world were chosen for establishing ideas. The session was remarkable for the lively participation from audience. The lecture was presided over by Dr. Rekha Karim, Head of the Department of English and Research Coordinator, and Dr. Smitha M.

Literary Association

The English Literary Association has played a pivotal role in inspiring and motivating the young minds in the department to engage in challenging and enriching endeavors. With its unwavering support, the association has encouraged the students of the English department to participate in a wide range of academic and non-academic activities. As a result of their dedication and the nurturing environment fostered by the association, the students have excelled and brought immense pride to the department during the last Mahatma Gandhi University Kalolsavam.

The association's efforts have yielded remarkable achievements, with many of our talented students winning prestigious accolades in diverse fields. Their exceptional skills and talents were showcased through their remarkable performances in singing, dancing, essay writing, and poetry recitation, among other events. These achievements not only highlight the students' individual talents but also reflect the commitment and guidance provided by the association's coordinator, Dr. Sabitha S Babu.

In their pursuit of excellence, Dr. Sabitha S Babu received invaluable assistance and guidance from the esteemed Head of the department, Dr. Rekha Karim, and other dedicated colleagues. Their collective efforts have nurtured a culture of excellence and provided the

necessary support to the students, enabling them to reach new heights of success. The success achieved by the English department students in various competitions is a testament to the collaborative and nurturing environment fostered by the English Literary Association. By encouraging participation and providing a platform for students to showcase their talents, the association has not only fostered personal growth but also strengthened the department's reputation within the university and beyond.

Moving forward, the English Literary Association remains committed to empowering and inspiring young minds, nurturing their passion for literature and language, and guiding them towards further accomplishments. Through their continued dedication and support, the association, along with the department's esteemed faculty, will continue to shape the future of English studies and produce well-rounded individuals who can contribute meaningfully to society.

Bibliographos

The English Association celebrated Reading Day (June 19) with great enthusiasm and organized a captivating lecture by Mr. N E Sudheer, a distinguished columnist from The Indian Express. The event took place in the English Main Hall, creating an atmosphere of excitement and anticipation among the students.

Mr. Sudheer's lecture opened up new horizons for our students as he chose a relevant and thought-provoking topic for discussion. He shed light on the new technological dimensions of reading and enlightened the students about the numerous innovative reading practices available in today's society. His insights provided a fresh perspective and sparked a sense of curiosity among the attendees. The chief guest captivated the attention of the students by sharing famous quotations from renowned writers and texts. His selection of canonical texts and illustrations showcased his extensive knowledge in the field of literature, particularly English literature. Notably, he seamlessly incorporated poetic instances from both Malayalam and Hindi literature, making the session inclusive and diverse. The students were highly engaged, actively seeking clarification and eager to have their doubts cleared by this erudite personality.

The lecture became even more informative as Mr. Sudheer shared the fundamental skills required in the field of journalism. He defined journalism as the activity of gathering, assessing, creating, and presenting news and information. Mr. Sudheer highlighted the distinguishing characteristics and practices that set journalism apart from other activities. His insights provided valuable insights into the field, inspiring students who aspire to pursue a career in journalism. The meeting was presided over by Dr. Suja T V, the head of the department, who provided guidance and support throughout the event. Dr. Sabitha S Babu, the association secretary, delivered the vote of thanks, expressing gratitude to Mr. Sudheer for his enlightening lecture and to all those who contributed to the success of the event.

The Reading Day celebration organized by the English Association was a resounding success, leaving a lasting impact on the students. The event not only encouraged a love for reading but also exposed the students to the evolving landscape of literature and the field of journalism. The association's dedication to promoting literary activities and providing

valuable learning opportunities demonstrates its commitment to nurturing the intellectual growth of the students.

Celebrating hundred years of The Wasteland

The Department of English organized a significant event to commemorate the hundredth anniversary of the epoch-making poem, "The Waste Land." The event took place on a Friday forenoon, 08 July, and aimed to honor the publication of this renowned work that marked the onset of modernism in English literature. Dr. Varghese C Abraham, one of our esteemed retired faculty members, had the honor of inaugurating the program. The Head of the Department, Dr. Suja T V, who was a former student of Dr. Abraham, presided over the event. The vote of thanks was delivered by Unnimaya, a dedicated student pursuing her Second M.A.

The audience consisted of esteemed teachers, current and former students, and research scholars from the English department, making the gathering inclusive and diverse. The venue chosen for this special occasion was our postgraduate classroom, which held sentimental value as it was the very room where Dr. Varghese C Abraham had conducted classes on the same poem years ago.

Dr. Abraham delivered an enlightening lecture on the theme of "the heap of broken images" in 'The Waste Land.' He captivated the students' attention by delving into the biography of T.S. Eliot, discussing his classical approach to literature, exploring the sources of the poem, and highlighting the influence of classical and ancient mythology. By connecting the degenerated state of affairs in Europe with the contemporary decadent society, Dr. Abraham vividly portrayed the characters and their debauchery, as if unfolding within the four walls of the classroom. The lecture emphasized the significance of classical mythology and the profound impact of "the fire sermon" in bringing about a peaceful atmosphere symbolized by the chant of "Shantih Shantih Shantih" amid the modern, dissipated, and morally corrupted society.

During the question-answer session, the students eagerly engaged with Dr. Abraham, seeking clarification and expressing their concerns about moralistic and ethical values in the modern generation. The lecture not only illuminated the students' understanding of English literature but also introduced them to various cultural theories and diverse approaches to the interpretation of literature.

The observation of the hundred years of "The Waste Land" proved to be an enlightening and enriching experience for all those in attendance. Dr. Abraham's profound insights, coupled with his passion for the subject, left a lasting impact on the students' minds. The event not only celebrated the significance of this influential poem but also fostered a deeper appreciation for literature and its diverse interpretations. The Department of English continues to inspire and guide students in their academic pursuits, providing them with valuable opportunities to explore and engage with literary works of immense significance.

Delicias 2022

The department organized "DELICIAS 2022" to commemorate World Food Day on 14th October 2022. The event took place in the English Main Hall from 12 pm to 2 pm, creating a vibrant atmosphere filled with culinary delights. The program was inaugurated by Dr. V S Joy, the esteemed Principal of Maharaja's College, who graced the occasion with his presence. The event was further enhanced by the felicitation of Dr. M S Murali, the PTA secretary, and Dr. Suja T V, a governing council member, who added their valuable contributions. Under the coordination of the Literary Association Secretary, Dr. Sabitha S Babu, the program aimed to remind the audience of the essential role that food plays in their lives.

Through a series of engaging events, participants had the opportunity to explore and experience a variety of dishes and cuisines, celebrating the diversity and richness of culinary traditions. "DELICIAS 2022" created an engaging platform for food enthusiasts and showcased the importance of food as more than just sustenance. It served as a reminder of the cultural significance attached to different cuisines, fostering an appreciation for the culinary arts and encouraging students to explore the world of flavours.

The event received enthusiastic participation from students, faculty, and staff, creating an inclusive and celebratory ambiance. The delightful assortment of dishes and the engaging activities organized throughout the program added a sense of excitement and enjoyment to the occasion. Overall, "DELICIAS 2022" successfully highlighted the importance of food in our lives and provided a platform for cultural exchange and appreciation. The department's commitment to organizing such engaging events showcases its dedication to nurturing holistic development and celebrating the rich diversity within the student community.

Video Campaign

As part of their academic engagement, second-year undergraduate students enthusiastically created videos exploring various dimensions of food and its influence on society. These videos delved into topics such as healthy recipes, the portrayal of food in film, the representation of food in literature, and the intersection of food and gender. The video series commenced with a presentation by Dr. Suja T V and her research scholar, Niranjana Marian George, where they explored the critical discourse surrounding food and gender. The presentation shed light on how food-related topics are portrayed in films and the influential role of advertisements in perpetuating gender stereotypes. By addressing these aspects, the program successfully fostered gender sensitivity and awareness among the students. The students gained insights into the ways in which films and advertisements shape societal eating habits, as well as reinforce traditional gender roles. It highlighted the need to critically examine and challenge misrepresentations that perpetuate stereotypes and limit individual expression.

The videos featured contributions from several students, each bringing their unique perspectives to the discourse. Vipanchika V, Gayathry Rajeev, Nandana CS, and Athulya shared easy-to-make, healthy food recipes, emphasizing the importance of nutritious choices. Sreya T V and Mariam John Voise explored the portrayal of food in literature, offering thoughtful insights into its symbolic significance and cultural representations. Furthermore, the video series delved into the realm of advertisements, drawing attention to sexist food

marketing campaigns. Joyal skillfully narrated this segment, critically analyzing the messages conveyed and the implications they have on societal norms and perceptions.

The program successfully provided a platform for students to delve into thought-provoking discussions surrounding food, gender, and representation. Through their videos, the students showcased their creativity, research skills, and ability to analyze complex topics. The insightful exploration of these themes raised awareness about the influence of media and advertising on our perceptions and consumption patterns. It encouraged viewers to reflect on their own food choices and challenged them to actively engage in dismantling harmful stereotypes. The efforts of the students, coupled with the guidance and support of Dr. Suja T V, have undoubtedly contributed to fostering a more informed and inclusive understanding of food-related topics. The program's emphasis on critical thinking, gender sensitivity, and the promotion of healthy food practices serves as a testament to the department's commitment to holistic education and empowering its students with relevant knowledge and skills.

Anti-Drug Wall and Flash Mob

The next program organized by the association exemplifies the social commitment of our esteemed teachers and dedicated students. In collaboration with the Internal Quality Assurance Cell (IQAC) of Maharaja's College Ernakulam, the English Literary Association organized the 'Anti-Drug Wall and Flash Mob' event on Friday, 21st October 2022. This event aligns with the Kerala State Government's Anti-drug campaign, 'No to Drug', emphasizing the vital role that government institutions play in raising awareness about the pressing issue of drug abuse in contemporary society, especially among the youth.

The primary focus of the program was to project illicit drugs as a significant threat to society as a whole, with a particular emphasis on the detrimental impact on young individuals. By joining hands with the college-level committees, the English department took this initiative to promote the welfare of students on campus and contribute to the larger anti-drug campaign. The event comprised several engaging activities, including flash mob, slogan writing, and cartooning. During the forenoon session from 10:30 am to 12:00 pm, poster-making and cartooning competitions were held, allowing students to express their creativity and raise awareness about the harmful effects of drugs. At 1:30 pm, students from the English department mesmerized the crowd with a captivating Flash Mob performance in the college premises and at the centre circle.

Dr. Suja T V delivered a short yet impactful speech highlighting the grave consequences of drug abuse. Student representatives, Sneha from the 1st MA and Arshitha from the Third BA, also addressed the audience, emphasizing the importance of staying away from drugs and the need to create a supportive environment for a drug-free campus. After the Flash Mob, students united to create an anti-drug wall, symbolizing their commitment to combatting drug abuse. The event concluded with a vote of thanks proposed by Dr. Sabitha S Babu, the English Literary Association Secretary, expressing gratitude to all the participants, organizers, and attendees for their active involvement and support. The program received commendation for its significant impact in raising awareness and promoting a drug-free society, thereby accomplishing its objectives in an impactful and meaningful manner.

International Women's Day

The English Literary Association organized an international program to commemorate International Women's Day on March 8th, 2023. Due to the prevailing circumstances, the program was conducted virtually, ensuring the safety and active participation of all. Such initiatives play a vital role in bridging gender gaps and fostering the empowerment of women and girls, driving transformative change not only within the department but also throughout the campus.

We had the privilege of welcoming one of our esteemed former students, Ms. Sreelakshmi P S, as the chief guest of honour for the event. Ms. Sreelakshmi, the first-rank holder of the PG English batch for the academic year 2022-2023, has garnered recognition through paper publications. Additionally, she is a distinguished recipient of the Global Korean Scholarship 2022, currently pursuing her research as a scholar in the Department of English Linguistics and Language at Kyung Hee University in Seoul, South Korea.

Presiding over the meeting was Dr. Priya Jose K. whose guidance and leadership have been invaluable. The program witnessed active participation from students across various departments and union members, highlighting the collective commitment to fostering gender equality and women's empowerment. The vote of thanks was delivered by Dr. Sabitha S Babu, the Secretary of the English Literary Association, expressing gratitude to all the participants and organizers. During the program, Ms. Sreelakshmi presented an enlightening paper on Gender Studies, shedding light on crucial aspects and current perspectives in the field. Moreover, she provided valuable insights into the application process for foreign scholarships, sharing both the necessary formalities and practical challenges involved in pursuing such opportunities. With her inspiring words, she encouraged the present students to explore and apply for foreign scholarships, igniting their aspirations and motivating them to pursue their dreams on an international platform.

The program proved to be a resounding success, thanks to the active participation and enthusiasm of all involved. It served as a platform to celebrate and recognize the contributions of women, inspiring the audience to strive for excellence, embrace opportunities, and soar to new heights. The event left a lasting impact, fostering a sense of empowerment and determination among the attendees, fueling the collective pursuit of gender equality and women's empowerment within our department and beyond.

Books for a Cause

The Department of English firmly believes in extending its reach beyond the confines of academia and actively contributes to the dissemination of literary knowledge within society. One of the ways in which we engage with the community is through our involvement in grammar classes and related literary activities in nearby government schools. Our dedicated students take it upon themselves to enlighten the lower and upper primary students in these schools, fostering a reciprocal learning environment. This program is a vital part of our department's extension activities, where both our students and the young learners in the schools benefit from the exchange of knowledge and experiences.

In line with our commitment to serving society, our next endeavor was to contribute a significant number of books to S R V Government Higher Secondary School, located in close proximity to our institution. Led by the Head of the Department, Dr. Rekha Karim, and accompanied by the Literary Association Secretary, Dr. Sabitha S Babu, as well as teachers such as Prof. Minu Fathima, Dr. Deepthi T Divakaran, and Prof. Anoop C R, we visited the school to present them with the books. The collection included a diverse range of reading materials, encompassing encyclopedias, scientific books, fiction, poetry anthologies, dictionaries, and much more.

The students of S R V Government Higher Secondary School eagerly awaited our arrival, and their enthusiasm was palpable as we handed over the books. Selected students from our department, including Noufan from Second BA English, Fathima Zehra, Hishma Asya, and Krishna Hari from First BA English, accompanied the teachers and warmly interacted with the students of the school. The shared excitement and genuine interest on both sides illuminated the program, fostering a sense of joy and camaraderie. The teachers from both the school and our department were elated by this small yet impactful initiative, as it played a crucial role in catalyzing the reading habits of both college and school students. By engaging in such meaningful interactions and initiatives, our department strives to instill a love for literature and reading in the hearts of young learners. We firmly believe in the transformative power of books and the positive impact they can have on individuals and communities. Through this association program, we have not only contributed to the educational resources of S R V Government Higher Secondary School but also nurtured a spirit of camaraderie and a shared passion for learning. It is through such collaborative efforts that we envision a brighter future for all, one where the love for literature transcends boundaries and enriches lives.

Extension and outreach activities

a) Literati:

Literati: The Literary Exploration is a dynamic webinar series that emerges as a collaborative venture between the Department of English at Maharajas College and the Department of English at Government College, Tripunithura. This unique initiative aims to delve into the multifaceted dimensions of literature and literary studies, providing a platform for intellectual discourse and exploration. The series is meticulously coordinated by enthusiastic and driven students from both colleges, under the guidance of Dr. Rekha Karim from Maharajas and Dr. Niji C I from Government College, Tripunithura.

To cater for the diverse interests and facilitate in-depth discussions, Literati is divided into two cycles: the Summer Cycle and the Monsoon Cycle. These cycles ensure a continuous flow of engaging content throughout the academic year, fostering a vibrant literary community within the participating colleges. In the 2022-2023 webinar series session, Literati successfully organized and conducted four captivating talks, featuring eminent personalities from the realm of literature. These distinguished speakers brought their expertise, insights, and experiences to the virtual stage, captivating the audience and enriching their understanding of various literary subjects.

The talks covered a wide range of themes and topics, ranging from classic literature to contemporary trends, literary criticism to cultural studies, and everything in between. Each talk was thoughtfully curated to cater to the interests of literature enthusiasts, scholars, and students, fostering a love for literature and encouraging critical thinking within the academic community. The success of the webinar series is a testament to the dedication, hard work, and vision of the students, faculty members, and coordinators involved. It has become a prominent platform for literary enthusiasts to come together, exchange ideas, and explore the vast and fascinating world of literature.

As Literati continues to evolve and grow, it remains committed to promoting literary exploration, nurturing a passion for literature, and fostering a community of like-minded individuals who appreciate and celebrate the transformative power of words. The upcoming sessions promise to bring more insightful talks, captivating discussions, and literary discoveries, further enriching the literary landscape within the participating colleges and beyond.

Monsoon Cycle

1) On 28th November 2022, Dr. Sayan Dey, a Postdoctoral Fellow at the WITS Centre for Diversity Studies, University of Witwatersrand, delivered an insightful talk titled 'Transoceanic Culinaryscapes: A Study of the Creole Culinary Connections between India and South Africa. The objective of the seminar was to explore the culinary connections that have emerged between India and South Africa, specifically focusing on the Creole culinary traditions. Dr. Dey aimed to shed light on the historical, cultural, and social factors that have influenced the development of these culinaryscapes.

Dr. Dey commenced the seminar by providing an overview of the research topic, highlighting the significance of investigating the Creole culinary connections between India and South Africa. The presentation delved into the historical context of the Indian diaspora in South Africa, tracing back to the colonial era and the indentured labour system. Dr. Dey emphasized the cultural exchange and fusion that occurred between Indian and South African culinary traditions, resulting in the emergence of unique Creole cuisines. The seminar further explored the ingredients, techniques, and flavors that characterize the Creole culinaryscapes in both India and South Africa. The speaker also showcased examples of popular Creole dishes, discussing their origins and the cultural meanings attached to them. The presentation highlighted the significance of food as a cultural marker and explored how Creole cuisine has become a part of the multicultural fabric of South African society. Dr. Dey concluded the seminar by discussing the implications of his research, including the preservation of culinary heritage, the role of food in shaping cultural identity, and the potential for culinary tourism.

The presentation provided valuable insights into the historical and cultural dimensions of the Creole culinary traditions in both countries. The seminar deepened our understanding of the complex interactions and influences that shape culinary identities, while highlighting the significance of preserving and celebrating these unique culinaryscapes.

2) On 9th December 2022, Dr. Swetha Antony, an Assistant Professor at the Faculty of Arts, University of Delhi, delivered an engaging seminar titled 'Beyond the Metaphorical of Consumption: A study of the Representation of Food in Contemporary World Poetry.' The objective of the seminar was to explore the representation of food in contemporary world poetry, moving beyond its metaphorical significance and delving into its multifaceted roles as a cultural symbol, source of inspiration, and expression of identity.

Dr. Antony began the seminar by introducing the topic and emphasizing the need to analyze the representation of food in contemporary poetry beyond its metaphorical implications. The presentation delved into the cultural, social, and historical contexts that influence the portrayal of food in poetry, showcasing examples from diverse literary traditions around the world. Dr. Antony highlighted the ways in which poets use food imagery to evoke sensory experiences, trigger memories, and create vivid and visceral connections with readers. The seminar explored the symbolic meanings attached to food in poetry, such as its association with cultural heritage, rituals, social dynamics, and political commentary. Dr. Antony discussed how food acts as a catalyst for exploring themes of identity, nostalgia, desire, power dynamics, and socio-economic issues in contemporary world poetry. The presentation examined the intersection of food, memory, and personal narratives, showcasing how poets use food as a means of self-expression and introspection. Dr. Antony analyzed specific poems and poets, offering critical insights into their use of food imagery, metaphors, and literary techniques to convey nuanced meanings. The seminar concluded with a discussion on the broader implications of studying food in poetry, including its role in cultural preservation, intercultural dialogue, and fostering a deeper understanding of diverse worldviews.

Dr. Swetha Antony's talk provided a thought-provoking exploration of the multifaceted representation of food in poetry. By moving beyond its metaphorical associations, the seminar shed light on the cultural, symbolic, and sensory dimensions of food in contemporary literary expressions. Dr. Antony's analysis of specific poems and poets illuminated the rich tapestry of meanings embedded in food imagery, while emphasizing its role in shaping cultural identities and facilitating intercultural dialogue.

Summer Cycle

The summer cycle of the webinar series was organized in the months spanning between January and March, 2023. It concluded with a total of two lectures. The talks were held by talented resource persons from across India. The platform used for conducting the sessions was Google meet. The sessions were also live-streamed via Facebook. All the webinars were scheduled for 7:00 pm. The sessions were of one hour durations, followed by an engaging interactive session with the resource person. The sessions were attended by students, faculties and other scholars from different institutions.

1. On 24th January 2023, Ms. Kaikasi V.S., Assistant Professor of English at University College, Thiruvananthapuram, delivered an insightful talk titled 'Popular Culture and Literature.' The seminar sought to explore the relationship between popular culture and

literature, examining how popular culture influences literary works and the ways in which literature reflects and engages with the popular culture of its time.

Ms. Kaikasi V.S. began the seminar by introducing the topic and highlighting the significance of popular culture as a dynamic force that shapes contemporary society. The presentation delved into the intersections between popular culture and literature, discussing how popular culture influences literary themes, genres, and writing styles. Ms. Kaikasi V.S. explored the ways in which literature engages with popular culture, examining how authors incorporate elements such as music, film, fashion, and social media into their works.

The seminar discussed the impact of popular culture on literary reception, analyzing how readers' familiarity with popular culture references enhances their engagement with literary texts. Ms. Kaikasi V.S. highlighted examples of popular culture phenomena that have influenced literature, including the rise of dystopian fiction, fan fiction, and adaptations of literary works into various media forms. The presentation also addressed the role of literature in critiquing and reflecting upon popular culture, exploring how authors use their works to comment on societal trends and issues. Ms. Kaikasi V.S. examined the challenges and opportunities presented by the incorporation of popular culture in literature, considering questions of authenticity, relevance, and cultural representation. The seminar concluded with a discussion on the future of popular culture and literature, considering the evolving relationship between the two and the potential impact of emerging trends on literary works.

The event provided a comprehensive exploration of the dynamic relationship between these two realms. The seminar illuminated the ways in which popular culture influences and interacts with literature, shedding light on the various ways authors engage with and respond to contemporary cultural phenomena. By analysing specific examples and discussing the challenges and opportunities presented by this relationship, the seminar deepened our understanding of the intricate connections between popular culture and literature. This seminar contributes to the field of literary studies, encouraging further exploration and critical examination of the impact of popular culture on literary works and vice versa.

2. On 2nd March 2023, Dr. Rangarajan Gopalakrishnan, former Professor and Head of the Department of English at Maharaja's College, Ernakulam, conducted an enlightening seminar on the topic of 'Hard/Soft skills: Capacity building for engaging an audience.' The objective of the seminar was to explore the importance of both hard and soft skills in effectively engaging an audience. Dr. Gopalakrishnan aimed to provide insights and strategies for capacity building in order to enhance audience engagement in various professional and personal contexts.

Dr. Gopalakrishnan commenced the seminar by introducing the topic and highlighting the significance of both hard and soft skills in communication and audience engagement. The presentation delved into the distinction between hard skills (technical or specialized knowledge) and soft skills (interpersonal and communication abilities) and emphasized the need for a balanced combination of both for effective engagement. Dr. Gopalakrishnan discussed various hard skills relevant to audience engagement, such as content expertise, presentation techniques, multimedia utilization, and utilizing relevant technology. The

seminar also explored the importance of soft skills, including active listening, empathy, effective storytelling, non-verbal communication, and adaptability to diverse audiences. Strategies for capacity building in both hard and soft skills were presented, including continuous learning, practice, seeking feedback, and professional development opportunities.

Dr. Gopalakrishnan provided practical examples and case studies to illustrate the application of hard and soft skills in engaging audiences in different domains, such as academia, business, and public speaking. The presentation emphasized the significance of audience analysis, understanding their needs and expectations, and tailoring the communication approach accordingly. The seminar concluded with a discussion on the potential impact of enhanced audience engagement, including building rapport, influencing and inspiring others, and fostering meaningful connections.

Dr. Rangarajan Gopalakrishnan's seminar on 'Hard/Soft skills: Capacity building for engaging an audience' offered valuable insights into the importance of developing a balanced set of hard and soft skills to effectively engage an audience. The seminar provided practical strategies and examples to enhance audience engagement in various professional and personal settings. By emphasizing the significance of continuous learning and practicing both hard and soft skills, Dr. Gopalakrishnan's seminar encourages individuals to invest in their capacity building for improved communication and audience interaction. This seminar contributes to the field of communication studies and professional development, empowering participants to become more skilled and engaging communicators in their respective fields.

b) School Teaching

The Department of English organised a series of interactive sessions aimed at students of classes 1 to 4 at Government Lower Primary School, Ernakulam. These sessions, scheduled for 10 days, took on the following dates: November 18th and 25th, December 9th, 16th and 23rd (2022), January 6th and 20th, and February 2nd and 24th in the year 2023. The objective of these sessions is to provide valuable learning experiences and enhance the English language skills of the students. The resource group, consisting of students and teachers from the Department of English actively engaged with the young learners, fostering an environment of collaboration and knowledge-sharing. Through this initiative, we aimed to inspire a love for English language, promoting a lifelong passion for learning.

In our program, we adopted the principles of cognitive constructivism as a foundation for our teaching methods. We emphasized embedded learning, which involves integrating new knowledge into the students' existing understanding to promote meaningful learning experiences. To facilitate this, we created lifelike situations where students could apply their language skills in practical contexts, enhancing their comprehension and communication abilities. We also encouraged free interaction among students, fostering a supportive and collaborative learning environment. Additionally, we prepared supplementary materials to complement the curriculum and provided additional resources for the students' learning journey. By incorporating these methods, we sought to create an engaging and

effective learning environment that promotes active participation and deeper understanding of the English language.

The program covered various areas and items essential for developing English language proficiency. We focussed on teaching students how to express their wishes and greetings to others, enabling them to communicate effectively in social settings. Additionally, we guided them in introducing themselves confidently, allowing them to establish connections and initiate conversations. Describing simple objects and familiar situations was another crucial aspect we covered, helping students expand their vocabulary and express themselves accurately. We also delved into kinship terms, enabling students to talk about their family members and relationships. Storytelling exercises were meant to foster creativity and language skills as students learn to craft narratives. The program also emphasized assembling narratives from hints, honing their comprehension and critical thinking abilities. Reading and speaking activities were offered with a view to enhancing both their reading comprehension and oral communication skills. Lastly, role-play exercises provided students with opportunities to practice English in simulated real-life situations. Through these comprehensive areas and items, we aim to equip students with the necessary language skills to confidently navigate everyday conversations and express themselves fluently in English.

We appreciate the valuable feedback and suggestions provided to enhance our program. To address the need for more time and resources, we will allocate additional time for each session and consider involving more personnel to ensure effective implementation. Integration of ICT (Information and Communication Technology) will be a priority to leverage digital tools and resources, making the learning experience more engaging and interactive. We acknowledge the effectiveness of group-based activities and will emphasize their incorporation into the program, as they foster collaboration, communication, and peer learning. Ensuring continuity is crucial, and we will establish a structured framework that promotes regular sessions to maintain progress and build upon previous learning. Furthermore, we will expand the scope by creating wider situations, enabling students to apply their language skills in diverse and realistic contexts. With these improvements, we strive to create a dynamic and inclusive learning environment that maximizes student engagement and language acquisition.

PTA meetings

a) The III B.A. class Parent-Teacher Association (PTA) meeting was conducted on October 2022 at 7 PM through the virtual platform of Google Meet. The meeting served as an important platform for communication and collaboration between the parents and teachers involved in the students' academic journey. A total of 25 parents actively participated in the PTA meeting, alongside 15 teachers who were present to address the concerns and queries raised by the parents. The meeting focused on discussing the scholastic and academic progress

of the students, aiming to provide a comprehensive understanding of their overall development.

During the PTA meeting, both parents and teachers were given an opportunity to share their thoughts, concerns, and suggestions regarding the students' academic performance. The teachers, equipped with their expertise and experience, responded to the questions raised by parents, providing valuable insights and guidance. One of the key aspects emphasized by the teachers during the meeting was the importance of higher education and its role in enhancing the students' employability. They highlighted the need for continuous learning and acquiring relevant skills that would equip the students to succeed in their future careers. The teachers encouraged parents to actively support and motivate their children to pursue higher education and explore various career opportunities.

The PTA meeting served as a platform for the teachers to discuss strategies and initiatives aimed at improving the students' academic performance. They shared innovative teaching methodologies, study techniques, and resources that could be beneficial to the students' learning journey. The interactive and collaborative nature of the PTA meeting fostered a strong partnership between the parents and teachers, ensuring that both parties were actively involved in the students' educational growth. The meeting concluded with a renewed commitment from all stakeholders to work together to provide the best possible education and support for the III B.A. class students.

Hunger Free Campus

The Hunger Free Campus program, initiated by the government of Kerala, was implemented with the aim of ensuring that college students do not suffer from a lack of midday meals. The program was effectively overseen by the department, with Anoop C.R. serving as the teacher coordinator. The program spanned the last three months of the academic year, during which a total of 516 food packets were distributed among the students. Each food packet was priced at Rs. 40. To make the meals affordable for the students, the government provided a subsidy, covering 75% of the cost. The remaining amount, ten rupees per packet, was funded by the department.

The Hunger Free Campus program was met with great success, ensuring that students had access to nutritious meals during their college hours. This initiative aimed to alleviate the financial burden on students and promote their overall well-being. Looking ahead, preparations for the upcoming year's program have already been completed, with the necessary arrangements made to continue providing midday meals to college students. The students have been intimated about the continuation of the program, assuring them of consistent support in combating hunger on campus. The program stands as a testament to the government's commitment to the welfare of college students, addressing their basic needs and enabling them to focus on their education without hunger-related challenges. By prioritizing the provision of midday meals, the program not only supports the students' physical health but also contributes to their academic success and overall development.

f. Geology

As part of MSc Geology programme, the department has continued to be actively involved in a variety of endeavors to foster geology among the younger generation also to develop passion for Earth Science. Syllabus has been revised the basis of program specific outcome pattern. From 13/10/22 to 15/10/22, II sem geology students went for a field study programme as a part of their curriculum. The field study covering areas of Kollam and Varkalai of Thiruvananthapuram district also had done institutional visit in IREL kollam and NCESS Thiruvananthapuram. Unlike last year, first year practical exam was conducted in the department itself. Last year practical exam was conducted in Christ College, Irinjalakuda, Thrissur due to limited lab facilities in our department. Parent Teachers meeting of the I& II sem students has been conducted on 01/12/22. Main agenda was to discuss the results of the students, also to get feedback from the parents regarding the course. A good feedback was obtained from the parents. IV sem students were selected in CUSAT, School of Marine Science Campus, Kochi and Government college Kottayam, Nattakom, for completing their academic project to fulfill the curriculum.

g. Hindi

PG & Research Department of Hindi, Maharaja's College is an esteemed one in Kerala. Hence the Govt. of Kerala has declared the Department as Centre of Excellence. The Department provides both U.G. and P.G Courses in Hindi. Faculties in Hindi Department for the year 2022-2023 are

1. Dr. Madhu Vasudevan (Associate Professor)
2. Dr. Jayaprabha C.S (Associate Professor)
3. Dr. Anjali S (HoD & Assistant Professor)
4. Dr. Sindhu G Nair (Associate Professor)
5. Dr. Bindu M.G (Associate Professor)
6. Dr. Anitha. P.L (Assistant Professor)
7. Dr. Bindu A. K (relieved from duty of the Dept. on 15.09.2022 & joined as Associate Professor, Dept. of Hindi, CUSAT)
8. Dr. Reenakumari. V.L (Assistant Professor)
9. Dr. Radhamani. C (Assistant Professor)
10. Dr. Saji. R. Kurup (Assistant Professor)
11. Ms. Sruthimol. K. S (Assistant Professor)

In the Academic Year 2022-2023 our Students status were, 122 students in UG and 45 students in PG and almost 425 students from other departments selected Hindi as additional language. BA Hindi Syllabus was restructured on 27th November 2019 and the Department has implemented the re-structured syllabus from 2020 UG Admission. MA Hindi was restructured in 2022, and implemented the same from this academic year. Internal assessment is conducted through 2 Test Papers and Seminars, Internal and external Viva-voce examinations are conducted in the final semesters after the examinations. During syllabus revision, the Dept. of Hindi has implemented various remedial measures to improve the result

of both PG & UG courses. We conducted PTA Meetings for each class. Overall performance of the students has been rated good.

Eight rooms are allotted to Dept of Hindi. This include HOD Room, Staff Room, Two Classes for PG - II MA (No. 38), I MA(No. 39), Three classes for UG- III BA (No. 106), II BA (No. 102) I BA (No. 40). Among these, Room No. 40 is a smart class room with Smart Board and LCD. Projector. One room has also been allotted for Research scholars. Department of Hindi, Maharajas' College is one of the leading centres of research in Hindi, in South India . It has produced 25 Ph.Ds' so far. At present, there are twelve Supervising Guides. 52 Research Scholars are engaged in this department at different levels of their research work, among them 12 are part time scholars and 40 are full-time research scholars. Among the 14 supervising guides, seven are from the Hindi department of the College.

In the Academic Year 2022-2023, one research scholar had completed the Pre-submission Seminar through Online mode. Every year the Department organizes various programmes to promote research activities. The 'Premchand Jayanthi' is celebrated by the Department every year. Dr. Radhamani. C and Dr. Anjali. S were the coordinators for this year's Premchand Jayanthi Samaroh. Hindi Professor (Dr.) K. Sreelatha, HoD of Hindi, Sree Sankaracharya Sanskrit University was the resource person. Even though the department had made all the arrangement for an offline lecture commemorating the contributions of Premchand to the Indian literature, it was conducted through online mode due to the unexpected declaration of holiday by the District Collector. A Hand written magazine based on the works of Premchand was released in which many of our UG/ PG students and research scholars had expressed their views on Premchand Sahithy. Poster exhibition based on the life and works of Premchand was another contribution by our students. The Department of Hindi celebrated Azadi ka Amrut Mahotsav on 26 January. Dr Deepak K.R, Assistant Professor, Dept. of Hindi, Kerala University was the key-note speaker for the session, on the topic -" Rashtr Nirman Mein Hindi Bhasha Aur Sahithy ki Bhoomika". Dr Anjali S was the Co Ordinator of the programme.

Hindi Pakhwada (Hindi Fortnight) was celebrated with varieties of academic sessions and programs by the Dept. of Hindi. The Hindi Day was Inaugurated by Prof. (Dr.) K. Vanaja, former Head and Dean of faculties, CUSAT. She has presented a detailed analysis of the Booker International Prize winning novel "RET SAMADHI"(Tomb of Sand) by the famous Hindi author Geetanjali Sree for the entire college community. Various literary competitions were conducted for the students of the college as a part of the Hindi fortnight celebrations. Ms. Sruthi K.S co-ordinated the programme as a whole, while Dr. Saji R Kurup had Co-ordinated the Three days National Seminar on the topic "BhaneeshwarNath Renu-Aaj", which was organized from 28-30th September 2022 in association with 'Bharateeya Sahithya Pratishtan'- an academic, literary and cultural organization based in Cochin. Dr Rakesh 'Renu'- Eminent writer, critic and the Chief Editor of the famous Hindi journal "Aaj Kal" was the special guest for the Seminar. Nearly 50 research papers were presented by eminent academicians, scholars and students in different sessions. By the concluding session

of the 3 days seminar, the Hindi Fortnight celebrations came to an end. Students who performed well in the different competitions organized as a part of this celebrations were also appreciated in the validatory function.

Women's day was celebrated by the Dept. with a thought provoking and interesting lecture by Dr. Silvykutty, writer and retired Associate Professor of Malayalam, Maharaja's College, Ernakulam. Ms. Sruthy K.S was the Co ordinator. Bridge course was conducted after the completion of of UG admission. The objective of the 30 hours bridge course programme is to familiarise the newly admitted students to the curriculum and to the college. Ms Shruti. K.S, tutor of 1st Semester BA co-ordinated the programme.

Student's Outreach Programme was introduced in collaboration with the Government Girl's Higher Secondary School, Ernakulam this year, with the objective of bringing the academic excellence of the students to the common people of the society. Research scholars of the Department regularly visited the GGHSS and engaged extra classes for the students of the school, free of cost. Remedial classes for the students who find Hindi difficult was the main advantage of these sessions. Dedication and commitment of our research scholars were much appreciated by the school authorities. Dr Radhamani C was the Co ordinator of the Programme.

Value added course on "Translation and Communicative Hindi" was introduced by the Department of Hindi in this academic year. Students who aspire to be a translator were benefitted by the course. Dr Sindhu G Nair was the co ordinator of the Value added Course; all other faculty members engaged equal number of sessions in the 30 hrs programme. NET Coaching & Remedial Coaching classes also were conducted regularly by the faculties of the department. Dr Anitha P. L and Dr. Jayaprabha C.S were the co-ordinators of these programmes.

Research Scholar's Lecture Series was re-introduced by the Department of Hindi this year. It is organized every month with an intention of providing an opportunity to our research scholars to present their research findings as well as to get introduced to various topics. Dr. M. G. Bindu, Research co-ordinator of the Dept. took initiative for this programme. Hindi Department maintains a beautiful garden in the backyard of the college; which bagged the 3rd position in the garden making competition conducted by the "BHUMITRASENA" for the college. Efforts of Dr. Reenakumari. V. L, Department Coordinator of Bhumitrasena is highly appreciated in this context.

The Department of Hindi has signed an MoU with Bharateey Sahithya Pratishtan, a Kochi based academic, cultural and literary organization. In the coming years we are planning to conduct workshops, seminars and discussions utilizing the resource provided by this organization.

Three of our students - Ms. Amala Thomas, Ms. Telma Titus (Research Scholars) & Ms. Rameesa. C. U. (MA Hindi student 2020-22 batch) qualified the NET in the year 2023. Abdul Bazith, MA Hindi student of 2020-22 batch got selection in the IPL Rajasthan Royals Cricket team. We appreciate our students for their achievements both in Arts and Sports. 2 top scoring students of MA Hindi- 2020-22 batch Ms. Lakshmi K S & Ms Rameesa C. U were felicitated by the ' Rajbhasha Samman' by UCO Bank Cochin Regional office. Department is

doing translation of various documents as an extension activity charging only a nominal amount of Rs 300/- which is utilized for the miscellaneous expenditures of the Department, which can be considered as a service to the public.

In the academic year 2022-23, Internship for PG students was introduced for the first time. As Official Language implementation policy of the Central Government provides the maximum job opportunities for the UG & PG students of the Hindi Department, 18 students were provided internship opportunities in the Central government institutions/ undertakings like Central Marine Fisheries Research Institute (CMFRI- 5students), Coconut Board (6 students), Cochin Shipyard (3), BSNL(4). 4 students who aspire for a career in the field of Journalism are undergoing training in the Janmabhoomi Press, Kaloor. The Department is planning to include the internship programme as a PG syllabus which was revised last year, so that our students can be provided a minimum fund to meet expenses for the period of internship. Faculty members and research scholars have been publishing their valuable thinking and research findings in many leading and peer reviewed journals.

The Department of Hindi is planning to start more value added courses like translation practice, Communication skills in Hindi which will enhance the employability of students. Discussions are going on for the launching of a registered Alumni association of the Department of Hindi.

h. History

i. Islamic History

The Research Department of Islamic History was established in the year 1971 with B.A Degree course in Islamic History. Prof. C Umar was the founder head of the department. Graduation in Islamic History, blended with two complementary subjects; History and Political Science, covers all social science aspects related to the emergence of Islam as a world religion. Islamic History is the subject concerned with the political, cultural, social, economic and historical developments of the Islamic civilization. It explicates almost all spheres of Social Science whether it is Philosophy, Political science, economics, Gender Studies, or Sociology. This feature of Islamic History is extremely unique and divergent than any other Social Science subject. In 1980 it was upgraded to Post Graduate Department. The department has contributed a good number of teachers, civil servants, researchers, journalists, politicians etc. to the country. In 2019 department was elevated to Research Centre affiliated to M G University, Kottayam. Currently the department is providing BA, MA and Ph. D in Islamic History and following the Choice Based Credit Semester System (CBCSS).

There are 7 sanctioned posts in the department.

k. Mathematics

The Department was established in 1875 and the Under Graduate program in Mathematics started in 1931. From the year 1951, the Department started to offer the Master of Science programme in mathematics. The Department was elevated as a Research Centre under Mahatma Gandhi University, Kottayam in the year 2019.

The Department worked diligently to give its best to the institute and students. The Department performed well both in the academic and non-academic activities. After a long gap, the classes started in offline mode on the first of June. The department faculty members performed well, in all their assigned work and gave their whole-hearted support to various committees and clubs of the College.

Sanctioned Posts in the Department:8(Eight)

Filled Posts in the Department:8(Eight)

Number of permanent faculty: 8(Eight)

Details of Faculty in the Department

At the beginning of the academic year, Dr. Bloomy Joseph and Ms. Jaya Augustine transferred to their requested places. Dr. Pravas K from K.K.T.M College, Pullut, and Dr. Balakrishnan R from Government College, Kattappana, joined the department.

Sl No	Name of Faculty	Designation
1	Dr. Jaya S	Associate Professor
2	Dr. G.N Prakash	Associate Professor
3	Dr. Pravas K.	Assistant Professor
4	Ms. Thasneem T R	Assistant Professor
5	Ms. Jis Mary Jose	Assistant Professor
6	Ms. Sreeja K U	Assistant Professor
7	Dr. Balakrishnan R	Assistant Professor
8	Mr. Sreeraj K S	Assistant Professor

The Board of Studies met twice during the academic year to discuss important matters related to syllabus and Valuation. A panel has been submitted to the Academic Council to reconstitute the Board of Studies. The Department collected feedback related to the curriculum and syllabus, from students using google form.

During the academic year 2022-23, The Department arranged bridge courses and remedial coaching for students of various batches. With the financial support of the Directorate of Minority Welfare, Govt. of Kerala, the Department conducted coaching classes for CSIR NET and JRF Examination. 37 students participated in the coaching class. The department offered a value added course on the topic, Introduction to Latex. Final year UG students and First year PG students completed a 15-day internship at different organizations. Different innovative teaching methods like peer teaching, seminar presentation, open discussion, etc. were experimented with.

Our students played a significant role in a study conducted by Metro Rail. About 30 students were part of the study on climate change led by the NGO startup Equinoct.

During the academic year 2022-23, 1723 students applied for UG and 375 students applied for PG. The faculty members of the department gave importance to tutorial and mentoring activities. Internal exams were conducted as directed by the Principal and re-exams were conducted for the betterment of results. The Department analysed all the published results and corrective measures were taken.

Seven faculty members are offering research guidance. 14 research scholars joined for research during the year 2022-23. Coursework classes were conducted from April-May 2023. One Ph.D. awarded during the year.

Dr. Pravas K was recognized as a research guide in May 2023. A total of seven faculty members, within and outside the college, offer research guidance in the Department. Ms. Sreedevi V S, a research scholar of the department under the supervision of Dr. Bloomy Joseph awarded Ph.D. degree on her thesis titled "Studies in L-Fuzzy Graphs". 14 research scholars (3 full-time and 11 part-time) joined for research during the year 2022-23, and for them coursework classes were conducted from April 2023.

Details of Lecture series during the academic year in connection with Ph.D. Course Work 2022-23

Lecture 1- **Linear Transformations and Eigen Value Problem** on 11th April 2023

Lecture 2- **Normal Categories** on 11th April 2023

Lecture 8 - **Normal Cones** on 23 May 2023

Lecture 9- **Introduction to queueing inventory-1** on 29th May 2023

Lecture 10 - **Introduction to queueing inventory-2** on 29th May 2023

Details of paper presentations during the academic year by Faculty members

Mrs. Thasneem T R participated and presented a research paper titled ' Outdegree Equitable Domination Number of Join of two graphs' at the International Conference on ' Recent Advancements in Graph Theory' (ICRAFT 2022) held on Sept 10- 11, 2022) organized by dept of Mathematics, Gujarat University

Mrs. Thasneem T R participated and presented a research paper titled ' Outdegree Equitable Domination Number of Certain Graph Operators' in the International Conference on Graphs, Networks, and Combinatorics (ICGNC 2023) organized by the Department of Mathematics, Ramanujan College during 10-12 January 2023.

Mrs. Sreeja K U participated and presented a research paper at ICMMAC-2022 by Thiruvalluvar University, Vellore on 15th September 2022.

Mrs. Sreeja K U participated and presented a poster in the annual conference of Indian Women Mathematics (IWM) at IISER Pune, from 27th -29th December 2022.

Details of paper publication during the academic year by Faculty members

Extended Green's relations on $M_n(D)$, a characterization, *Prakash G. Narasimha Shenoi*, and A.R. Rajan, Asian-European Journal of Mathematics, Vol. 15, No. 9 (2022) 2250166-1 to 2250166-12, <https://doi.org/10.1142/S1793557122501662>.

Details of Faculty members who served as Resource Persons during the academic year

Dr. G N Prakash participated as a Speaker in the One day workshop on UG-Curriculum organized by the Department of Mathematics, University of Kerala, Kariavattom, and Institute of Mathematics Research and Training (IMRT) Trivandrum on 28-03-2023 at the Department of Mathematics, University of Kerala, Thiruvananthapuram.

Dr. Balakrishnan R delivered a talk titled Diagonalization of Linear Maps on 25.11.2022 in BLSM 2022 at St. Berchmans College Changanassery.

Mrs. Sreeja K. U. participated as a resource person in the Pi-Approximation Day celebration organized by the Department of Mathematics, KKTGM Govt. College, Pullut on 27th July, 2022.

Mrs. Thasneem T R and Mrs. Sreeja K U participated as judges of the Math Magicae-2022 (a paper presentation competition on Mathematics) at Bhavan's Vidya Mandir, Elamakkara on 20th December 2022.

Dr. Jaya S. conducted Mathematics enrichment classes for the students of the School of Environmental Sciences CUSAT.

Ms. Jis Mary Jose conducted a Level-2 training programme titled Media Literacy and Fact-checking for the members of MCMLG (Maharaja's College Media Literacy Group) of our college on 2023 February 22 at K.S.S.N. Gallery.

Dr. Pravas K. delivered a talk On ' Solution to some insane Puzzles using Mathematics' in the 'Pi Approximation Day Celebration' organized by the Department of Mathematics, K.K.T.M. Govt. College, Pullut on 27.07.2022.

Dr. Pravas K. delivered a talk on ' Some Problems in Graph Theory' in the 'National Seminar on Number Theory and Discrete Mathematics' organized by the Department of Mathematics, Union Christian College, Aluva on 07.03.2023.

Details of Seminar/Workshop conducted by the Department During the academic year

Two-day Workshop on New Approaches in Linear Algebra on the 3rd & 4th of March 2023 with academic support from the Institute of Mathematics Research and Training (IMRT) and cosponsored by KSCSTE (Received financial assistance of Rs. 25,000/- as per the order no Council (P) Order No. 106/2023/KSCSTE dated: Thiruvananthapuram 22-03-2023)..

Seminar on Human rights in association with IQAC on 12 th October 2022

Training Programmes attended by Faculty Members

Dr. Balakrishnan R, Mr. Sreeraj K S, and Ms. Jis Mary Jose participated in 3 days residential program at IISER Thiruvananthapuram from 15.07.2022 to 17.07.2022 jointly organized by Collegiate Education Department, Govt. Kerala and IISER Thiruvananthapuram.

Ms. [Jis Mary Jose](#) Participated in the Refresher Course in Mathematics organized by the Human Resource Development Centre (HRDC), University of Kerala, Thiruvananthapuram from 13-10-2022 to 26-10-2022.

Details of Faculty members who served in the College in their various capacities during the academic year :

1. Dr. Jaya S, Associate Professor

1. Head of the Department of Mathematics
2. IQAC Coordinator
3. Examination Squad Member
4. Various inquiry committee member
5. Tutorial Monitoring Committee member.
6. Examination Monitoring Committee member

2. Dr. G.N Prakash, Associate Professor

1. Admission Committee Coordinator
2. NIRF Coordinator
3. Research Advisory Council Coordinator
4. EUNOIA 2023 Committee Member

3. Dr. Pravas K. Assistant Professor

1. Website Committee and Computer Lab Coordinator
2. DQAC Coordinator
3. Internal Examination Committee Member

4. Ms. Thasneem T R Assistant Professor

1. Day Care Monitoring Committee Coordinator
2. Research Committee Member
3. Science Forum Member
4. Accommodation Committee Member
5. Tutor: Second Year MSc Mathematics

5. Ms. Jis Mary Jose, Assistant Professor

1. Media Literacy Cell Master Trainer
2. Career Guidance and counseling Cell Member
3. Swayam local chapter and MOOC Coordinator (up to 06-07-2022)
4. Admission Committee Member
5. Examination Committee Member
6. Website Committee Coordinator (up to 06-07-2022)
7. EUNOIA 2023 Committee Member
8. Tutor: Second Year BSc Mathematics

6. Ms. Sreeja K U, Assistant Professor

1. Anti-Ragging Committee Member
2. Discipline Committee Member
3. Tutor: Third Year BSc Mathematics

7. Dr. Balakrishnan R, Assistant Professor

1. Science Forum Member
2. AISHE Committee Member
3. MOODLE Deputy Coordinator
4. Swayam local chapter and MOOC Coordinator
5. Deputy Controller of Examinations
6. Tutor: First Year BSc Mathematics

8. Mr. Sreeraj K S, Assistant Professor

1. NAAC and NIRF Committee Member
2. Website Committee and Computer Lab Member
3. AISHE Committee Member Member
4. Admission Committee UG Coordinator
5. Tutor: First Year MSc Mathematics

MOUs

The Department has signed an MOU with the Institute of Mathematics Research and Training (IMRT). The Department got academic support from all the institutions with which the Department has MOUs.

Maharajas Mathematics Alumni Association: Maharajas Mathematics Alumni Association – MAMATHA is a registered alumni association of the Department of Mathematics, Maharajas College, Ernakulam which was formed in 1987 under the leadership of late Dr. Abdul Salam (Former Pro- Vice Chancellor of Mahatma Gandhi University). The association includes students and teachers who were part of the Mathematics department. World-famous mathematician Dr. K.S.S Nambooripad is one of the most eminent Alumni of the Department. MAMATHA aims at promoting interest in learning Mathematics. Every year MAMATHA distributes cash prizes to the students who excel in their studies from all the classes, both from undergraduate and postgraduate levels. MAMATHA, in association with the Department of Mathematics, organizes seminars, competitions for students, etc. As an honor to the eminent alumni Dr. K.S.S Nambooripad, MAMATHA has been conducting lectures for the past six years under the title “ K.S.S Nambooripad Endowment Lecture”. MAMATHA holds a fund of nearly Rs 2,25,000/- as a fixed deposit, the interest of which is given as financial assistance to students. The funds are audited by external auditors.

Activity Report of MAMATHA 2022-2023

MAMATHA conducted the seventh lecture in the series “K.S.S Nambooripad Endowment Lecture” titled “From Brahmagupta to Bhargava via Gauss” on 15th June 2022 in the Department of Mathematics. The lecture was handled by Dr.V.N Krishna Chandran, Former Principal, Govt. Victoria College, Palakkad.

As an honor to the eminent alumni Dr. K.S.S Nambooripad, it was decided by the governing council of the college to rename the Mathematics gallery as K.S.S.N Gallery, and the same was announced on 6th Jan 2023. On the same day itself, MAMATHA together with the Mathematics Department conducted the eighth lecture in the series “K.S.S Nambooripad Endowment Lecture” titled “Linear Algebra and Geometry” in the Department of Mathematics. The

lecture was handled by Dr. E. Krishnan, Former Professor and Head of the Department of Mathematics, University College, Thiruvananthapuram.

In memory of Dr. K.S.S Nambooripad, eminent alumni of the department, his family contributed valuable 100 books, and various Journals including Bulletin of the American Mathematical Society, The Mathematics Student, Journal of The Ramanujan Mathematical Society, Journal of Kerala Mathematical Society, various proceedings, and world-famous articles to the department together with a wooden rack.

MAMATHA awarded cash prizes and certificates to Students for their excellence in studies

Various Activities conducted by the department

As part of Gandhi Jayanthi celebrations, the Post Graduate and Research Department of Mathematics organized an online poster-making competition for UG and PG students of our college. The topic for the poster was SWACHH BHARAT. The posters submitted online till October 2, 2022, were considered for the competition. Nazreena Hakeem J. M. of 3rd Semester B. A. Hindi won the first prize and Meenu P. Sanil of 3rd Semester B. Com won the second prize.

The department organized Maths classes for all students in preparation for competitive examinations. Quantitative aptitude, numerical ability, and a focus on the fundamentals of mathematics for competitive exams are among the topics covered. Postgraduate students in Mathematics taught classes under the supervision of department teachers. Classes began on October 10, 2022, and will be held once a week from 3.30-4.30.

An anti-drug awareness flash mob was held on October 20, 2022, at 2.30 p.m. in Abdul Kalam Marg, Marine Drive, Kochi. Around 50 mathematics students took part.

On March 10, 2023, at 2 p.m., a PowerPoint presentation on "My favorite scientist" and an elocution contest on "What do you think is the greatest invention of all time" was held in honor of Science Day. Ramis M R, II BSc Physics, won first place in the PowerPoint presentation, and Previa K R, III BA Political Science, won first place in the elocution contest, both of which were awarded cash prizes.

A human rights seminar was held on October 12th, 2022 at 10 a.m. to cover some fundamental human rights topics. The resource person was Manu M R, Assistant Professor in Political Science, Department of Collegiate Education.

As part of the Gandhi Jayanthi celebrations, an online poster-making competition was held on 2nd October 2022 at 4.30 pm with the first prize winner being Nazreena Hakeem J M, 5th semester B A Hindi, and the second prize winner being Meenu P Sanil, 3rd semester B Com with a cash prize.

As part of International Day of the Elderly, the department honored elderly cleaning staff Sri. Kareem K E(Ikka) on October 10, 2022, at 12: 30 p.m

On Mental health day, a discussion on the importance of mental health was arranged for students.

To avoid purchasing plastic files, under the initiation of the department and PTA, the students of the department made nearly 1300 paper files for the purpose of keeping certificates and mark lists of the newly joined students at the time of admission.

Organized a career guidance class for the students of the Mathematics department on 16 Dec 2022 as an initiative of the career guidance cell of the college.

The Department organized a field visit to Wagamon In October 2022 with Final B. Sc. Students to create awareness about Mother Nature.

Conducted study tour for both final year UG and final year students.

Achievement of Students in Sports 2022-23

Mithun J Nath

MG University intercollege Hockey 5's (second)

Fisa T.

Intercollegiate judo championship -Bronze Medal

Intercollegiate wrestling championship -Silver Medal

Intercollegiate karate championship (team kata)-Bronze Medal

Intercollegiate ball badminton championship -Third position

All India interuniversity ballbadminton championship -Participation

Lena Elizabeth Korah

Intercollegiate Road Cycling Championship 2022(Individual Silver, Team Bronze).

Participation -All India InterUniversity Road Tournament 2023 at Aurangabad.

Aparna Gireesh P

Intercollegiate hockey 11s -Bronze Medal

Intercollegiate hockey 5s- Bronze Medal

K R Ram Sidharth

Intercollege Taekwondo -Bronze medal

Intercollege Weight lifting-silver medal

Intercollege Powerlifting-Silver medal

Kerala State Benchpress Competition-Gold medal x2 (equipped & unequipped)

National Benchpress competition-Bronze(equipped), Participation (unequipped)

Second-year B.Sc.mathematics Student ANANTH NAYAK (Air wing NCC) Participated in RDC 2023 DELHI,

1. Philosophy

Department of Philosophy established in the year 1945 with intermediary course in Logic.

Started UG course in the year 1965. Started PG course in the year 1973. Upgraded as a research centre under Mahatma Gandhi in the year 1995.

Result analysis of Final year UG and PG 2021-22

The analysis of results of BA&MA of 2021-22 shows satisfactory performance of the students. In MA, 17 students appeared for the exam and 5 students passed; the pass

percentage is 29%. Rosemary Varghese, Santhoshima P.R, Lakshmy P.S came in first, second and third positions respectively. In BA total students registered for the examination is 37 and 14 students passed; the pass percentage is 38%. Vani Jelin, Nivedhitha V.S., Aparna Antu came in first, second and third positions respectively.

Faculty and students enrichment program

Lecture Program

To familiarize students and research scholars with international scholars and make an opportunity to interact with them, the department of Philosophy conducted an Erudite-Scholar-in-Residence Program in collaboration with International School for Sree Sankaracharya Studies, Sree Sankaracharya University of Sanskrit, Kalady on 9th January 2023 on the topic *On How to Order a Proper Thali: The Role of Mind in Moral Standing*. The department co-ordinator of the program was Dr. Biju K.P, Assistant Professor of the department of Philosophy.

Webinar

An international webinar was organised by the Research & Post- Graduate Department of Philosophy in association with the IQAC, Maharaja's College (Autonomous), Ernakulam on the topic *Essentials of Indian Philosophy* from May 23rd to 24th 2023. The department co-ordinator of the webinar was Sri. Nobel P.S, Assistant Professor of the department of Philosophy. A number of scholars were part of the program from both international and national level. Faculty members, research scholars and students from different departments participated in the webinar.

Quality Initiatives for the Students

A Value added course offered by the department of Philosophy on *Introduction to Aesthetics* for under graduate students. Date of commencement of the course on 1st January 2023. The department co-ordinator of the program was Dr. T.M Smitha, Assistant Professor of the department of Philosophy.

Best Practice of the Department

Department of Philosophy in association with BODHI organised a session on *Dementia* on 23rd January 2023 for creating an awareness on problems related to dementia. The department co-ordinator of the program was Dr. T.M Smitha, Assistant Professor of the department of Philosophy.

Alumni engagement of the department

Department of Philosophy is always supported by Alumni. On 26th January 2023 department of Philosophy conducted an alumni meeting. Sri. Nobel P.S, Assistant Professor of the department of Philosophy elected to continue as the co-ordinator of alumni engagement.

PTA engagement of the department

Department of philosophy is always supported by PTA, on 27th January 2023 PTA meeting of II semester BA students and on 6th February 2023 IV Semester BA , VI Semester BA and II semester MA students were conducted.

Progress of Research

Department of philosophy is a research centre under MG University since 1995. At present there are three research guides in the department. In the year 2022-23 the total number of scholars who are doing their research in the department is 11. As per university norms every six-months, review committee assess their research progress. In the 2022-2023 academic year one research scholar awarded with UGC-Junior Research Fellowship and two research scholars were awarded with ICPR (Indian Council of Philosophical Research) – Junior Research Fellowship and one is awarded with UGC-NET.

m. Physical Education

The college has various sports teams and athletes who established their excellence at intercollegiate, state, interuniversity, national and international levels. Our college has great achievement during the year 2022-23. Department of Physical education took the initiative to give training through coaching camps and makes them participate in various sports & games conducted by Mahatma Gandhi University and, other institutions and also participated in District, State and National level competitions. Many players are selected to participate in state level, national level-junior as well as senior nationals, south zone inter university and all India inter university competitions and they came with laurels.

PROGRAMMES/ACTIVITIES ORGANISED BY THE DEPARTMENT

1.Literacy Awareness Program

Report of Inauguration of Physical Literacy Awareness Program organized by Department of Physical Education Maharajas College Ernakulam

Physical Literacy Awareness Program

On January 10, 2023, Shinu Chovva, Mr World inaugurated Physical Literacy Awareness Program at GNR hall. Smt. Reena Joseph Head of the Department of Physical Education welcomed the gathering and D VS Joy Principal preside over the function. Dr Bindhu Sharmila Vice Principal delivers facilitation speech and Dr Aju TG delivered the vote of thanks The program aimed to promote physical literacy among individuals of all ages, especially children and adolescents. Physical literacy is the ability to move with competence and confidence in a variety of physical activities and to develop the motivation, knowledge, and understanding to maintain physical activity throughout life.

During the event, Mr. Kerala highlighted the importance of physical literacy in maintaining a healthy lifestyle and reducing the risk of chronic diseases such as obesity, diabetes, and heart disease. He emphasized the need for children to engage in regular physical activity and develop fundamental movement skills such as running, jumping, and throwing, which form the basis for more complex movements. The program included demonstrations of basic movements, interactive activities, and educational sessions on the benefits of physical activity.

The Physical Literacy Awareness Program received an enthusiastic response from the community, with many individuals expressing their interest in participating in the program. The program is expected to promote physical activity and health literacy among the participants, leading to a healthier and more active community. Mr. Kerala expressed his commitment to continuing to promote physical literacy and encouraging individuals of all ages to adopt a physically active lifestyle to improve their overall health and well-being. After inauguration Master trainer IPLA Dr Aju T G leads the Campaign class to all PG students of the campus.

2.Awareness Against Drugs in the campus

The "Goal Scoring by Students" campaign was launched in response to the increasing use of drugs by students in colleges. The campaign was aimed at raising awareness among students about the harmful effects of drug use and encouraging them to stay away from drugs. The Program inaugurated by Dr. Sreesha Sasi Assistant Professor Department of Chemistry. In the presence of Dr. Jolly V M, MCRV Hostel Warden, Maharajas College, Ernakulam. This report will detail the success of the campaign and the impact it had on students. Campaign Activities: The campaign was launched in the beginning of the academic year and lasted for one month. The main activities of the campaign included:

Sports Events: Various sports events were organized as part of the campaign. Students were encouraged to participate in sports and activities to promote a healthy and drug-free lifestyle. The main activity was the goals scored by the students.

2. Social Media Campaign: A social media campaign was launched to reach a wider audience. Students were encouraged to share their views and experiences of drug abuse and the impact it has on their lives.

Results: The campaign was a huge success and had a significant impact on the students. The following are some of the key results of the campaign:

1. Increased Awareness: The campaign helped to raise awareness among students about the harmful effects of drugs. Students were informed about the risks associated with drug abuse and the impact it had on their health and well-being.

2. Reduced Drug Use: The campaign had a positive impact on the drug-use habits of students. A survey conducted after the campaign showed that the number of students using drugs had decreased significantly.

3. Positive Attitude: The campaign helped create a positive attitude towards a drug-free lifestyle among students. Students were more enthusiastic about participating in sports and other healthy activities.

4. Increased Engagement: The campaign helped increase engagement among students. Students were more involved in various activities and events organized as part of the campaign.

Conclusion: The "Goal Scoring by Students" campaign was a huge success and had a positive impact on the students. The campaign helped raise awareness about the harmful effects of drugs, reduce drug use, create a positive attitude towards a drug-free lifestyle, and increase engagement among students. The success of the campaign demonstrates the importance of raising awareness among students about the dangers of drug abuse and promoting healthy and drug-free lifestyles.

3. World Cup campaigning in the campus

Report of the World Cup football 2022 campaign with procession of different teams and goal the scoring competitions World Cup campaigning in the campus

Dr.Ranjith Coach India under 17 football team inaugurated the campaign in the presence of Vice Principal Dr. Bindhu Srmila and Dr Venu assistant professor Chemistry and Dr Aju TG Assistant professor Department of Physical Education

Introduction: The World Cup is one of the biggest sporting events in the world, and it attracts a global audience of millions. The 2022 World Cup will be hosted in Qatar, and it is expected to be one of the most exciting tournaments yet. This report details the World Cup football campaign at our campus, which included a procession of different team's fans and goal scoring competitions.

Campaign Activities: The World Cup football campaign at our campus was a month-long event, and it included various activities and events. The main activities of the campaign included:

1. **Team Fan Processions:** Different team fan processions were organized on campus to promote the spirit of the World Cup. Fans of each team dressed up in their team colors and marched in a procession across the campus.
2. **Goal Scoring Competitions:** Goal scoring competitions were organized on campus to encourage students to show off their football skills. Students competed against each other to see who could score the most goals in a given time period.
3. **Viewing Parties:** Several viewing parties were organized on campus for students to watch the World Cup matches. Large screens were set up in outdoor locations, and food and drinks were provided for the students.
4. **Trivia and Quiz Games:** Trivia and quiz games were organized throughout the week to test the knowledge of the students about the World Cup. Prizes were given to the winners of the games.
5. **Charity Events:** Several charity events were organized as part of the celebration. Students raised funds for charities that support sports and education for underprivileged children.

Results: The World Cup football campaign at our campus was a huge success, and it had a positive impact on the students. The following are some of the key results of the campaign:

1. **Increased Engagement:** The campaign helped increase engagement among students. Students were more involved in various activities and events organized as part of the celebration.
2. **Football Skills:** The goal scoring competitions help the students to improve their football skills and showcase their talent. Students had the opportunity to compete against their peers and improve their technique.
3. **Community Building:** The campaign helped to build a sense of community among students. Students from different departments came together to celebrate the World Cup.
4. **Charity Support:** The campaign helped to raise funds for sports and the education of underprivileged children.

Conclusion: The World Cup football campaign on our campus was a huge success, and it had a positive impact on the students. The campaign helped increase engagement, improve football skills, build communities, and support charity. The success of the campaign demonstrates the importance of promoting sports and education for all. The World Cup 2022 is expected to be a thrilling tournament, and the campaign helped to build excitement and anticipation among the students..

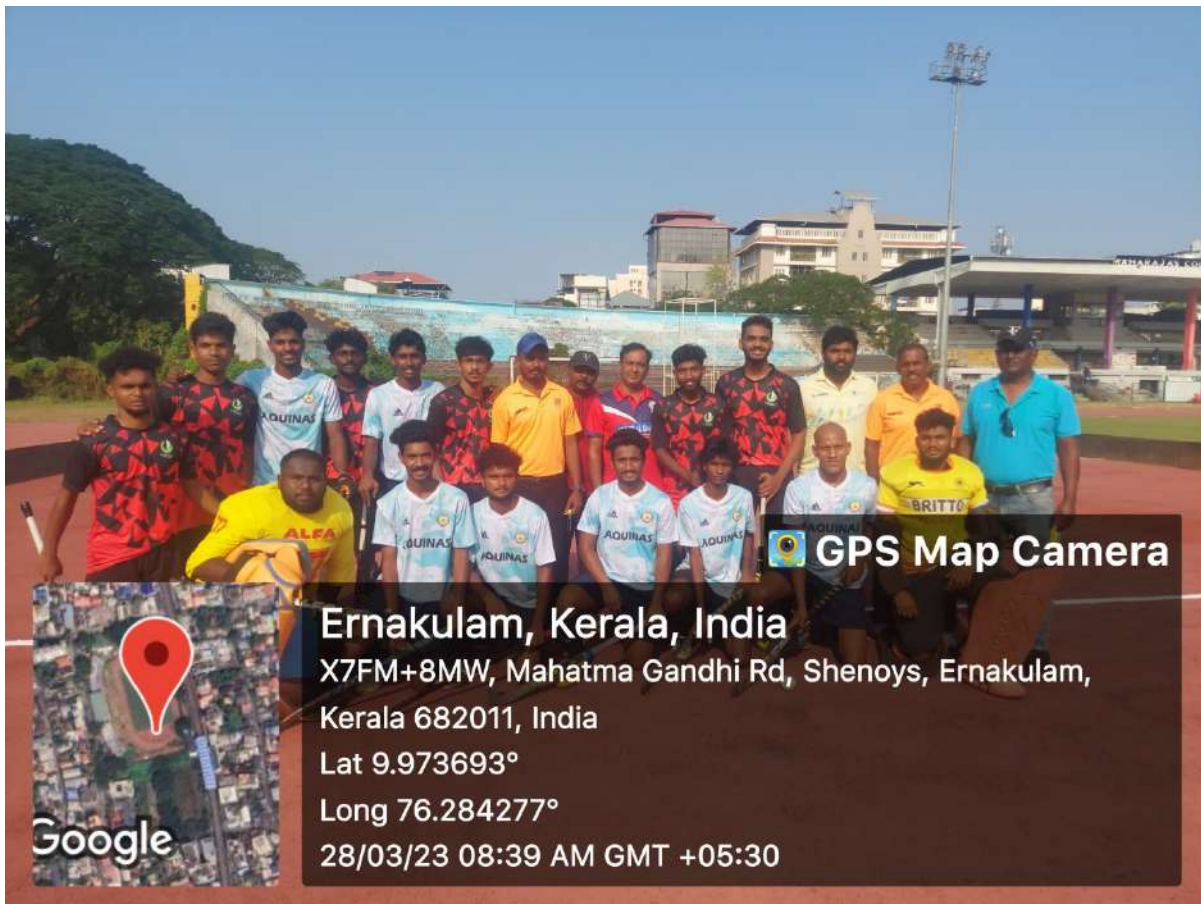

4. MG UNIVERSITY INTERCOLLEGIATE HOCKEY 5'S CHAMPIONSHIP

An inter-collegiate competition is a highly anticipated event on the academic calendar of any college. It provides an opportunity for students from different colleges to come together, showcase their skills, and compete in a healthy and spirited environment. The event typically involves the Men & Women's Hockey 5 championship. The planning and organization of an inter-collegiate competition requires a great deal of effort and coordination from the college's staff, faculty, and student organizers. The event's success depends on factors such as the availability of infrastructure. The inter-collegiate competition was conducted on 28th, 29th and 30th of March 2023, in Maharajas College stadium. The event's opening ceremony marks the formal start of the competition, where the participating teams March past the audience, displaying their college colours. The chief guest, Arjuna Award winner Joseph G Abraham, usually a distinguished personality from the sports world, declares the event open and delivers an inspirational speech to motivate the participants. Smt. Reena Joseph, Convenor Inter Collegiate competition, welcomed the chief guest.

Seven teams from different colleges participated in the Men's section . The result of the championship was 1.UC college Aluva, 2. Maharajas College Ernakulam 3. St Pauls Kalamasseri, 4. Aquinas College Edakochi

Five teams participated in the women's section. Result: 1.UC College Aluva 2. Marthoma College, Thiruvalla, 3.Maharajas College, Ernakulam 4. St Albert's College

In summary, an intercollegiate competition is an excellent opportunity for students to showcase their skills, build new relationships, and gain valuable experiences. It requires meticulous planning, coordination, and execution to ensure a successful and memorable event.

The college has various sports teams and athletes who established their excellence at intercollegiate, state, interuniversity, national and international levels. Our college has great achievement during the year 2022-23. Department of Physical education took the initiative to give training through coaching camps and makes them participate in various sports & games conducted by Mahatma Gandhi University and, other institutions and also participated in District, State and National level competitions. Many players are selected to participate in state level, national level- junior as well as senior nationals, south zone inter university and all India inter university competitions and they came with laurels.

PROGRAMMES/ACTIVITIES ORGANISED BY THE DEPARTMENT

1.Literacy Awareness Program

Report of Inauguration of Physical Literacy Awareness Program organized by Department of Physical Education Maharajas College Ernakulam

Physical Literacy Awareness Program

On January 10, 2023, Shinu Chovva, Mr World inaugurated Physical Literacy Awareness Program at GNR hall. Smt. Reena Joseph Head of the Department of Physical Education welcomed the gathering and D VS Joy Principal preside over the function. Dr Bindhu Sharmila Vice Principal delivers facilitation speech and Dr Aju TG delivered the vote of thanks The program aimed to promote physical literacy among individuals of all ages, especially children and adolescents. Physical literacy is the ability to move with competence and confidence in a variety of physical activities and to develop the motivation, knowledge, and understanding to maintain physical activity throughout life.

During the event, Mr. Kerala highlighted the importance of physical literacy in maintaining a healthy lifestyle and reducing the risk of chronic diseases such as obesity, diabetes, and heart disease. He emphasized the need for children to engage in regular physical activity and develop fundamental movement skills such as running, jumping, and throwing, which form the basis for more complex movements. The program included demonstrations of basic movements, interactive activities, and educational sessions on the benefits of physical activity.

The Physical Literacy Awareness Program received an enthusiastic response from the community, with many individuals expressing their interest in participating in the program. The program is expected to promote physical activity and health literacy among the participants, leading to a healthier and more active community. Mr. Kerala expressed his commitment to continuing to promote physical literacy and encouraging individuals of all ages to adopt a physically active lifestyle to improve their overall health and well-being. After inauguration Master trainer IPLA Dr Aju T G leads the Campaign class to all PG students of the campus.

MAHARAJAS COLLEGE, ERNAKULAM

PHYSICAL LITERACY AWARENESS PROGRAMME

**INAUGURATED BY
SHINU CHOVVA
(Mr. World)**

on 10.01.2023

time 10.30 a.m.

Organized by
Dept. of Physical Education
Career Guidance Cell & IQAC
Maharajas College, Ernakulam

2.Awareness Against Drugs in the campus

The "Goal Scoring by Students" campaign was launched in response to the increasing use of drugs by students in colleges. The campaign was aimed at raising awareness among students about the harmful effects of drug use and encouraging them to stay away from drugs. The Program inaugurated by Dr. Sreesha Sasi Assistant Professor Department of Chemistry. In the presence of Dr. Jolly V M, MCRV Hostel Warden, Maharajas College, Ernakulam. This report will detail the success of the campaign and the impact it had on students. Campaign Activities: The campaign was launched in the beginning of the academic year and lasted for one month. The main activities of the campaign included:

Sports Events: Various sports events were organized as part of the campaign. Students were encouraged to participate in sports and activities to promote a healthy and drug-free lifestyle. The main activity was the goals scored by the students.

2. Social Media Campaign: A social media campaign was launched to reach a wider audience. Students were encouraged to share their views and experiences of drug abuse and the impact it has on their lives.

Results: The campaign was a huge success and had a significant impact on the students. The following are some of the key results of the campaign:

1. Increased Awareness: The campaign helped to raise awareness among students about the harmful effects of drugs. Students were informed about the risks associated with drug abuse and the impact it had on their health and well-being.

2. Reduced Drug Use: The campaign had a positive impact on the drug-use habits of students. A survey conducted after the campaign showed that the number of students using drugs had decreased significantly.

3. Positive Attitude: The campaign helped create a positive attitude towards a drug-free lifestyle among students. Students were more enthusiastic about participating in sports and other healthy activities.

4. **Increased Engagement:** The campaign helped increase engagement among students. Students were more involved in various activities and events organized as part of the campaign.

Conclusion: The "Goal Scoring by Students" campaign was a huge success and had a positive impact on the students. The campaign helped raise awareness about the harmful effects of drugs, reduce drug use, create a positive attitude towards a drug-free lifestyle, and increase engagement among students. The success of the campaign demonstrates the importance of raising awareness among students about the dangers of drug abuse and promoting healthy and drug-free lifestyles.

3. World Cup campaigning in the campus

Report of the World Cup football 2022 campaign with procession of different teams and goal the scoring competitions World Cup campaigning in the campus

Introduction: The World Cup is one of the biggest sporting events in the world, and it attracts a global audience of millions. The 2022 World Cup will be hosted in Qatar, and it is expected to be one of the most exciting tournaments yet. This report details the World Cup football campaign at our campus, which included a procession of different team's fans and goal scoring competitions.

Campaign Activities: The World Cup football campaign at our campus was a month-long event, and it included various activities and events. The main activities of the campaign included:

1. **Team Fan Processions:** Different team fan processions were organized on campus to promote the spirit of the World Cup. Fans of each team dressed up in their team colors and marched in a procession across the campus.
2. **Goal Scoring Competitions:** Goal scoring competitions were organized on campus to encourage students to show off their football skills. Students competed against each other to see who could score the most goals in a given time period.
3. **Viewing Parties:** Several viewing parties were organized on campus for students to watch the World Cup matches. Large screens were set up in outdoor locations, and food and drinks were provided for the students.
4. **Trivia and Quiz Games:** Trivia and quiz games were organized throughout the week to test the knowledge of the students about the World Cup. Prizes were given to the winners of the games.
5. **Charity Events:** Several charity events were organized as part of the celebration. Students raised funds for charities that support sports and education for underprivileged children.

Results: The World Cup football campaign at our campus was a huge success, and it had a positive impact on the students. The following are some of the key results of the campaign:

1. **Increased Engagement:** The campaign helped increase engagement among students. Students were more involved in various activities and events organized as part of the celebration.
2. **Football Skills:** The goal scoring competitions help the students to improve their football skills and showcase their talent. Students had the opportunity to compete against their peers and improve their technique.
3. **Community Building:** The campaign helped to build a sense of community among students. Students from different departments came together to celebrate the World Cup.
4. **Charity Support:** The campaign helped to raise funds for sports and the education of underprivileged children.

Conclusion: The World Cup football campaign on our campus was a huge success, and it had a positive impact on the students. The campaign helped increase engagement, improve football skills, build communities, and support charity. The success of the campaign demonstrates the importance of promoting sports and education for all. The World Cup 2022 is expected to be a thrilling tournament, and the campaign helped to build excitement and anticipation among the students..

4. MG UNIVERSITY INTERCOLLEGIATE HOCKEY 5'S CHAMPIONSHIP

An inter-collegiate competition is a highly anticipated event on the academic calendar of any college. It provides an opportunity for students from different colleges to come together, showcase their skills, and compete in a healthy and spirited environment. The event typically involves the Men & Women's Hockey 5 championship. The planning and organization of an inter-collegiate competition requires a great deal of effort and coordination from the college's staff, faculty, and student organizers. The event's success depends on factors such as the availability of infrastructure. The inter-collegiate competition was conducted on 28th, 29th and 30th of March 2023, in Maharajas College stadium. The event's opening ceremony marks the formal start of the competition, where the participating teams March past the audience, displaying their college colours. The chief guest, Arjuna Award winner Joseph G Abraham, usually a distinguished personality from the sports world, declares the event open and delivers an inspirational speech to motivate the participants. Smt. Reena Joseph, Convenor Inter Collegiate competition, welcomed the chief guest.

Seven teams from different colleges participated in the Men's section . The result of the championship was 1.UC college Aluva, 2. Maharajas College Ernakulam 3. St Pauls Kalamasseri, 4. Aquinas College Edakochi

Five teams participated in the women's section. Result: 1.UC College Aluva 2. Marthoma College, Thiruvalla, 3.Maharajas College, Ernakulam 4. St Albert's College

- October 19, 2022-- Poster design competition in connection with Anti-Narcotic Week.
- October 20, 2022,-- Perception 2022, Science quiz, organized by Astronomy club.
- November 18, 2022 --- Intercollegiate Science quiz competition organized by MAPS, Alumni Association.
- December 8, 2022--- Induction class for students by Dr. Santha Devi, Scientist Rtd, NPOL, Kochi.
- December 10, 2022-- General body Alumni Meet.
- January 20, 2023-- Hawking Memorial lecture: 100 years of Friedmann Models, Dr. C. Sivakumar, Asso. Prof. Department of Physics, Maharaja's College in association with Physics Association.
- February 6, 2023 -Breaking Barriers in Science: Discovering Black Holes and de-gendering physics practice, Prof. Prajval Shastry, formerly IIA and RRI, Bangalore.
- March 8, 2023- Women's Day celebration honouring the gems of the physics department.

p. Political Science

The Department of Political Science was established in 1950, the same year when Maharaja's College celebrated its diamond jubilee. Initially, Political Science was included as one among the key subjects in the Pre-Degree programme. The department was granted Bachelor Degree programme in Political Science in 1964. Graduation in Political Science, blended with two complementary subjects; History and Economics, opens up to the students a vast array of opportunities to help shaping their career in the fields of Teaching, Civil Services, Public Policy Analysis, Law etc. A Political Science degree not only offers theoretical knowledge and intellectual background required to gain academic and administrative jobs, but it also enables the students to assimilate democratic values and secular outlook to assist them to offer meaningful contributions to the society.

The department started offering Master's programme in Political Science in 1970. The curriculum of the post-graduate programme is developed with a view to provide advanced knowledge in Political Science on the one hand and to give training and guidance to students in developing research skills on the other. In addition, the department gives ample facilities for the students to prepare for competitive examinations. The department has contributed a good number of teachers, civil servants, researchers, journalists, politicians etc. to the country. In 2009 the department was elevated as a Research Centre under Mahatma Gandhi University, Kottayam. Under the able guidance of four research supervisors, sixteen scholars are currently

pursuing research on various subjects including environmental politics, political theory, transgender studies, policy studies etc.

Seminar presentations

As a student-centric method, the students of III BA class were assigned certain seminar topics related to their course- Society and Politics in Kerala and were allotted time to present it before their class. This was conducted with the belief that such Peer teachings can enhance the presentation skills of the presenter and at the same time can offer a platform for the rest to gather more ideas and knowledge from the presentation.

Academic Planning

The Academic Council , The IQAC , The internal examination Committee and the Controller of Examinations organized a meeting before the commencement of the Academic year to draft an action plan for the current Academic year. As per their instructions Sanskrit Department have organized a faculty meeting on June 2022 at Sanskrit H.O.D Room. The Syllabus and present semester Time table were discussed and finalised. Name of each Class Tutors , Co - Class Tutors and Second Language Tutors were fixed.The Schedules for the B.O.S, time bound Conducting of Internal Assessment work (Assignment, Seminars,Class test) other Departmental Co-curricular, extra curricular activities and programmes are also planned Review of Teaching -Learning Process

The Department reviews the teaching-learning process, structures, and methodologies of operation and learning outcomes at periodic intervals . At the end of every semester, the teacher collects feedback from students for self-improvement. After the publication of the result of semester exams, the result is analysed in Department and corrective measures are executed for the betterment of the result. After the end Semester, examination feedback is collected from students about the curriculum, attainment of graduate attributes. Department-level induction/orientation programmes were arranged for newly joined students.

A new timetable is prepared for online classes in compliance with the master time table considering the time restriction suggested by the DCE. For the smooth conduct of online classes, the College provided official mail id. for all the faculty members and students. The UG syllabus revision was completed incorporating the suggestions from all the stakeholders and implemented in the 2022-23 academic year. A new course related to the environment is introduced in all the UG programmes. All the first-year UG students were enrolled in the Swayam Portal .The SQAC was formed, nominating the toppers in each class of the department for assuring the quality of the students in academic and non-academic matters. The tutorial system and Mentoring system were also taken up to help students in various ways. With the help of various committees and organizations, needy students were equipped to cope with the online classes.

With the help of the Jeevani centre all measures were taken to monitor the mental health of all students and provided counselling support to students in need. In the wake of the Pandemic Situation, all measures were taken to strengthen the tutorial system and Mentoring System. Remedial Teaching is imparted to weaker students based on the result analysis report. Applying Scientific Methods Slow and Advanced Learners were identified and special programmes were arranged for all category students.

Initiatives in managing the online teaching-learning Process

The institution has an e-learning platform-Moodle, which enabled the teachers to share their e-resources with students. Teachers are also using Google meet for conducting online classes. Teachers and students are encouraged to attend MOOC courses offered through Swayam. IQAC of Maharaja's College organized a seven-day training programme on Moodle LMS as part of the implementation of LMS and all faculties attended the same . The Cell organized a training programme on e-Content Development for all faculty members. With the help of the Website Committee, the College issued an N-list password for all students to Access N-list E-library. Making use of different online platforms like g-suite, MOODLE, etc. All the faculty members effectively handled the teaching learning and evaluation activities.

Internal Examination

Internal Examinations for all UG and PG Classes (odd and even semesters) conducted as per the Academic Calender and order of Internal Exam Committee. Department Class rooms were used as exam hall and Faculties have done the invigilation duty as per the Time Table Hours and Valuation have done accordingly and results were published and informed to students.

Research Activities

The Sanskrit Department is recognized as the Research Department from 1991.

Two teachers were recognized as Research guides. 4 research Scholars enrolled in Department, One Research Scholar enrolled during this Academic year. All research scholars presented their research progress and the live streaming of these events arranged using the newly purchased live streaming studio. A publication wall has been arranged in the College to exhibit the publication of teachers and students. The Research committee organized Course work classes through an online platform.

As a part of Department Auditing procedure on Academic and Non Academic Activity ,we have been arranging Seven Criterion vice documents as follows

Criterion 1

Hard Copy of Syllabus in UG & PG programmes have been maintained in department which includes Syllabus revision done in 2016, 2019, &2020 . We have conducted Department Board of Studies meeting both internal and external and a register including Minutes of Board of Studies (2 meetings per year) kept in department. All department faculties have been included as members of B.O.S. Mo Us with relevant organizations ,till 2022 December we are not having any Mo Us, From 2023 onwards we are planning to sign Mo Us with SSUS Kalady. Syllabus of Value added Course – Department conducted value added course on Yoga with a specified structured syllabus with Brochure of Value added Course , and list of Students enrolled for Value Added Course .We also keeping Attendance record of the students attending the value added course. Department is giving Project work for final UG and PG students based on concern syllabus and keeping List of students undertaking student projects with proof (certificate).

CRITERION - II

Criterion II includes Admission register , Bio data of Students , with list of students admitted against reserved categories. After first UG regular class starting ,department conducted bridge course with syllabus and after regular teaching hours faculties conduct special coaching and based on it we conduct one hour exam, and done evaluation and as per

evaluation report we categorise students as Slow learners and fast learners and conducted remedial programmes for slow learners. Result Analysis Report also made ready after end Semester exams. Documents for Student centric methods are adopted in this session, Name and list of ICT-enabled tools including online resources are kept on register. From the admitted students list ,all faculties has been assigned with 10 or less than 10 students as Mentor -Mentee. Circular with regard to assigning mentors and mentees Mentor's Diary are documented. Teaching Plan of 22-23 Seat matrix of UG and PG programme for the academic year 22-23, Teacher's diary 22-23, Students Class Log book 22- 23, Attendance register , Time table - odd and even semesters 22-23 etc... with necessary Geo tagged Photos are documented.

Criterion III

This criteria includes Research details of the fellowships received (22-23), details of grants received for the projects during the year (copy of the order 22-23), Details of teachers recognized as research guides (order copy 22-23). Details of seminar/workshop conducted by the department (Brochure, photos, etc) Details of Ph.D. students registered during the year (copy of the registration order). Details of research papers in Scopus indexed, Web of Science indexed and CARE journals (copies).Details of books and chapters in edited volumes / books per teacher during the year (copies of the relevant pages 22-23).Details of awards and recognition received by teachers and students for extension activities (copies of the award letter 21-22).Details of extension and outreach programmes conducted by the Department - Report with photos (including Government-initiated programs such as Swachh Bharat, Aids Awareness, Gender Issue, etc. and those organised in collaboration with industry, community and NGOs).Details of extension and outreach programmes conducted through NSS/NCC etc - Report with photos (including Government initiated programs such as Swachh Bharat, Aids Awareness, Gender Issue, etc. and those organised in collaboration with industry, community and NGOs).Details of collaborative activities for research, faculty exchange, student exchange, internship, on-the-job training, project work, etc. during the year (copies of the certificates). Details of functional Mo Us with institutions of national, international importance, other universities, industries, corporate houses etc. during the year (copies of the functional Mo Us).

Criterion V

This criterion includes details of students .Self attested List of students availing scholarships provided by the Government (Name of the scheme and no. of beneficiaries to be included herein) , Self attested List of students availing scholarships from nongovernmental agencies or the institution (Name of schemes with contact information and no. of beneficiaries to be included) Capacity development programmes /skill enhancement programmes organised by department (details to be supplied).Details of Guidance and Coaching for competitive exams and career counselling (programmes -no. of students enrolled -no. of students passed).List of

students who got placed with name of employer and contact details. Any document (pay slip, Appointment order . List of students who are pursuing higher studies-proof .List of students qualifying in National /international exams proof (certificates).List of students who won awards /Medals for outstanding performance in Inter University state /national /international sports and cultural events (Proof). Alumni meetings , contribution, events organised -Detailed report .

CRITERION VI

Department Faculty details are mainly documented in this criteria . It includes average percentage of teachers provided with financial support to attend conference/workshops and towards membership fee of professional bodies during the year 22-23 . Average number of professional development / administrative training programs organized by the institution for teaching and non-teaching staff during the year 22-23 is also kept .Average percentage of teachers attending professional development program (orientation/Refresher Course/ Short term course/Faculty development program) We didn't received any Funds/Grants from non-government bodies, individuals, philanthropist during 2022-2023 year. We have submitted Annual Report and Future Plan for 2023-24.

CRITERION VI

Under 7th criteria we have decided to conduct gender sensitive approach like talk of Social workers, Trans-genders etc. We also decided to schedule Environmental friendly approach - green initiatives. Inclusive environment Sensitisation of students on values, rights, duties, responsibilities and celebrates / organises national /international days, events etc. with detailed report and geo tagged photos. We were unable to conduct best practice like food fest , Job fair etc. and documentation should be done according to title, objective, context, practice, evidence of success.

r. Statistics

History

The Department of Statistics came into existence in Maharaja's College, Ernakulam during 1975 by converting two posts of Lecturers in Mathematics. In June 1976, Sri B. Devadas and Sri K. J. Justin George Francis were appointed as Lecturers in Statistics by the Govt. of Kerala. Later, another post was created as per the workload of the Department. From 1975 to 1987, Statistics teachers were working under the Dept. of Mathematics. In June 1987, the Dept. of Statistics was bifurcated and emerged as an independent one.

The P. G. Course in Statistics came into prominence in **1995** with Prof. Justin George Francis as the Head of the Department and Smt. T. M. Marykutty and Dr. S. Santhosh as Faculty members. In the same academic year, 5 more Lecturer posts were sanctioned and hence the Faculty was enhanced to 8 with the inclusion of Sri K. A. Rajeevan Pillai, Smt. R. Thankam, Sri T. V. Francy and Dr. N. Hitha as Faculty members. In June 1998, Prof. M. Sreekumar joined the Faculty as HOD. With the collective and sincere efforts of teachers, students and well-wishers of the Dept., it has risen to soaring heights beyond anyone's imagination.

Course offered

Department of Statistics, Maharajas College Ernakulam is offering a full time post graduate course in Statistics and Ph.D. in Statistics. Right from the inception of a Post-Graduation course in Statistics in 1995, the department has been successful in attracting bright students to pursue learning and career in Statistics. The department has been flying on the wings of talented and committed faculty members. The department is functioning in a separate block with well-equipped lab and library.

The department has been successful in producing excellent results for PG program. The department regularly conducts enrichment programs to equip students to pursue better heights in education and career. Many of our students are well placed in both private and government sectors.

Enrichment lecture series, seminars, workshop and activities of Statistics club etc. all add laurel to the functioning of the department. The faculty members are research oriented as evidenced by the number of publications in reputed referred journals.

Facilities of the Department

Smart Class Room and Computer Lab

In order to implement ICT facilities in the department, one of the class rooms has been converted into a Smart Class room. We have well equipped computer lab with 25 computers, wifi and high speed internet facility. Licensed softwares like SPSS, MATLAB, R, PYTHON, EVIEWS, and MS OFFICE are made use of. The P.G. students do their practicals using SAS, MATLAB, PYTHON, R and M.S. Excel.

Statistical Data Analysis Center

Smart Class Room

Learning Resources Available in the Department

The Library has a collection of above 2500 books and 6 Journals. The prominent journals are Sankhya, Statistical Methods, Journal of Indian Society of Agriculture and Journal of Science Education. The library is well adorned with a Photo Gallery of eminent Mathematicians and Statisticians donated by Prof. Justin George Francis and the students of 4th Batch. ISS question papers are available in our Dept. and students can carry out their references and discussions. Whenever the former ISS Gems visit the Department, facilities are provided to conduct coaching classes at their will and pleasure. By this kind of interaction, the P.G. students get a lot of information on to how to prepare themselves for the ISS Examination.

2. Valsan, A., Athulya Bose, G. K., Amrutha, C. S., Anil Kumar, A. K., Jayamol, K. V., & Kumar, S. (2022). Preliminary Phytochemical Screening of Indigenous Medicinal Plants *Ocimum tenuiflorum*, *Ocimum basilicum*, and *Ocimum gratissimum*.
3. Mathew, A., & Joseph, C. (2022). Quantile-based overlap measures. *Ricerche di Matematica*, 1-18.
4. Thomas, M., & Menon, P. P. (2022). Forecasting Of Small Cardamom Price Using Sarima Model. . *Plant Sciences*, 116-123
5. Rekha, S., Maya, S. S., & Anila, E. I. (2022). A comparison of in vitro cytotoxicity of undoped and doped surface modified CaS nanoparticles. *Materials Letters*, 311, 131578.
6. Kattumannil, S. K., Sreedevi, E. P., & Balakrishnan, N. (2022). Relationships between cumulative entropy/extropy, Gini mean difference and probability weighted moments. *Probability in the Engineering and Informational Sciences*, 1-11.
7. Mathew, A. (2023). Quantile cumulative distribution function and its applications. *Communications in Statistics-Theory and Methods*, 1-15.
8. Sreedevi, E. P., & Kattumannil, S. K. (2023). Goodness of fit test for uniform distribution with censored observation. *Journal of the Korean Statistical Society*, 1-13.

9. Midhu, N. N., Dewan, I., Sudheesh, K. K., & Sreedevi, E. P. (2023). On approximation and estimation of distribution function of sum of independent random variables. *Statistical Papers*, 1-31.

Training Programmes attended by Faculties of the Department:

- (i) Dr. Merlymole Joseph K. , Dr. Maya S.S., Dr. Sreedevi E.P. : Attended 3 days residential training programme jointly organized by Collegiate Education Department, Govt. of Kerala and Indian Institute of Science Education and Research (IISER), Thiruvananthapuram from 15.07.2022 to 17.07.2022 at IISER, Thiruvananthapuram
- (ii) Dr. Merlymole Joseph K., Dr. Maya S.S.: Participated in the Refresher Course in the Subject Mathematics, Statistics & Computer Science organised by University of Lucknow from 10.01.2023 to 23.01.2023.

Student Progression, Placement

In the academic year 2022-23, 12 out of 17 Final year M.Sc Statistics students got placement.

Sl No	Name of Candidate	Reg.No	Placement Details	
			Company/Firm	Designation
1	ANAKHA KURIAKOSE	20690004	St.Teresa's College, Ernakulam	Guest Lecturer

2	ANANTHU SAJEEV	20690005	Parexel International (India) Pvt. Ltd.	Statistical Programmer
3	ASWATHY P M	20690006	St. Albert's College, Ernakulam	Govt. Guest Lecturer
4	GIYA SARA ANIL	20690007	ICMR, Banglore	Project Technical Officer
5	KEERTHANA SHAJI	20690008	M.A. College, Kothamangalam	Guest Lecturer
6	KESIYA ELIZA GIJI	20690009	Kerala Agriculture University, Thrissur	Govt. Guest Lecturer
7	K S HIMA	20690010	Manapuram Finance, Thrissur	Data Analyst
8	LAKSHMI SURESH	20690011	M.A. College, Kothamangalam	Govt. Guest Lecturer
9	MUHAMMED ZINAN N M	20690013	ICON Clinical Research Ltd.	SAS Programmer
10	NEERAJA A R	20690014	M.A. College, Kothamangalam	Govt. Guest Lecturer
11	SEETHARAMAN P	20690015	Indian Statistical Institute, Kolkata	Project Technical Officer
12	SNEHALEKSHMI S	20690016	Department of Posts, Govt. of India	GDS

s. Zoology

Academic year 2022-23 witnessed a resurrection from the death blow by the covid pandemic as well as the flood. Department could well organize all the routine activities such as Onam and Christmas celebrations, fresher's day and sent off to outgoing students.

In addition to the above listed routine activities, department undertook many co-curricular and extra-curricular activities. An anti-narcotic debate was conducted in individual classes on 25/10/2022. With the generous financial assistance received from the Director of Collegiate Education, we could carry out a Nature Camp for second year BSc students at Udumpan Shoalai. Dr.Sunish, Smt Sandhya Krishnan and Sri Abhilash P D, accompanied the students. Study tours and field trips of V SEM and VI SEM BSc as well as II SEM and IV SEM MSc were also organized complying the instructions in the syllabus.

He activities of the Zoology Association GAIA for the year 2022-23 was inaugurated by Dr.P. Jayasankar, our alumnus and retired scientist of CMFRI. He led a wonderful session on 'Cetaceans' and shared his experiences during the course of his real time encounters with

Cetaceans. Students were thrilled when he gave away a class on basics of music after the scientific session.

A bridge course was conducted to familiarize I SEM BSc students with the subject and also to smoothen the curve of academic advancement and thereby making them stress free. On 27/01/2023, a full day campus cleaning drive was undertaken, where in our students toiled terribly to make the area allotted to them clean.

As usual, the faculties and research scholars of the department were able to publish their research works in various scientific journals. We are proud that Dr. Sunish could publish a paper in Reviews in Aquaculture with an impact factor of 10.618.

Dept. of Zoology, in association with Dept. of Botany conducted a one year long NET/JRF coaching for Life science students. In addition to students from Zoology and Botany departments of our colleges, students from other colleges and even other universities attended the program. No fee was levied for the program. We thankfully place on record the goodwill of the resource persons, who did the job excellently and happily. Smt Dhanya Balakrishnan was the department coordinator for the event.

After a long period of service, our colleague Dr.M.H.Shyla was retiring in the academic year. Our students organized a befitting farewell party to Dr.Shyla.

Ruth Maria, a MSc zoology student (20004-2006) got India book of records, Asia book of records and International book of records for wiggling of little toe .Set a new world record by doing 38 times in 30 seconds. She is now working as HSST (Jr) Zoology at M.A.M.H.S.S Koratty. During the academic year our students – Uma Parvathy and Karthika brought glory in Sports events and Azhar Sulfikar won in arts.

Our Second semester MSc students were fortunate enough to do an internship at the Department of Forest Entomology, Kerala Forest Research Institute. The program was under the direction and guidance of Dr.Sajeev, Scientist KFRI, who is an alumnus of our department. It lasted for two weeks from 5/5/2023 to 24/5/2023. The program was very well appreciated by the students.

The faculty of the department are really proud to make it known that Maharajas College Zoology Alumni Association (MAZAA) got registered under The Charitable Societies Act with the District Registrar Office Ernakulam on 27/5/2023.
